U. S. Tobacco Journal. Read, Mark and Inwardly Digest A veritable boom ! '82 Pennsylvania

АвнвURNHAM, Mass., Jan. 14, 1880. I have been very sick over two years, and was given up as past cure. I tried the most skillfull physician, but they did not reach the worst part. My lungs and heart would fill up every night and distress me very had. I told my children I never should die in peace until I had tried Hop Bitters. I took two bottles. They helped me very much indeed. I took two more; and am well. There were a lot of sick folks here who saw how they cured me, and they used them and are cured, and feel as a shadow of the prosperity that all of a sudden fell over the '82 Pennsylvania. The thankful as I do. MRS. JULIA G. CUSHING.

MRS. MATTIE COOPER. CEDAR BAYOU, TEXAS, Oct. 28, 1882. I have been bitteriy opposed to any medi-cine not prescribed by a physician of my choice. My wife, fifty-six years old, had come by degrees of disease, to a slow sun down, and doctors falled to benefit her. I got a bottle of Hop Bitters for her, which soon relieved ther in many ways. My kidneys were badly affected. and took twenty doses and found much relief. I sent to Galveston for more, but word came back, none in the market, so great is the de mand ; but I got some elsewhere. It has restored both of us to good health, and we are duly grateful. Yours, J. P. MAGET.

New BLOOMFIELD, M188., Jan. 2, 1880. Gents : I have been suffering for the last five years with a severe itching all over. I have used up four Bottles of your Hop Bitters, and it has done more good than all the doctors and medicines that they could use on or with me I a .. old and poor, but feel to bless you for such a reliet from your medicine and torment of the doctors. I have had fifteen doctors a me. One gave me seven ounces of solution of arsenic; another took four quarts of blood from me. All they could tell was that it was skin sickness. Now, after these four bottles
