### TO PROPERTY OWNERS AND PAINTERS.

As a business transaction would you be willing to pay one dollar for an article you coul purchase for ninety cents ? We are the agents for Lancaster and vicinity for

#### Wadsworth, Martinez & Longman's Pure Prepared Paints.

And we claim that they are the best and cheapest paints in America. And we don't make this assertion and leave it unsupported. Paint one-half of any surface or one-half of any building with this paint and the other half with sirk thy pure White Lead and Linseed Oil, or any other mixed paints in this country, and if the part painted with this paint does not cost ten per cent. less than for paint used, we will make no charge for our paint. And further, any building that has been painted with this paint that is not satisfactory to the owner, and not remaining so for a proper term of years, we will repaint at our own expense with White Lead and Linseed Oil or any other paint he may select. As many of the prepared paints are adulterated with bensize and water we make this liberal offer. We will pay one thousand dollars for any benzine or water tound in any original package of WADSWORTH, MARTI-NE & LONGMAN'S FURE PREPARED PAINTS.

Wonderful Cure of a Lad 12 Years old who for 8 years, from the top of his head to his ankles, was one Mass of Scabs.

SKIN

My son, a lad tweive years of age, was af-fileted with the worst form of Eczema for a period of eight years. So virulent was it that irom the top of his head to within a jew inches of his ankles he was one mass of scabs, which refused to yield to any treatment that was suggested by friends or physicians was tried in vain. Allopathy, homeopathy, herbs, roots, salt-water baths, flarseed poultices, coaps, ofntnents, and in short everything that could be done to eradicate the disorder seemed only to aggravate it and the child's life became a burden to him, and the expense of the various experiments was a constant drain upon our resources.

and the gallows are already in the yard. I'll walk out, by ----, and tell them to cut the \_\_\_\_\_ rope. I'll go plump to hell in a minute and in a wheelbarrow, too, and the man who cuts the rope will be resources. My wife, reading the advertisement of the CUTIOURA REMEDIES in one of the daily papers, resolved to make one more attempt at a cure. (The disease was now encroaching upon his face, and seemed incurable.) I gave a reluc-tant consent to the proposal, and an interview was sought with a famous lady physician of New York, who made a most thorough exami-nation of the esse, and promised a cure within hell to meet me." The Rev. Father Ryan, a young Catho lic priest, labored long and hard with him

nation of the case, and promised a cure with-out the least hegitation by the use of your CUTHOURA REMEDIES. In one week there was a marked change; the raw and angry sores be-gan to grow pale and along the outer edges scaled off, and as time wore on they began to disappear entirely, until at the present writ-ing the only vestige is one small spot upon the forearm, scarcely visible and fast disap-maring

pearing. Thus after eight years of expense and anxiety, we have the intense satisfaction of seeing the child's skin as fair and smooth as it was before this dreadful cutancous disorder

Attacked him. Sincerely yours, CHAS. EAYRE HINKLE. 249 FAIRMOUNT AVE., JERSEY CITY HEIGHTS, N. J.

The steamship Wm. Lawrence, Captain Hooper, from Savannah, collided at 3:20 Friday morning off Point Lookout, with the schooner Sarah Lavinia, from Havre de Grace for Norfolk, with coal. Captain Wm. H. Anderson, of the schooner, with four of his crew, was rescued by the steamer, but Captain Anderson's wife and two children and Joseph Leavitt, the cook of the schooner, went down with the vessel. She sank as soon as she was struck and lies in ten fathoms of water. The matter will be investigated by the local inspectors. The Sarah Lavinia ba-longs to Greenleaf, Johnson & Co., of Baltimore.
