MEDICAL. DARKER'S TONIC.

By One of the Fools. "Why-pardon my remarking it-but, my dear old friend, how changed you are, I declare you must have lived very high or very

fast to have driven the color out of your hair and the spring out of your step this fashion." Looking at the sanset on the river from the grounds of his place up the Hudson, my schot l hum-who is now one of the best known mining experts in the country-answered: "it wasn't 'ast living done it, but dy spepsis and nervous collapse, from over-work. I ought to have stopped years before I did. I was a foot. But who isn't, if you come to that? "I am thirty five years old," writes Mr

"I am thirty five years old," writes Mr Charles II. Watts, of West Somers, Putnam Co., N. Y., and had suffered from dyspepsia for litteen years. Went the round of the current remedies, faisely so called. Listleady and without hope I gave Parker's Tonica trial. The result may be stated in these words, if cured me. I endorse now without hesitation. It is the dyspeptic's refuge "Mr. G. R. Cole, druggist, of Carmel, N. Y., certifies to the truth of Mr. Watts' statement.

Hiscox & Co., proprietors, call especial attention to the fact that this preparation, which has been know as Parker's Ginger Tonic, will hereafter be called simply Parker's Tonic, As unprincipled dealers are constantly keediving their customers by substituting interior articles under the name of ginger, and as ginger is really an unimportant ingredient, we drop the mis eading word.

There is no change, however, in the preparation itself and all bottles remaining in the hands of dealers, wrapped under the name of Parker's Ginger Tonic, contain the genuine medicine if the fac simile signature of Hiscox & Co. is at the bottom of the outside wrapper augl-limd&w
