

SHULTZ'S Old Established and Largest Retail HAT STORE IN AMERICA. HAS NOT BEEN REMOVED, BUT IS STILL LOCATED IN THE ELEGANT STORE ROOMS. SHULTZ BROS. (OLD STAND.) Nos. 31 and 33 North Queen street, WHERE IT HAS BEEN FOR A Period of Nearly Forty Years.

STRAWBRIDGE & CLOTHIER NOW OFFER EXTRAORDINARY OPPORTUNITIES IN DRESS GOODS. FORCED SALE BARGAINS.

Perhaps never in the history of the dress goods trade has there been such a disastrous season for manufacturers and importers as at present. The agitation and changes of the tariff, the cold, backward Spring and the tightness of the money market, all combined to produce this state of affairs.

The first of May found us, happily, with a smaller stock than heretofore, because of the great increase in our sales during April, so that we have probably never been in better shape to avail of this condition of things and to make large cash purchases than now.

FIFTY THOUSAND DOLLARS' WORTH of strictly reasonable dress goods for prompt cash at our own prices, which in most cases, were about 50 CENTS on the DOLLAR of cost to manufacture or import.

We now propose to inaugurate, and for the coming thirty days to carry on, ONE OF THE GREATEST RETAIL SALES OF DESIRABLE DRESS FABRICS that has ever taken place in this country.

Please bear in mind all the goods named below are new and fresh, and are in complete assortments. Many were taken out of bond and shipped directly to us, There are:

- 300 PIECES Rembrandt Cheek Veilings (44 inches wide and all wool) AT.....50 CENTS.
40 PIECES Extra Fine French Albatross (42 inches wide) AT.....62 1/2 CENTS.
40 PIECES French Fancy Figured Veilings (22 inches wide) AT.....50 CENTS.
200 PIECES French Beige de Sante (23 inches wide) AT.....20 CENTS.
150 PIECES French Beige Albatross (24 inches wide) AT.....25 CENTS.
400 PIECES English Dress Goods, Some Silk Mixed, (22 inches wide) AT.....20 AND 25 CENTS.
40 PIECES French Novelty Checks (44 inches wide) AT.....75 CENTS.
40 PIECES French Albatross Cloth (42 inches wide) AT.....50 CENTS.

If this gigantic sale does not make the dress goods business for the month of May the largest on record in the history of our house it will be because the people are not to be induced to buy thoroughly staple and reliable goods, at prices so low as to bear little or no relation to value, which state of things has never yet been known.

As our dress goods counters cannot fail to be overcrowded during the progress of this sale, especially in the afternoons, we again urge all who can do so to serve their own interest and convenience in securing these undoubted bargains by coming to us in the morning hours and on rainy days.
