I have been a great sufferer with Salt Rheum for thirty years, commencing in my head and face and extending over the greater part of my body. I have taken gallons of medicines for the blood of different kinds and t ied good physicians, all of which did me no good, and I came to the conclusion that I could not be cured. But a friend called my attention to CUTICUER REMEDES. Got them and used them until my skin is perfectly smooth and I con-sider myself entirely cured. Yours truly, AGAWAM, MASS. B. WILSON LORD.

My case was considered a very bad one. My face, head, and some parts of my body were almost raw. Head covered with scabs and sores. Suffering tearful. One very skilltul physician said he would rather not treat it, and some of them think now I am only cured temporarily. I think not, for I have not a particle of Salt Rheum about me, and my case is considered wonderful. Thanks to CUTICURA REMEDIES. DECATUR Mich. MRS. S. E.
