SAGACIOUS SLADE.

His Merry Mill With Mitchell Declared Off.

Mr. Madden, manager of Chas. Mitchell, the English pugilist, arrived at Atchison, Kan., Friday night, and, after a conference with Henry J. Rice, manager of Herbert A. Slade, the following statement of facts was agreed upon:

Being notified by the authorities and knowing it was an impossibility for the Slade-Mitchell prize fight to take place unless all connected with it took a big risk of going to the penitentiary, I proposed to Slade's manager, H. J. Rice, to draw the fight off, and he accepted on a condition that is understood to declare the fight off. Both Mitchell and Slade have received the following letter from the county attorneys of the counties in which they have both been training, and, as a result, both have given up training, as the laws are too strict to permit it without danger to their personal liberty.

WILLIAM MADDEN,
For Chas. Mitchell.
HENRY J. RICE,
For Herbert Slade.

The letter referred to above is as follows:

"GENTLEMEN: I see by the papers you are preparing to fight a prize fight. I wish to notify you that under the Kansas statutes it is a penitentiary offense either to practice or fight. Hence, any attempt on your part to do either will certainly get you into trouble. While I have no advice to give you in regard to this immoral practice, I wish to say that the law will be strictly enforced.

JOHN LITTLE,
"Prosecuting Attorney."

A letter of the same tenor and force was received by Mr. Rice from the governor of the state.

Harry Hill says of the fiasco that has taken place: "If it is impossible to have the fight within one hundred miles of Kansas City, as has been agreed upon another battle ground will have to be selected. I am the stakeholder and there will be a fight somewhere before I surrender the stakes." The fight will probably take place, he thinks in the neighborhood of New Orleans.

A Panther Killed in this State.

Renova (Clinton County) Record.

Isaiah English, employed by the American transfer oil company as superintendent of the pipe between the oil tanks on Youngwoman's creek and Kettle Creek, killed a panther, last week, while making a trip of inspection between the points above named. He heard the cries of the beast a few minutes before he saw it. When he approached within a hundred yards of the panther it came out of the thick underbrush near the place, and mounted a high stump within a convenient rifle shot distance. The instant he drew up his rifle the panther leaped to the ground, but within another second of time Mr. English discharged his rifle and dangerously wounded it. He reloaded his rifle and fired the second shot, killing the beast instantly. It measured over five feet from the tip of the nose to the end of the tail. When Mr. English fired the second shot he saw the panther's mate some distance below him, but he ran into the underbrush and disappeared from sight.

MEDICAL.

BROWN'S IRON BITTERS.

BAD, BAD, BAD BLOOD.

Some blood is bad because it is poor and weak. Some is bad because it contains impurities. Some men have such bad blood that the wonder is it does not poison the mosquitoes who come to bite them.

The rich red color of good blood is owing to the iron which is present. Blood which has not enough iron in it is always unsatisfactory. The person in whose veins it circulates cannot be said to enjoy good health.

The efforts of expert chemists to produce a preparation of iron which can be assimilated with the blood have resulted in that perfect preparation which is an important part of Brown's Iron Bitters. It is the only one which freely enters into the blood. It is the only one which accomplishes the desired good.

Weak, poor, thin blood may be made rich and strong, and impure blood may be purified by the use of that Great Iron Medicine, *Brown's Iron Bitters.*

Brown's Household Panacea.

Is the most effective Pain Destroyer in the world. Will most surely quicken the blood whether taken internally or applied externally, and thereby more certainly RELIEVE PAIN, whether chronic or acute, than any other pain alleviator, and it is warranted double the strength than any other similar preparation.

It cures pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, and ALL ACHES, and is **The Great Reliever of Pain.** "BROWN'S HOUSEHOLD PANACEA" should be in every family. A teaspoonful of the Panacea in a tumbler of hot water [sweet, ened, if preferred], taken at bedtime, will BREAK UP A COLD. 25 cents a bottle.

PLAIN TALK FROM DR. SWAYNE—*To Whom It May Concern:* Itching Piles is one of the most annoying complaints known to physicians. Every one can tell whether he is thus afflicted by observing the following symptoms: Intense itching, particularly after getting warm. It seems as if pin worms were crawling in or about the rectum. Small lumps sometimes form. The private parts are often affected. The more you scratch the worse the itching. Knowing that my ointment is superior to any article in the market, I guarantee it to cure the worst case of itching piles in existence.

[Signed], H. SWAYNE, M. D.

Dr. Swayne's Ointment is also a pleasant and effective cure for tetter, itch, salt rheum, erysipelas, barber's itch, pimples, and all scaly, crusty, itchy skin eruptions. Sold by all prominent druggists, or will be sent for 50 cts. (in 3c. stamps), 3 boxes, $1.25. Address, Dr. Swayne & Son, Philadelphia, Pa.
