He says : "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. 1 was so weak at one time that I could not leave my bed. In the summor of 1877 I was admitted to the City Hospital.

While there the doctors said I had a hole in my left lung as big as a half-dollar. I expend-Insures Property at Current'Rales. ed over a hundred dollars in doctors and medteines. I was so far gone at one time a report went around that I was dead. I gave up hope but a triend told me of DR. WM. HALL'S BAISAM FOR THE LUNGS.
