GOOD JUDGES OF WHISKY.

An Anecdote Showing That Two Noted Men Would Have Made Fine Samplers.

Louisville Courier-Journal.

One day Senator Beck and ex-Governor Magoffin visited Major Daviess, near Harrodsburg, and the major brought out some prize whisky. Beck sampled it straight first, then sought for its merits in a toddy and again tried it with a little ice and mint added. Meanwhile the governor sipped it in the shape of grog. They would agree in regard to only one point, that the liquor was good, in fact very superior liquor. The senator pronounced it McBrayer, the governor insisted that it was the D. L. Moore, known as the Cold Water brand. The senator said it was fully nine years old, the governor limited it to six. The senator imagined it tasted just a little of iron, while the governor thought if there was any foreign flavor it was that of leather. At this point the host observed: "Gentlemen, there's only about a gallon left in the barrel; there was nearly three when you came, and I will have it brought up and opened and let you see for yourselves there is no adulteration in my whisky."

The barrel was brought up and the head knocked out, and after straining the remnant of whisky there was found in the dregs of charcoal a small iron key with a leather string tied to it.

The major exclaimed again: "By George, gentlemen, you are the best judges of liquor in the world. There's a key proving there was iron in it, and there's leather showing that Magoffin was right, and as for the brand, you see it's a D. L. Moore barrel, but I recently poured a five gallon jug of 7-year-old McBrayer into it, so you are both right gentlemen, in every particular, except in regard to its age, and you didn't miss that very far. Let's smile again." And they smiled again.

Some Searching Inquries.

The state board of revenue commissioners have organized by electing Mr. Stenger, secretary of the commonwealth, president of the board. It was agreed to send a circular letter to county assessing boards asking the following questions: First, are the returns of money invested and the interests bearing bonds of corporations held by individuals in your county correctly made by the assessors of your county, so far as you know and believe, and if not, how much below the actual value are the assessments made? Second, are the returns of household furniture, including gold and silver, pleasure carriages, watches and other personal property, taxable for state purposes, fully and correctly made by the assessors of your county, so far as you know and believe, and if not, how much below the actual value are the assessments made? Third, can you give any other information or make any suggestions which may be useful to this board in the discharge of its duties in equalizing the assessment of the several counties according to the value of the taxable property therein? If so, state and give the same, as if specially interrogated in reference thereto."

Farmers and Free Pipe Lines

Philadelphia Press.

Among bona fide farmers there may be, and very probably is, the natural feeling of opposition to free pipe lines which arises from the desire to be let alone and the dislike to having their property disturbed in even the slightest degree. This desire and dislike are common to all property owners They are as strong in the city as in the country. The Philadelphian submits to the cutting of streets through his suburban lots of ground, or to the seizure of his country place for the use of the park, not because he likes it, but because experience has taught him that he cannot successfully oppose his personal interests to the interests of the many. Free pipe lines have become necessary, like streets, roads, railroads or canals. The degree of damage done to farm lands and farmers by a pipe line, unless it be a monopoly from which farmers suffer indirectly, is about as small as the amount of active opposition to free pipe lines from genuine farmers.

The World Moves—Skill and Science Triumphant.

Our reporter relates the following remarkable experience of one of our most reliable and substantial merchants, Deacon Stephen G Mason Mr. Mason says that from 1869 to 1880 he suffered terribly from frequent very severe attacks of inflammatory rheumatism. The last attack in the winter of '79 and '80 was so severe as to render him unable to take a step in four months. His physicians thought that one side of him was paralyzed, and both knees became so stiff that he could not bend them. The doctors pronounced his case incurable, leaving him in a terrible condition He was then induced to try Hunt's Remedy, by a medical friend who told him that his whole sickness and trouble arose from kidney disease, and convinced Mr. Mason that such was the case, and after taking it six weeks was entirely cured, and is now in such excellent physical condition that neither damp weather nor wet feet affect him disagreeably. Mr. Mason says that his cure is complete, as it is more than two years since he has had the disease. I "attribute my most remarkable cure solely to Hunt's Remedy, the Infallible Kidney and Liver Medicine," says Mr. Mason.—*Providence Evening Press.*

The Best.

WILLIAM H. WILSON, M. D., Springfield, Effington Co., Ga., says: "I prescribed Hunt's Remedy in a complicated case of Dropsy which I had been treating for *eight* years, and I find Hunt's Remedy is the best medicine for Dropsy and the Kidneys I have ever used."

Owe My Existence.

ABIGAIL S. COLES, of Moorestown, Burlington, Co., N. J., says: "Eighteen months ago I had Dropsy around my heart. My physicians and friends despaired of my ever getting well. The first bottle of Hunt's Remedy gave me great relief. I feel I owe my very existence to Hunt's Remedy, and I am deeply thankful."

Aladdin's lamp wrought mighty things, but Hunt's Remedy works mightier. Try it.

MEDICAL.

BENSON'S SKIN CURE.

[*From the Springfield Republican.*]

A GENEROUS ACT

That Will be Appreciated by All Who Care for Their Complexion or Skin.

It is not generally known that the nervous system has a wonderful influence over the skin, but this is a fact known to medical men who have given much of their time to the study of diseases of the skin. No one can have a clear and fair complexion, unmixed with blotches or pimples who is very nervous.

Whatever tends to a healthy condition of the nervous system always beautifies the complexion and removes roughness and dryness of the skin. Some skin diseases are not attended by visible signs on the surface, but an intolerable itching that renders life miserable.

We copy the following deserving and interesting compliment from the *Tribune*, which says: "Dr. C. W. Benson's New Remedy, 'SKIN CURE,' is received by the public with great confidence, and it is regarded as a very generous act on the doctor's part to make known and prepare for general use his valuable and favorite prescription for the treatment of skin diseases, after having devoted almost his entire life to the study and treatment of nervous and skin diseases, in which he took great delight. He was for a number of years physician in charge of the Maryland Infirmary on Dematology and anything from his hands is at once accepted as authority and valuable. The remedy is fully the article to attack the disease, both internally, through the blood, and externally through the absorbents, and is the only reliable and rational mode of treatment. These preparations are only put up for general use after having been used by the doctor in his private practice for years with the greatest success, and they fully merit the confidence of all classes of sufferers from skin diseases." This is for sale by all druggists." Two bottles, internal and external treatment, in one package. Don't be persuaded to take any other. It costs one dollar.

OH MY HEAD!
WHY WILL YOU SUFFER?

Sick headache, nervous headache, neuralgia, nervousness, paralysis, dyspepsia, sleepiness and brain diseases positively cured by Dr. Benson's Celery and Chamomile Pills. They contain no opium, quinine or other harmful drug. Sold by druggists, Price 50 cents per box, two boxes for $1, six boxes for $2.50, by mail postage free—Dr. C. W. Benson, Baltimore, Md. C. N. Crittenton, New York, is wholesale agent for these remedies.
