purchase for ninety cents ? We are the agents for Lancaster and vicinity for

As a business transaction would you be willing to pay one dollar for an article you could

And we claim that they are the best and cheapest paints in America. And we don't make

this assertion and leave it unsupported. Paint one-half of any surface or one-half of any

building with this paint and the other half with strictly pure White Lead and Linseed Oil, or

any other mixed paints in this country, and if the part painted with this paint does not cost

ten per cent. icss than for paint used, we will make no charge for our paint. And further,

any building that has been painted with this paint that is not satisfactory to the owner, and

not remaining so for a proper term of years, we will repaint at our own expense with White

Lead and Linseed Oll or any other paint he may select. As many of the prepared paints are

adulterated with benzine and water we make this liberal offer. We will pay one thousand

dollars for any benzine or water found in any original package of WADSWORTH, MARTI-

DRY GOUDS.

LEAF TOBACCO. IN NEW YORK AND LANCASTER.

seed Leaf, Samatra and Havana for Week Ending Saturday, July 14. 10 A. M.

MALARIA U. S. Tobacco Journal.

'82 Penusylvania and '82 Wisconsin are leading the market, followed by the better grades of '82 Ohio. A lively and satisfac-Slight impurities in the air to be absorbed and affect the health of persons delicately constituted I can recollect where a deltory business to sellers was effected this constituted 1 can reconcet where a der-icate child, some three years ago, was taken from a boat landing, cn a pier not over one hundred teet long, across a marsh caused by the ebb and flow of the tides, overgrown by dock weeds. The next day the child had chills and fever, although it was never before so affected. After taking the proper remedy, week. This was due to two causes, viz : the reasonable prices for seed leaf and the pressure ideas for Sumatra by high

tramp" importers. Quite a number of persons, some having i fixed and some a doubtful occupation in the old country, have come to our market within the past month, having consign-ments of Sumatra tobacco. They are to tally ignorant of the demands of the trade, are loaded with styles of tobacco for which there exists but a limited outlet and which they, in their befuddled minds believe will realize prices exceeding in some instances \$1.50 per pound. Outside of these persons many of our resident importers of Suma-

many of our resident importers of Suma-tra have begun to ask prices which is al-most a total addition of the new duty, to ante July figures. Under such circum-stances jobbers, as well as manufacturers, are barricading themselves behind the best grades of the '82 seed leaf tobacco in additional set of the totacco in

order to "freeze out" the "nobility" of the old world and the unduly "stiff"

article is not likely to occur for some time to come. In consequence of this present setback of Sumatra the feeling prevailing in our market is excellent. Even holders of '82 Connecticut wrappers look some. what brightened up, though the prospects for profitable sales of this tobacco are more than cloudy. There are some few minor packings, selected with extraordi nary care, which are held mainly by firms who govern a manufacturers' trade of the medium class, and for which, therefore, a direct outlet exists. But the bulk of this

flying iron bolt. The skin was also torn from his left leg and he is suffering from internal injuries. His condition is tobacco, unless the fermentative process precarious. Charles Gomer, a mechanic tender, was considerably injured about the head and legs. E. J. Dickinson, also wipes out some bad defects in color and quality, stands little show for a return of employed in the machine room, was slightly the capital invested.

the capital invested. The New York state also stands at present in the rear ranks of the tobaccos offered in the market. It was bought at too high figures, at least for the better crops, to be able to compete with the prices for '82 Pennsylvania For old tobaccos there is hardly any in-quiry, and the little that sells brings but normal figures. The export business dur: normal figures. The export business dur-

and portions of the flesh were stripped from his lips and forehead. His injuries ing the week was unexpectedly heavy, are not considered dangerous. Stephen Lynch, machine tender, had his head cut about 700 case '82 Wisconsin being sold

Hutter, Hartford, Wisc. pound cans. jyl6-lydM,W&F&w Schrimps, Olives and Pickels in small bot-ties. Gross & Blackwell's Pickles. Lea & Per-rin's Worcestershire Sauce. Fruit Ja Fruit Jars, Jelly Tumblers, GRAY'S SPECIFIC REPUTINE. - INF Great English Remedy. An antalling cure for Impotency, and all Diseases that Jellies, Marmalades, Fine Locust and Clover

It was entirely restored to health and con-tinued so for over twelve months, when the same trip was again taken, the same marsh crossed over, and the same way as before the child was taken with chills and fever, though not having had any for over a year, and has never had one since, fully demonstrating how trifling the cause, and how insidious foul air is to penetrate the system. A DAMP CELLAR

CONCERNING

"The undersigned has no hesitation in as-serting that the judicious use of Simmons Liver Regulator, as a preventive and tonic to the system, will secure immunity from the weakening and dangerous effects of malaria and will effect a cure of chills and fever and all malerial disorders

I am convinced Prot. Darbys Prophylactic Fluid is a most valuable disinfectant. Simmon's Liver Regulator and Darby's Prophylactic Nluid for sale by H. B. Cochran, druggist, 137 and 139 North Queen s reet, Lan-
