SATURDAY FVENING, JUNE 16, 1888

A Mother's Dranken Frenzy. Mrs. John Ford, a resident of Mount Carmel, created quite a sensation there on Friday afternoon by attempting to burn to death her one-year-old boy. She is well known as a hard drinker and oc casionally indulges in a general spree. She had been absent from her home for the past twenty-four hours and returned about four o'clock Friday evening in an intoxicated condition. She found her three small children taking care of the place as best they could. Securing an axe she chased the two other children out and forewith began to break the furniture and dishes. She then set fire to the building. which, only for the timely interference of some of the neighbors, would have been destroyed, with the youngest child. When she discovered she was in charge of au officer, who shortly arrived, she furiously resisted, but was finally quieted and lodged in the lockup.

A Great Marriage Scheme Spoiled. The grand jury of Erie county recom mended that married paupers in the alms house be permitted to occupy joint quar-ters instead of being separated. The poor directors were altering the building to meet the recommendation, but the work was stopped, owing to the discovery of a scheme among about one hundred un married inmates to marry and secure the extra comforts, the project being to marry each other according to Pennsylvania law, which recognizes simple declaration before witnesses a legal marriage The ages of the parties ranged from eighteen to eighty.

NOTHING IS MORE DREADED than salt rheur or eczema, which has fully a dozen species going under various names, nearly all of which defy the ordinary remedies, destroy the hair, the skin and the flesh, and in many cases death comes as a blessing. Scalp and skin alike are subject to this, as well as to dandruff, tetter and other scaly diseases pro ducing baldness, eruptions, ulcers and other

Intelligent people should beware of taking

odsons as remedies for this class of disease of the skin and scalp, and the various reme dies which are sent out by unskilled men should be avoided as one would a plague. There is but one "Skin Cure" which can be relied on, and that is Dr. Benson's, and its name is an earnest of its worth. It is not a patent medicine, but the result of his own experience and practice, and is a sure cure for the special diseases for which it is offered. It makes the skin soft and white and smooth, removing tan and freckles, and is the best toilet preparation in the world. It is elegantly put up, two bottles in one package, consisting of both internal and external treatment. Simple in its combination, pure and free from all poisons, it may be relied upon by all those who wish to have perfect health and freedom from all skin diseases of whatever nature, whether they are Eczema, Tetters, Humors, Inflammation, Milk Crust, Rough Scaly Eruptions Diseases of the Hair and Scalp, Scrotula Ulcers, Pimples or Tender Itchings on any part of the body. Price, One Dollar per pack age. All druggists have it for sale.

A Kevolution

In the treatment of nervous diseases is now taking place. Dr. C. W. Benson, of Baltimore, many years ago discovered a sure remedy in his Celery and Chamomite Pills-they have had a wonderful sale and success. They can be relied on to permanently cure sick and nervous headache, neuralgia, dyspepsia, sleepless ness and all nervous diseases. All druggists keep them. Price, 50 cents per box. DARKER'S TONIO.

HE REPEATS THE REMARK. "Will you please repeat that remark, Mr

Turning so as to look your represent tive squarely in the face, the head of the house of Soren Mathison & Co., Pharmacists, No. 1802 State street, Marble Block, Chicago, rep led : "Yes, sir, with pleasure. My remark was that we consider PARKER'S GINGER TONIC, now called PARKER's Toxic, the best article of its kind in the market. Our sales for the last six months tell the whole story and settle the question. The Tonic, like a good dinner, carries its own recommendation with it. It's bound to sweep the West like a prairie on fire. In cases of rheumatism, dyspepsia and liver and kidney troubles it scores successes and

wins friends every day."
Hiscox & Co, beg to call public attention to
the fact that hereafter Parker's Ginger Tonic will be advertised and sold simply under the name of PARKER'S TONIC. We make this change for the reason that unprincipled dealers are constantly deceiving their customers by substituting interior preparations under the name of ginger; and as ginger is really an unimportant flavoring ingredient, we drop the misleading word.

There is no change, however, in the prepara tion itself, and all bottles remaining in the hands of dealers, wrapped under the name o PARKER'S GINGER TONIC contain the genuine medicine if the fac-simile signature of Hiscox & Co. is at the bottom of the outside j2-ImdS&w
