GRUP REPORTS.

The reports of the correspondents of the agricultural department of Illinois show an improvement in the corn crop in all parts of the state.

The Northwestern Miller, of Minneapolis, says: "The wheat stored in the Minneapolis elevators, including the transfer elevator, on July 10 was 1,362,000 bushels.

The state veterinarian of Illinois reports that glanders are prevalent among the horses in 18 counties of that state.

President Arthur and a number of prominent officials in Washington have been invited to participate in an excursion to the Pacific Coast, over the Northern Pacific railroad, on the occasion of the union of its tracks, and consequent opening of its entire line from St. Paul and Minneapolis to the Lake Superior ports to Portland, Oregon, and Puget Sound.

The Commercial Travellers' National Association, in session at Cleveland, has resolved to be incorporated. It will meet in Boston next year.

The Chicago Railway Age publishes statistics of railway building during the first half of the present year, showing that 2,569 miles of the main track were constructed, not including switches or sidings on 114 lines, in 35 states and territories.

The Commercial Travellers' National Association, in session at Cleveland, has resolved to be incorporated. It will meet in Boston next year.

Don't be faint-hearted. If you are in trouble look up, hold on, give the blues good by. If you are in pain, lameness, have an ache of any kind, go to the druggist and ask him for Thomas' Electric Oil.
