PURE PAINT, —AND— WHERE TO BUY IT.

There is no advantage in buying and using the common mixed paints that are now flooding the markets. They can be bought at any price you offer for them, but you only waste your money and the work expended on putting them on Wadsworth, Martin & Longman's Paints cost more at first, but they go farther, look better and last longer than any other goods in the market. Don't buy paint till you have inquired into the merits of these goods.

THE TOBACCO MARKET.

IN NEW YORK AND LANCASTER.

The Trade and Retail in Sumatra, Seed Leaf and Havana for the Week Ending Saturday, May 19, The Young Plants.

U. S. Tobacco Journal.

A solid revival of business was noticeable in our market and once more faces of leaf dealers were beaming with a look of satisfaction. The first thing to put an air of flourish on the market was the report of sales of 1,100 cases of '82 Pennsylvania to a manufacturing firm in this city.

A report of this kind in which the sellers as well as the buyers were not shrouded in mystery, and in which parties were concerned of whose veracity there was no doubt, went forth to establish the reputation of the '82 Pennsylvania than all other reports of sales that have been made every week with the regularity of clock work by designing parties during the past few months. Whatever the price may be that has been realized, it stands to reason that the sellers didn't come out without a profit. If inferences are in place, the price may be put down at 20 cents.

Another feature which helped to inspire the market was the eager inquiry for export. Five hundred cases of '82 Wisconsin were taken at an average of 10 cents. There was also a lively inquiry for '82 Connecticut, and the sales reported aggregate about 450 cases, part of which were seconds, at 11 cents; wrappers sold at 16 to 22 cents. A number of large city cigar manufacturers visited the market and entered into negotiations with holders of new tobacco. Next week, very likely, we shall be enabled to record considerable sales.

Old tobaccos were sought after by speculators only, but holders, believing the time at hand when prices will advance generally, refused to take the low offers made.

It is with reluctance that in the midst of this prevailing spirit of hopefulness and great expectations we are compelled to drag out the spectre of Sumatra. Our latest reports from Amsterdam speak of heavy sales, reaching some 7,000 bales, designated for the market. How many more speculators, residents of Amsterdam, will be able to get into the market before July 1 is hard to tell. Certainly the number will not be a trifling one. At present our export outlook is fine, and if the market can be relieved of its enormous surplus through this channel, holders of low grades of tobacco may once more expect a lively business in the near future. At present low grade goods go begging in the market.

The sales of the week were as follows: Pennsylvania--Crop '82--1,100 cases; reported at 20 cents.

Crop '81, 500 cases at 8 to 13 cents.

Crop '80, 100 cases, at 9 cents.

Wisconsin--Crop '82, 509 cases at 10 cents, reweight for export.

Sumatra--Market very active. Sales 400 bales. Out of town buyers invested quite heavily. The market is gradually becoming bare of fine goods which sell at figures ranging from \$1.30 to \$1.50. Light and ragged stock is yet to be found in considerable quantities at 90 cents to \$1.05.

Havana--Market dull. Sales 300 bales, \$5 cents to \$1.20.

The Philadelphia Market.

Leaf.

Seed leaf--Handling of cigar leaf is now improved in every branch. The '81 crop of Pennsylvania is coming to the front and daily receives new admires, while Connecticut and Havana seed is moving off finely.

Considerable '82 crop has been moved, especially Wisconsin and Connecticut, through packers' samples. Prices remain private.

Sumatra sells in moderate amounts at from \$1.10 to \$1.40.

Havana shows increased sales, but competition is heavy, hence margin is small. Prices range at old quotations.

Receipts for the week: 354 cases Con necticut, 241 cases Pennsylvania, 72 cases Ohio, 156 cases Wisconsin, 49 cases York seed, 93 bales Havana, 43 bales Sumatra, 261 lbs Virginia and Western leaf tobacco.

Sales have been: 270 cases Connecticut, 291 cases Pennsylvania, 29 cases Ohio, 90 cases Wisconsin, 49 cases York seed, 86 bales Havana, 23 bales Sumatra, 87 lbs Virginia and Western leaf in transit direct to manufacturers.

Exported of leaf tobacco: To Liverpool, 41,219 lbs.; to Manchester, 3,814 do; to Barbadoes, 1,719 do; total, 45,752 do.

General Report.

Sales of seed leaf tobacco reported by J. S. Gans' Son & Co., tobacco brokers, No. 131 Water street, New York, for the week ending May 21, 1883:

800 cases 1882 Pennsylvania, p. t., 500 cases 1881 Pennsylvania, 90, 123, 100 cases 1880 Pennsylvania \$6.16c.; 300 cases 1882 Ohio Hav. seed p. t.; 100 cases 1881 Ohio Little Dutch 17c.; 150 cases 1881 New England 13c@30c.; 300 cases 1881 Wisconsin Havana, \$1c@11c. Total 2,350 cases.

There are dangerous counterfeits in circulation purporting to be Walnut Leaf Hair Restorer. The strongest evidence of its great value is the fact that parties knowing its great efficacy try to imitate it. Each bottle of the original has a "see inside of a walnut leaf-bottle in the glass and a Green Leaf and color to the hair. Purchase only from responsible parties. Ask your druggist for it. Each bottle is warranted. JOHN S. GANS' SON & CO., Philadelphia, and HALL & RUCKEL, New York.

Saved by a Newfoundland Dog.

Joe Kupel, some distance out of Racine, saw the cyclone coming and started for the house of Mr. Hilker to get into a cellar, his wife and child being with him. When about half way across the lots the storm caught them. Mrs. Kupel fell and lost her hold on the child, which was carried rapidly toward the river. A large Newfoundland dog of Mr. Hilker ran and caught the child and held it until the danger was over, saving it from being carried into the water. Mr. Kupel grasped his wife and saved her. A whole rig were lifted up in the cyclone and dropped some fifteen feet away. No damage was done by
