## FATAL ACCIDENT.

**Another Railroad Horror Probably Caused by Negligence.**

Among those wounded by the accident on the Ohio & Mississippi railroad, near Seymour, Ind., Sunday, were Mrs. Taylor, the mother of the child who was almost killed. She was badly injured about the head and breast. Mr. Perdue, of Green Ridge, Mo., had his leg broken; Mrs Perdue, arm broken; Albert Ridge, head and shoulders hurt; the porter of the sleeper, name unknown, had several ribs broken. It is reported that train No. 5 left Seymour immediately behind train No. 3, and that it was running at the rate of thirty miles an hour when it struck No. 3. The five persons left at Mitchell, Willie Dickens, Albert Dickens, J. V. Taylor, wife and child, were all bound for Desoto, Kansas, and are doing well this morning and are now in good spirits. Engineer Philips, reported killed, is still alive, but his injuries are severe. He was crushed between the engine and a wrecked car on a side track. Both trains had been ordered to go slow past the wreck of the freight train, and Phipps was ordered to come to a full stop, as he had a car of unusual width in his train and there was a doubt of its clearing the wreck. He seems to have reached the point before he was aware of it, though it was well marked by a bonfire.

### In the Courts.

In Chicago yesterday a decision was rendered in the case of Frederick Ker, who absconded to Peru with $50,000 worth of securities belonging to Preston, Kean & Co. He applied for his release on the ground that he "was kidnapped from Peru, and therefore not legally under arrest." Judge McAllister decided that "as proper writs of arrest were issued by a court having jurisdiction of the crime, those writs were operative, no matter how the prisoner was brought within the territory of the court's jurisdiction." The case goes to the supreme court.

The case of the Pennsylvania railroad company against the Philadelphia & Reading railroad company touching the control of the New York & Long Branch railroad will come before the United States circuit court at Trenton, N. J. An argument is also expected on Wm. B. Dinsmore's rule to show cause why the lease of the New Jersey Central railroad to the Philadelphia & Reading railroad should not be annulled.

A demand was made yesterday upon Wm Sprague, under order of the supreme court of Rhode Island, for the possession of the Quidnick company's property, but Sprague refused to surrender it. He said he "did not recognize the authority upon which the application was made."

### Famous for Sleeping Four Months.

John Gyumber, the Hungarian who several years ago achieved almost a national reputation as a long-time sleeper, was married Monday morning, in the Catholic church of the Sacred Heart of Jesus, on North Fourth street, Allentown. The ceremony was performed by Rev. Father Mains, in the presence of the Hungarian colony which has settled there. The bride is a woman about twenty five years of age, and for several months she was cook in the Hungarian boarding house. The wedding created quite a stir among the friends of the couple, and after the words were spoken which made them husband and wife, the entire party repaired to the Hungarian quarter, where amid feasting and drinking the event was celebrated. Six barrels of beer were provided for the occasion, and the merrymaking is to continue all week. After the celebration is over, John Gyumber will set up as boarding house keeper, with his bride as chief cook.

### Brown's Household Panacea.

Is the most effective Pain Destroyer in the world. Will most surely quicken the blood whether taken internally or applied externally, and thereby more certainly RELIEVE PAIN, whether chronic or acute, than any other pain alleviator, and it is warranted double the strength than any other similar preparation.

It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, and ALL ACHES, and is The Great Reliever of Pain. "BROWN'S HOUSEHOLD PANACEA" should be in every family. A teaspoonful of the Panacea in a tumbler of hot water [sweetened, if preferred], taken at bedtime, will BREAK UP A COLD. 25 cents a bottle.

☞ PLAIN TALK FROM DR. SWAYNE—*To Whom It May Concern:* Itching Piles is one of the most annoying complaints known to physicians. Every one can tell whether he is thus afflicted by observing the following symptoms: Intense itching, particularly after getting warm. It seems as if pin worms were crawling in or about the rectum. Small pimple sometimes form. The private parts are often affected. The more you scratch the worse the itching. Knowing that my ointment is superior to any article in the market, I guarantee it to cure the worst case of itching piles in existence.

[Signed], H. SWAYNE, M. D.

Dr. Swayne's Ointment is also a pleasant and effective cure for tetter, itch, salt rheum, erysipelas, barber's itch, pimples, and all scaly, crusty, ichy skin eruptions. Sold by all prominent druggists, or will be sent for 50 cts. (in 3c. stamps), 3 boxes $1.25. Address, Dr. Swayne & Son, Philadelphia, Pa.

### I Wish Everybody to Know.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen and christian minister of the M. E. church, just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumption Cure." It is having a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. DRS. MATCHETT & FRANCE.

*MEDICAL.*

BROWN'S IRON BITTERS.

THREE PARTICULAR POINTS.

*Point the First.*—Brown's Iron Bitters is not an intoxicating compound. It is a tonic medicine, not a drink. It is a skillfully compounded preparation made to restore strength and health; not a beverage to be sold in bar-rooms and taverns.

*Point the Second.*—Brown's Iron Bitters is free from everything injurious. The most delicate ladies and the most enfeebled infants may use it with perfect safety and with great advantage. While it is powerful in its remedial agency, it is gentle in its operation, restoring wasted strength and imparting robust health in the most efficient manner.

*Point the Third.*—Brown's Iron Bitters is made by the Brown Chemical Company of Baltimore, a long established house, whose reputation is well known to the business world and the general community. There is no risk in buying such a medicine.

CHOLERA!

CHOLERA!

PROF. DARBYS

Prophylactic Fluid.

The Most Powerful Antiseptic Known.

WILL PREVENT the CHOLERA.

It Destroys the Germs of Disease.

It is a fact established by science that many diseases are introduced by putrifaction, which reproduces itself and propagates the disease in ever whitening circles.

These diseases generate contagion and fill the air with death. *Such is that dread Terror,*

Asiatic Cholera,

which is now devastating the East and advancing on its unbroken path rapidly towards our shore. Other diseases of the same sort are *Diphtheria, Typhoid Fever, Scarlet Fever, Smallpox, Measles, Yellow Fever, Erysipelas,* etc. All these generate contagion. Other diseases *—Fever and Ague, Malarial Fever,* etc., arise from emanation which comes from dampness, filth, unhealthy situation or uncleanliness.

*All These Diseases* can be cured only by stopping the production of the *Disease Germs.* Those already produced leaving the skin clear, white and transparent as that of a little child.

Both these results are accomplished by the use of Prof. Darby's preparation of Boracic Acid and Chlorine known as

DARBY'S PROPHYLACTIC FLUID,

which destroys all the *Disease Germs* and disinfects and destroys those already produced.

*When used as a Lotion* it destroys all Freckles and Blotches, producing a perfect complexion.

*When used as a Wash* it purifies the mouth, giving it tone and healthy vigor. It is unchanged by climate, and is the most powerful Antiseptic agent which chemistry has produced.

Its use either *internally or externally* renders all it comes in contact with, *pure, sweet and clean,* the prosecution of disease-germs ceases and the patient recovers.

*When used on Ulcers, Scalds, Burns, Lacerations and Sores it stops all pain, sweetens the parts and promotes the rapid formation of healthy flesh.*

It Purifies the Atmosphere.

*Its exposure in a Sick Room, Cellar, Closet or stable* purifies the Atmosphere and drives away the germs of disease and death.

*Taken internally, it purifies the stomach,* giving it tone and healthy vigor. It is unchanged by climate, and is the most powerful Antiseptic agent which chemistry has produced.
