ISCHIA'S HORROR.

THE GREAT CALAMITY IN ITALY.

The Destruction of Three Italian Towns Caused by the Subsidence of the Ground—2,000 People Killed and 1,000 Injured—Particulars of the Terrible Occurrence.

NAPLES, Italy, July 30.—Professor Palmieri, director of the meteorological observatory on Mount Vesuvius, states that the disaster on the island of Ischia, near Naples, on Saturday night, by which three towns, Ischia, Casamicciola and Lacco, were destroyed and a great number of lives lost, was due to an earthquake, but to the subsidence of the ground.

The scenes here occasioned by the accident are heartrending. Hospitals are crowded with wounded survivors and the dead houses are filled with bodies of the victims.

Many women and children are among the victims. Most of the corpses which have been recovered are so discolored by dirt that even after they have been washed the features of the victims are unrecognizable.

The Police Force of One Town Killed. All the members of the police force of Casamicciola were killed. A boat has arrived at Naples containing the bodies of 24 infants. A few persons were taken from the ruins alive last evening.

2,000 Killed and 1,000 Wounded. LONDON, July 30.—3:30 P. M.—A dispatch from Naples to Reuters telegram company just received says: "It is now stated that the number of persons killed by the earthquake on the island of Ischia, Saturday night, was 2,000, and that the number of wounded was 1,000."

180 Houses Burned in a Russian Town. ST. PETERSBURG, Russia, July 30.—One hundred and eighty houses have been destroyed by fire in the town of Semanov, in the government of Nizhne-Novgorod.

CARAY THE INFORMER. An Unfounded Report that L. H. Has Been Charged with Informing on the Phoenix Park Murder Cases was Shot Down and Port Erubeshed. The deed was done by a person named O'Donnell.

An Individual Who Needs to Keep Dark. MONTREAL, July 30.—It is now generally believed here that the man who arrived on the steamer on Saturday night, who is suspected of being Caray, the informer, is the veritable informer on the Phoenix park murders. He is stopping at the house of the hotel, and has kept to his house very closely since his arrival.

Unsettled Status of the Suits. NEW YORK, July 30.—Arguments were to have been heard to-day by Judge Ingraham in the superior court in the suits of W. S. Williams and Rufus Hatch against the Western Union Telegraph company and others on behalf of the defendants to have the injunction order made by Judge Arthur H. Hatcher, December, restraining the payment of dividends modified. That order restrained the payment of dividends upon the \$15,589,500 illegal stock, but provided that upon giving a bond for the full amount of money to be paid, the company could go on and pay out its dividends upon condition that they reimburse the entire funds paid out in case the appellate court should sustain the order to-day. Counsel for the company moved to modify the injunction order, and counsel for Williams and Hatch asked for an adjournment on account of the absence of ten of their number. Counsel for the company then asked leave to withdraw the motion rather than to be compelled to attend court again.

FROM WASHINGTON. Judge Wylie overrules a Decision in a Star Route Case. WASHINGTON, D. C., July 30.—In the district criminal court to-day Judge Wylie rendered a decision overruling the motion to quash the indictment in the Kellogg Star Route cases.

It is a supposed case of murder and suicide. The man was about 30 years of age, and his wife 35. The motive for the tragedy is not known.

He was recently sentenced to 12 years imprisonment for the murder of David Powell, in this place on Christmas night last. Mosley's wife died during his trial. He leaves two children.
