JOHN C. NEW RESIGNS.

He Has Put Up With Folger as Long as He Can Afford to.

The resignation of Hon. John C. New from the assistant secretaryship of the treasury creates no surprise at Washington. The anomalous position occupied by Mr. New has long been generally known, but not so well understood as it is by his personal friends there. Mr. New goes out disgusted with the treasury office he has held and with the head of that department. He has been treated as a mere figurehead from the start. He has the confidence and friendship of the president, who, it is claimed by New, would have gladly made him his financial cabinet officer had circumstances turned as they were expected. Folger's defeat in New York, however, left the president in a hole, and New was at the bottom of the hole, in a worse fix than the president. New has surrendered his office to the president and followed it with a written resignation. Mr. Folger will probably hear of it if he reads the papers, but he will not hear of it from Mr New. The resignation will take effect a month hence. Mr. New will leave immediately for Indiana and will not return He has made a good many friends while in office There are several prominent candidates for his place. Col. George C. Gorham would like it and Appointment Clerk Butler would like it

Conscience Money.

The amounts paid into the United States treasury as conscience money since 1861 aggregate $186,459.61. A treasury officer says that the payments are made in every conceivable way—by means of registered letters signed with fictitious names by various forms of commercial paper, and through the priests and pastors of the conscience stricken persons. They almost invariably take great pains to conceal their identity, though a few boldly write the circumstances of their becoming indebted to the government. Not long ago a letter accompanied by money was received at the department in which the sender wrote that the money was due the government as duty on goods that were passed with a lot of others by a customs officer who was bribed by an unscrupulous member of the party. The largest revenue in any year since 1861 through contributions to the conscience fund was in 1868 when the amount was $29,155.11. In 1873 the amount was $23 302.77; in 1878, $12 011,33; in 1882, only $7,888.49; and it is estimated that this year it will be still less. This decrease may indicate that there is less opportunity or inclination to steal from the government or that men are becoming less sensitive to the prickings of conscience.

Organizations in Session.

The "Supreme Council of the Order of Chosen Friends" has been in session at Chicago for the last two days. Representatives were in attendance from 27 states The secretary reported a membership of 28,000, and that $500,000 has been expended on beneficiaries during the last four years The following officers were elected yesterday: Howard H. Morse of New York, supreme councilor; C. D. W. Rowell, of California, assistant councilor; C. Bradford, of Indiana, vice councilor; T. B. Lewis, of Indiana, recorder; Watson J. Newton, of Washington, treasurer; J. P. Van Nett, of Ohio, marshall; M. M. Bamberger, of Texas, warden; W. B. Wilson, of New Jersey, guard; S. Nickerson, of Indiana, sentry; E. E. Edward, of Michigan, W. R. Ferguson, of Virginia, O. A. Crash, of Missouri, B. F. Roger, of Indiana, and John C. Payne, of Indiana, trustees.

The seventh annual exposition in Pittsburg was opened yesterday afternoon in presence of about 15 000 persons. It will close on Oct. 13.

The New England fair at Manchester, N. H, was attended yesterday by 15,000 persons.

The state fair at Columbus, Ohio, attracted nearly 56 000 spectators yesterday—the largest crowd ever on the grounds.

T. CANN, Presbyterian Pastor, Elizabeth, N. J.

I can recommend Ely's Cream Balm to all Hay Fever sufferers, it being, in my opinion, founded upon experience and a sure cure. I was afflicted with Hay Fever for twenty-five years, and never before found permanent relief. WEBSTER H. HASKINS, Marshfield, Vt. s3-2wd&w

MEDICAL.

BROWN'S IRON BITTERS.

BAD, BAD, BAD BLOOD.

Some blood is bad because it is poor and weak. Some is bad because it contains impurities. Some men have such bad blood that the wonder is it does not poison the mosquitoes who come to bite them.

The rich red color of good blood is owing to the iron which is present. Blood which has not enough iron in it is always unsatisfactory. The person in whose veins it circulates cannot be said to enjoy good health.

The efforts of expert chemists to produce a preparation of iron which can be assimilated with the blood have resulted in that perfect preparation which is an important part of Brown's Iron Bitters. It is the only one which freely enters into the blood. It is the only one which accomplishes the desired good.

Weak, poor, thin blood may be made rich and strong, and impure blood may be purified by the use of that Great Iron Medicine, *Brown's Iron Bitters*.

RESCUED FROM DEATH

The following statement of William J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen and Christian minister of the M. E. church, just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumption Cure." It is having a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. DRS. MATCHETT & FRANCE, Bucyrus, Ind., May 18, '75

HAVING DISSOLVED PARTNERSHIP and permanently closed the Chestnut Street Iron Works, I desire to inform my old patrons and the public generally, that I am still in the business, being located in the Penn Iron Company's Works, North Plum street, where I am making Iron and Brass Castings of every description, and will be pleased to serve all who may favor me with their patronage. From 40 years experience in the business and using the best material and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. Castings made from a mixture of iron and steel which are more reliable for strength and durability than the best cast iron known. Wheels, teeth, roll pinions, rolls and rolling mill work a specialty. Castings made of very soft iron, and brass castings of every description. I have all the patterns of the well and favorably known Mowrer Corn and Cob Crusher, refitted and improved. Also on hand, mills completely fitted up or in parts, to replace old ones which have been in use for years, guaranteeing them to give satisfaction.
