THE WATCH FACTORY.

Meeting of Employes-Prospects of Re-ope ing the Establishment.

In response to a call issued by E. R. Lyle, superintendent of the Lancaster watch factory, about two hundred of the employes met at the factory this morning at ten o'clock. The object of the meeting was stated by the superintendent away, throwing Mr. Shirok from the vehicle, and injuring him so badly that he died in an hour after the accident. was made to the employes that for the time named they take as large a portion of their wages as they can conveniently in the stock of the company. With great unaminity the employes expressed a willingness to take from 20 to 40 per cent of their wages in stock, some of them being willing to take even a greater portion. Under these circumstances it is probable that the factory will be reopened at a very early day-probably next week. But if the effort now being made to dipose of the \$88,000 worth of stock relinquished by the stockholders is unsuccessful the closed
