#### Wadsworth, Martinez & Longman's Pure Prepared Paints.

And we claim that they are the best and cheapest paints in America. And we don't make this assertion and leave it unsupported. Paint one-half of any surface or one-half of any building with this paint and the other half with strictly pure White Lead and Linseed Oil, or any other mixed paints in this country, and if the part painted with this paint does not cost ten per cent. less than for paint used, we will make no charge for our paint. And further any building that has been painted with this paint that is not satisfactory to the owner, and not remaining so for a proper term of years, we will repaint at our own expense with White Lead and Linseed Oil or any other paint he may select. As many of the prepared paints are adulterated with benzine and water we make this liberal offer. We will pay one thousand dollars for any benzine or water found in any original package of WADSWORTH, MARTI-NE & LONGMAN'S PURE PREPARED PAIN'TS.
