THE PARMERS' CLUB.

& Motable Gathering at Marietta Testerday The annual banquet of the Farmers' club was held yesterday in Duffy's park, near Marietta, where 47 guests were splendidly entertained by Col. James Duffy. The guests began arriving from different points during the forenoon—New York, Baltimore, Philadelphia and other places of this state—and at 3:30 o'clock p. n., sat down to the heavily laden banquet board. Among the notables present were Senator Bayard, of Delaware; Hon. Samuel J. Randall, of Philadelphia; General Simon Cameron; Judges Mercer and Green, of the supreme court of Pennsylva-nia; Messrs. Geo. W. Childs, of the Philadelphia Ledger; Dana, of the New York Sun; Wm. Henry Hurlbert, ex-editor of the New York World; President Thompson and Vice President Cassett, of the Pennsylvania railroad company and Mr. Jerome, the great New York banker and financier, and Alexander Taylor, also a New York banker; H. M. North, of Columbia, and Samuel H. Reynolds and Col. Wm. B. Fordney, of this

Coffee The guests rose from the table at 6:30 6 clock p. m. Speeches were made during the intervals between the courses, but none bore upon political topics. These dinners are given by Col. Duffy every year in his park, but none went off more pleasantly or were more of a success than that of yesterday. The name of Farmers' c'ub must have been originated by some grim joker, as very few of those invited to these gatherings have any knowledge of agriculture, whether of a theoretical or practical nature. They all esjoy themselves at any rate, and more than that is

Exciting Runaway Accident. Last evening as Mr. L. R. Reist, who reides in Manheim township a short distance north of this city, was driving in company with his wife on West Chestnut street near North Queen, the bridle bit broke, and the blinds were thrown out of place, so that the horse could see the carriage to which he was attached. This frightened him and he ran out Chestnut to Prince at a furious rate, Mr. Reist being unable to control him for want of a bit. In turning down Prince street the horse ran upon the pavement in front of Dr. A. J. Herr's, and a moment later the carriage struck the hitching post in front Dr. Yeagley's. The post was broken off, and the concussion was so great that Mrs. Reist was thrown out over the dash board and fell at the horse's heels. Her dress caught upon the carriage teps, one of the wheels passed over her, and she was dragged for a distance of about twenty feet, when, fortunately, the horse was caught and she was extricated from her perilons situation. She was carried into Dr. Yeagley's, where an examina tion was made, and it was ascertained that with the exception of a le she had escaped all injury. Had not the borse been caught at the critical moment Mrs. Reist might have been killed, as her dress was tightly fastened to the carriage steps and one of her arms between the spokes of the wheel when the horse was

The Wheelmen.

The town is full of bicycle riders to day who are attending the tournament at the park this afternoon. At two o'clock all tormed in line on Chestout street, near Duke, and paraded over the route published yesterday. The Lancaster club looked nobby in their new uniforms, as did many of the others. The machines were all bright and clean, and no prettier parade has ever been seen here. The races were quite exciting and the attendance was large, a number of persons being present from other towns.

Bold Koubers.

Lititz Record. On Tuesday night two men entered the mill of A. B. Snyder, near Brunnerville where Mr. Snyder's miller was at work. With cocked revolvers in their hands they quieted the miller with threats and went through a money drawer, securing fifteen dellars, after which they took some feed and departed.

Fire Fscape Trial.

Another trial of the fire escape was made in Centre Square this forenoon, and it was just as succe-sful and funny as the one given yesterday. The escape was fastened to a fourth story wiedow on the Locher building and persons were fired down to the street with great rapidity and no injury.

Pedaling Without Lice. se.

A. J. Aitman had a hearing before Alderman McGlinn this morning of a complaint which charges him with violating the special Lancaster county license law. He was held in \$300 bail to answer at court.

Boats, Bicycles and Hay Fever. Nature has resolved that all the people are not to enjoy themselves at once. With the opening of the season of outdoor sports comes the time of trouble for the poor victims of Hay Fever. For them flowers have no odor, and the summer little or no beauty. To snuff neeze and wipe their weeping eyes for three or four successive months-this is their pitlable portion. Whether this form of catarrh is called hay fever, hay cold, rose cold or rose fever, makes no difference; they suffer just the same. There is no help in sea voyages. there is no help in high mountain air. These only lighten the pocket and leave the disease unabated. But there is a positive cure in Ely's Cream Balm. We could cram these columns with grateful letters of the rescued. Try it and join them. If you continue to suffer it is b cause you neglect a remedy as sure as it is cheap and pleasant.

It so, go at once and get a bottle of MRS. WIN-SLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately-depend upon it ; there is no mistake about it. There is not a mother on earth who has ever used it. who wil! not tell you at once that it will regulate the bowels and give rest to the nother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best temale physicians in the United States. Sold everywhere. 25 cents a bottle.

mayl-M, W,S&w RESCUED FROM DEATH. The tollowing statement of William J. Cough in, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our read ers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medcines. I was so tar gone at one time a report w. nt around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BAISAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a bettle to satisfy them, when to my surprise a d gratification, I commenced to feel

better My hope, once dead, began to revive, and to tay I feel in better spirits than I have the past three years. " I writethis hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness.
