GOOD LITTLE MARY.

Miss Anderson's Noble Indifference to the Prince of Wales.

Washington Sunday Herald.

A gentleman who returned home from London last week says Mary Anderson has had a more cordial reception there than has been given to an American actress for many years. He also tells a story which, if correct, cannot fail to increase the respect of the American public for Miss Anderson. It seems that upon her arrival she was invited to some of the best houses in London, and stories were told of her beauty and wit that made the Prince of Wales very anxious to meet her Miss Anderson was informed of this flattering expression of his royal highness; but most unaccountably, as it seemed to her English friends, she showed no desire for the presentation. Finally a gentleman who knew her very well was asked by the prince to say to Miss Anderson that he would be pleased if she would indicate a time when it would be agreeable to her to receive an introduction to his royal highness. She replied that while she wished to show no disrespect to the future ruler of England, she must decline to receive him. Such a reply had never before been made to a request for an introduction by a prince of the blood, and she was asked to explain. "An introduction to the Prince of Wales," she pluckily answered, "can do me no good professionally, and I know very well how he regards actresses generally. Personally, I have always maintained my own dignity and self respect, and I do not mean to put myself in any position voluntarily where I may be compelled to forgo them. Therefore, I must decline to be presented to him. I have gone this far in life without a breath of scandal attaching to me, and I do not mean now to do anything that might change that condition." This settled the matter. The story got out in London and was widely repeated, and it was noticeable after that that the Princess of Wales invited Miss Anderson to her garden party, an honor she has never before conferred on any actress of the English stage. It is a pity some of the American girls who are getting themselves very much talked about in connection with the Prince of Wales could not follow Miss Anderson's example.

For twenty-five years I have been severely afflicted with Hay Fever. While I was suffering intensely I was induced, through Mr. Tichenor's testimonial, to try Ely's Cream Balm. The effect was marvelous. It enabled me to perform my pastoral duties without the slightest inconvenience, and I have escaped a return attack. I pronounce Ely's Cream Balm a cure for Hay Fever. Wm T. Cash, Presbyterian Pastor, Elizabeth, N. J.

I can recommend Ely's Cream Balm to all Hay Fever sufferers, it being, in my opinion, founded upon experience and a sure cure. I was afflicted with Hay Fever for twenty-five years, and never before found permanent relief. WEBSTER H. HASKINS, Marshfield, Vt. s3-26-3&w

RESCUED FROM DEATH

The following statement of William J. Gough, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better My hope, once dead, began to revive, and to-day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street

MEDICAL.

BROWN'S IRON BITTERS.

BAD, BAD, BAD BLOOD.

Some blood is bad because it is poor and weak. Some is bad because it contains impurities. Some men have such bad blood that the wonder is it does not poison the mosquitoes who come to bite them.

The rich red color of good blood is owing to the iron which is present. Blood which has not enough iron in it is always unsatisfactory. The person in whose veins it circulates cannot be said to enjoy good health.

The efforts of expert chemists to produce a preparation of iron which can be assimilated with the blood have resulted in that perfect preparation which is an important part of Brown's Iron Bitters. It is the only one which freely enters into the blood. It is the only one which accomplishes the desired good.

Weak, poor, thin blood may be made rich and strong, and impure blood may be purified by the use of that Great Iron Medicine, *Brown's Iron Bitters.*

Brown's Household Panacea.

is the most effective Pain Destroyer in the world. Will most surely quicken the blood whether taken internally or applied externally, and thereby more certainly RELIEVE PAIN, whether chronic or acute, than any other pain alleviator, and it is warranted double the strength than any other similar preparation.

It cures pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, and ALL ACHES, and is **The Great Reliever of Pain**, "BROWN'S HOUSEHOLD PANACEA" should be in every family. A teaspoonful of the Panacea in a tumbler of hot water [sweetened, if preferred], taken at bedtime, will BREAK UP A COLD. 25 cents a bottle.

☞"PLAIN TALK FROM OR SWAYNE—*To Whom It May Concern:* Itching Piles is one of the most annoying complaints known to physicians. Every one can tell whether he is thus afflicted by observing the following symptoms: Intense itching, particularly after getting warm. It seems as if pin worms were crawling in or about the rectum. Small lumps sometimes form. The private parts are often affected. The more you scratch the worse the itching. Knowing that my ointment is superior to any article in the market, I guarantee it to cure the worst case of itching piles in existence.

Dr. Swayne's Ointment is also a pleasant effective cure for tetter, itch, salt rheum, barber's itch, pimples, and all crusty, scaly skin eruptions. Sold by all prominent druggists, or will be sent for 50 cents (in stamps), 3 boxes, $1.25. Address, Dr. Swayne & Son, Philadelphia, Pa.

BENSON'S SKIN CURE.

[From *Andrew's American Queen.*]

CLEOPATRA

OR THE

Queen of Sheba's Beauty

WAS BUT SKIN DEEP.

The renowned Queen of Sheba, with all her royal penny, magnificent apparel and brilliant retinue would never have appeared within the presence of the grandest of the monarchs of the past, had she not also possessed that which is the crowning glory of the female person—a skin unchallenged for its Oriental softness and its almost transcendental purity. Cleopatra, holding emperors at bay, and ruling empires by her word, had quickly lost her charm and power by one attack of blotches, or of pimples, or of horrid tan and freckles.

WOMAN RULES THE WORLD.

by her beauty, not less than by her purity of character, loveliness of disposition and unselfish devotion. Indeed, in the estimation of perhaps too many men beauty in a body takes precedence over every other consideration. Beauty thus forms an important part of woman's "working capital," without which too many, (if not bankrupts in what relates to influence within the circle where they move), are powerless for great good. Hence we see not only the propriety but the duty of every lady preserving with zealous care that which to her is so essential to success and influence, and usefulness in life. And, since "beauty is but skin deep," the utmost care and vigilance are required to guard it against the many ills that flesh is heir to. Among the great and annoying enemies of beauty,

OF EITHER SEX

as well as of comfort, happiness and health, are those pestiferous and horrid skin diseases tetters, tumors, eczema (salt rheum), rough and scaly eruptions, ulcers, pimples, and all diseases of the hair and scalp. For the cure of all these, Dr. C. W. Benson, of Baltimore, after years of patient study and investigation devoted to diseases of the skin, at last brought forth his celebrated SKIN CURE, which has already by its marvelous cures, established itself as *the* great remedy for all disease of the skin, as it never before has tetter, blotch or blemish. Its success has been immense and unparalleled. All druggists have it. It is elegantly put up, two bottles in one package. Internal and external treatment. Price, $1.00.

EVERYONE PRAISES.
