WEDNESDAY FVENING, AUG. 8, 1883

NIGHT! Six hours agone went the old sun down, Hidden back of a curtain of rain, And the stars are bright o'er the baptises

And the west wind is living again. Oripping down from the leaves of the shadowy

trees. Fall the drops that have rested awhile, And the fire-fly's gleam is a poet's thought beam-

All my tellows are damb, for old Slumber has

For a moment to brighten, beguile.

And has folded them into his arms ; While my heart has a joy in this new-found

In this solitude's strengthening charms.

And I make a grimace in the world's proud face.

And I laugh at the troubles there are. For this living's a joke and this dreaming's but smoke-Good night to thee, Night, and cigar !

- Will. F. McSparran.

### SOME FAILURES.

Business Men Who are Out of the Tide Lead The effect of the Barlow failure was very depressing on business in St Albans, Vermont, yesterday. President Brainerd, of the trust company, says the depositors "will not lose much," but the depositors are less hopeful. The company's last statement showed that it had 2,100 depositors with deposits aggregating \$600,000. Several railroad men, among them General

McClure, tanner and currier, of Peabody, Mass., has also failed .- Several small boot and shoe firms of Lyon, Mass., failed yesterday, in consequence of the suspension of Charles W. Clements, but it is thought their sus pension will be only temporary.

The Boston Traveler reports the failure of William B. Fowle, treasurer of the Au burndale watch company, and says it will involve the company. His liabilities are supposed to be small.

There was a heavy run on Monday upon the second national bank of Elmira, New York, because its president, as reported, had lost \$150,000 in pork speculations. As he was stated to have fully settled all the demands upon him, still retaining a large private fortune, the run upon the bank ceased yesterday.

The Chicago & Alton railroad company

has given notice of its withdrawal from the Chicago & St. Louis freight poof. This action, the result of the recent cut in passenger rates, is regarded as portending : general passenger and freight war between the points Lamed.

#### Shipping War Materials.

Five hundred cases of arms and ammunition were tent from San Francisco las: Thursday, on the Pacific mail steamship Comstock. All the cases were from Springfield, Mass., and those containing ammunition were branded " U. S. government, 4 calibre." It is said that during the last eighteen months extensive shipments of war material have been regularly made to C. Schmidt, at Shanghai. During that period 240,000 Springfield rifles and 25. 000,000 cartridges in all have been forwarded, besides from 500 to 800 bales of cotton duck, suitable for tents, by express by each steamer for China, The total value of the war material approximates \$5,000,000.

The steamship Wanderer, at New Or leans from Belize, brings nows that Senor Barrios, the president of Gautemala, "has grossly and publicly insulted the British ambassador, and that the latter has left for England,"

## The Track of Crime.

A man named McPherson, charged with murder, was hanged by vigilants in the jail yard at Dayton, Washington territory last Saturday night. He protested his innocence.-Andrew and George Ensin ger, brothers, living at the foot of North Mountain, 7 miles west of Carlisle, Pa., quarreled and fought on Monday morning about a tract of land, and George shot Andrew in the back, inflicting a wound which is likely to prove fatal-Samuel McCauley, 35 years of age shot and killed his father, in Westmoreland county, Pa., on Monday afternoon.-Anton Seeman, being drunk, attacked Henry Best with a knife, in St. Louis, yesterday, and was shot dead by Best. - There was a terrible riot between American and Mexican rail road laborers at Los Palmas, Mexico, ou Monday. Seven men were killed and thirteen wounded, three mortally,

I was so far gone at one time a report flight from the neighborhood took place. It is probable that the sickness was caused by one of the articles eaten-ice cream, watermelon, green peas, or roast veal. The surgeon general of the marine hos

the native cattle at Dodge City, Kansas, and is killing them in large numbers. A man has been arrested for driving in cattle affected with the fever.

KESCUED FROM DEATH the following statement of William J. Cough in, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our read

I was so weak at one time that I could not leave my bed. In the sum-mer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. **MYSTERIOUS** Jaw Names are Not a Success.

A REFRESHING CHANGE To Plain English,

Every reader of newspapers has observed time, and again, in the advertising columns, many singular and frequently unpronounce able names of medicinal remedies. The Greek and Latin languages especially have been drawn upon to furnish names by which patent medicines could be introduced to the public. The inference is, in many cases at east, that their proprietors depend more upon the attraction of high sounding titles than upon the essential merits of the remedies themselves.

It is retreshing once in a while to find a dicine advertised, whose simple, intelligible name in English at once conveys to the reader an understanding of the uses and purposes of the remedy.

A notable instance of this kind is found the medicines of Dr. C. W. Benson, whose Skin Cure and CELERY and CHAMO-MILE PILLS impart at once in their names, either their purpose or the ingredients which compose them. Dr. Benson's Exix Curvis warranted to heal all diseases of the skin, such as tetters, numors, inflammation, milk crust, eczema, diseases of the hair and scalp, scrofula, ulcers, pimples and itching on all parts of the body. It makes the skin white, soft and smooth, removes tan and freckles. and is the best toilet dressing in existence. Its popularity is attested by the immense tales of it which are taking place everywhere. It is the only genuine " Skin Cure " and all should beware of the various remedies which have been struggling for existence, and now endeavor to ride into popularity by advertising themselves as "The Great Skin Cures." There is only one, and that is Dr. tenson's. Be sure and get it.
