PURE PAINT,
—AND—
WHERE TO BUY IT.

There is no advantage in buying and using the common mixed paints that are now flooding the markets. They can be bought at any price you offer for them, but you only waste your money and the work expended on putting them on. Wadsworth, Martinz & Longman's Paints cost more at first, but they go farther, look better and last longer than any other goods in the market. Don't buy paint till you have inquired into the merits of these goods.
