FALLING WITH A STAGE BRIDGE.

A Curious Accident in a New York Theatre —Several People Injured.

A serious accident occurred at noon Monday on the stage of Colville's Fourteenth street theatre, New York, by which some members of the company were injured. While "Othello" was rehearsing the bridge at the rear of the stage suddenly gave way. The bridge was used as a passageway to the stage proper and several steps led from it to the stage. Shortly before noon preparations were being made to rehearse the play, in which Mr. George Edgar takes the principal part. The actors, actresses and supernumeraries were coming on the stage by way of the bridge. Miss Fisher and Miss Price had two others, who were leading the way, had just got on to the steps when an ominous noise was heard and with a loud crash the bridge gave way, precipitating the ten people who were on it to the cellar beneath. There were twice as many more back of the bridge who had not yet sepped on it and who thus fortunately escaped. Among these was Mr. Edgar, who was to have crossed last of all. Some of those who fell were wedged in between the broken pieces of timber and the beams, of which the bridge was built. All of the injured were taken out as speedily as possible and laid on improvised couches until the ambulance surgeons, who had been summoned from St. Vincent's and New York hospitals had arrived. Mr. Price had his ankle dislocated and received several bruises. The other injured parties are Mrs. Katie De Forest, aged 30, of 115 East Fifteenth street, several ribs fractured; Kate Burns, aged 25, of 67 West Twelfth street, severe shock and injury to the back; August Nelson, residence unknown, 28 years old, left leg broken; J. W. Bradley, aged 22, of 114 Eighth avenue, foot dislocated; Thomas Manahan, aged 34, of 134 West Fifteenth street, contusions of thigh and Thomas Ryan, aged 41, of No. 8 Bowery, slight injury to his eyes.

Mrs. Katie De Forest was among those who fell. As soon as she was drawn out from under the beam which had fallen on her she was placed in a chair a carried to her home, directly opposite the stage entrance of the theatre, in West Fifteenth street. In the room into which she was brought were her blind husband and her little boy to receive her. The grief of the poor husband was piteous to behold and the cries and the moans of the injured woman rent the hearts of those present. She was laid on the bed and Dr. Larkin, the ambulance surgeon of St. Vincent's hospital, who had been called in, attended to her. While he was bandaging her wounds she continually called for her little boy. She sustained several fractured ribs and it is feared that she is internally injured.

The bridge was built by Fechter at the time he reconstructed the theatre and has since been frequently used for the "Black Crook" and other spectacular pieces requiring it to sustain a large number of people. During the present rehearsals twice the weight has been sustained by the bridge without a sign of weakness and the accident is entirely inexplicable to the stage carpenter, who pronounced the bridge sound.

☞PLAIN TALK FROM DR. SWAYNE—*To Whom It May Concern:* Itching Piles is one of the most annoying complaints known to physicians. Every one can tell whether he is thus afflicted by observing the following symptoms: Intense itching, particularly after getting warm. It seems as if pin worms were crawling in or about the rectum. Small lumps sometimes form. The private parts are often affected. The more you scratch the worse the itching. Knowing that my ointment is superior to any article in the market, I guarantee it to cure the worst case of itching piles in existence.

T. CARR, Presbyterian Pastor, Elizabeth, N. J.

I can recommend Ely's Cream Balm to all Hay Fever sufferers, it being, in my opinion, founded upon experience and a sure cure. I was afflicted with Hay Fever for twenty-five years, and never before found permanent relief. WEBSTER H. HASKINS, Marshfield, Vt.

How to Secure Health.

It seems strange that any one will suffer from the many derangements brought on by an impure condition of the blood, when SCOVILL'S SARSAPARILLA AND STILLINGIA, or BLOOD AND LIVER SYRUP will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best BLOOD PURIFIER ever discovered, effectually curing Scrofula, Syphilitic disorders, Weakness of the Kidneys, Erysipelas, Malaria; all nervous disorders and debility, bilious complaints and all diseases indicating an impure condition of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it ACTS LIKE A CHARM, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

HAGER'S PAIN PANACEA cures a pain in man and beast. For use externally and internally.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen and christian minister of the M. E. church, just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumption Cure." SAMARITAN NERVINE.

"YOU CLAIM TOO MUCH for SAMARITAN NERVINE," says a skeptic. "How can one medicine be a specific for EPILEPSY, DYSPEPSIA, ALCOHOLISM, OPIUM EATING, RHEUMATISM, SPERMATORRHŒA, or SEMINAL WEAKNESS and fifty other complaints?" We claim it a *specific*, simply because the virus of all diseases arises from the blood. Its Nervine, Resolvent, Alterative, and Laxative properties meet all the conditions herein referred to. It's known *world wide* as

THE GREAT

Nerve Conqueror.

It quiets and composes the patient—not by the introduction of opiates and drastic cathartics, but by the restoration of activity to the stomach and nervous system, whereby the brain is relieved of morbid fancies, which are created by the causes above referred to.

To clergymen, Lawyers, Literary Men, Merchants, Bankers, Ladies, and all those whose sedentary employment causes nervous prostration, irregularities of the blood, stomach, bowels or kidneys, or who require a nerve tonic, appetizer or stimulant, SAMARITAN NERVINE is invaluable. Thousands proclaim it the most wonderful invigorant that ever sustained the sinking system. $1.00. Sold by all Druggists. The DR. S. A. RICHMOND MED. CO., Proprietors, St. Joseph, Mo.

MACHINERY.

HAVING DISSOLVED PARTNERSHIP and permanently closed the Chestnut Street Iron Works, I desire to inform my old patrons and the public generally, that I am still in the business, being located in the Penn Iron Company's Works, North Plum street, where I am making Iron and Brass Castings of every description, and will be pleased to serve all who may favor me with their patronage. From 40 years experience in the business and using the best material and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. Castings made from a mixture of iron and steel which are more reliable for strength and durability than the best cast iron known. Wheels with roll pinions, rolls and rolling mill work a specialty. Castings made of very soft iron, and brass castings of every description. I have all the patterns of the well and favorably known Mowrer Corn and Cob Crusher, refitted and improved. Also on hand, mills completely fitted up or in parts, to replace old ones which have been in use for years, guaranteeing them to give satisfaction.
