URGING POLYGAMY.

Mormons Advancing the Doctrines of Their Faith—Statistics of the Church.

The attendance at the Mormon conference Saturday at Salt Lake City, Utah, was much larger than on Friday, fully 6,000 persons being in the tabernacle. The audience was addressed by Apostles Richards, Carrington, Lyman and Cannon, all of which impressed on their hearers the necessity of living up to their religon going into polygamy and paying tithes.

Apostle Cannon presented the statistics of the church, which showed a membership in Utah of 127,294; number of families, 23,000; births in the past six months, 1,200 males and 1,100 females; number of children under eight years, 37,000; number of marriages in the past six months, 339; new members, 23,040, and deaths, 781. The church organization embraces 12 apostles, 58 patriarchs, 3,885 seventies, 3,153 high priests, 11,000 elders, 1,500 bishops and 4,400 deacons. Arizona reports a membership of 2,264. Idaho is not reported, but has double that of Arizona. Eighty one missionaries have been appointed to go on missions to Europe and the United States. Eighteen of this number were set apart for missions in the Southern states, where the church is meeting with considerable success in increasing its membership. The Southern converts are being colonized mainly in Colorado.

"How can I become a poet" wrote a conceited youth to the singer Longfellow? "Eat fish my dear sir." But we doubt the advice: no man however has ever doubted the fact that Dr. Ball's Cough Syrup is the greatest cough remedy now in the market.

Dr. J. Marion Sims, N. Y., endorses Darbys Prophylactic Fluid. See advertisement.

First Rate Evidence.

"Often unable to attend business, being subject to serious disorder of the kidneys. After a long siege of sickness tried *Burdock Blood Bitters* and was relieved by half a bottle." Mr. B. Turner, of Rochester, N. Y., takes the palms to write. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

MEDICAL.

BROWN'S IRON BITTERS.

Shall We Let the Child Die?

A hard hearted political economist, looking at a pale and puny child feebly gasping as it lies upon a pillow, says that the child might as well die? It is so weak and poor that its life will never be worth much anyhow. There are already a good many people in the world who are not of much account anyhow. And what's the use of adding to their number another weakling, who has but slender chance of ever amounting to anything?

Now ask the child's mother what she thinks about letting the child die. About this time the hard political economist had better get out of the way. "*Let my child die? No! No! As long as there is a remedy to be found that will save that child, the child shall not die. I'll spend my last dollar to save the child!*" Well, try a bottle of BROWN'S IRON BITTERS on that child. See the poor little fellow pick up strength. He revives. He will live. Hosts of other children have been brought almost from death to healthy life by Brown's Iron Bitters. Your druggist sells it.

MEDICAL.

TAKE

Simmons Liver Regulator

For Dyspepsia, Costiveness, Sick Headache, Chronic Diarrhœa, Jaundice, Impurity of the Blood, Fever and Ague, Malaria and all Diseases caused by Derangement of the Liver, Bowels and Kidneys.

SYMPTOMS OF A DISEASED LIVER.

Bad breath; Pain in the Side, sometimes the pain is felt under the Shoulder-blade, mistaken for rheumatism; general loss of appetite; Bowels generally costive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of leaving undone something which ought to have been done; a slight, dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous, easily startled; cold feet or burning, sometimes a prickly sensation of the skin exists; spirits are low and despondent, and although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet examination after death has shown the Liver to have been extensively deranged.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons traveling, or living in unhealthy localities, by taking a dose occasionally to keep the Liver in healthy action, will avoid all Malaria, Bilious attacks, Nausea, Nausea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is no intoxicating beverage.

If you have eaten anything hard of digestion, or feel heavy after meals, or sleepless at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For, whatever the ailment may be a thoroughly safe purgative, alterative and tonic can never be out of place. The remedy is harmless and does not interfere with business or pleasure.

IT IS PURELY VEGETABLE.

And has all the power and efficacy of Calomel or Quinine, without any of the injurious after effects.

A GOVERNOR'S TESTIMONY.

Simmons Liver Regulator has been in use in my family for some time and I am satisfied it is a valuable addition to the medical science.

J. GILL SHORTER,
Governor of Alabama.

Hon. Alexander H. Stephens, of Ga., says: Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

"The only Thing that never fails to Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I went from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

P. M. JANNEY,
Minneapolis, Minn.

Dr. T. W. Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.

BENSON'S SKIN CURE.

[From Anderson's Queen.]

CLEOPATRA

OR THE

Queen of Sheeba's Beauty

WAS BUT SKIN DEEP.

The renowned Queen of Sheba, with all her royal pomp, magnificent apparel and brilliant retinue would never have appeared within the presence of the grandest of the monarchs of the past, had she not also possessed that which is the crowning glory of the female person—a skin unchallenged for its Oriental softness and its almost transcendental purity—cleopatra, holding emperors at bay, and ruling empires by her word, had quickly lost her charm and power by one attack of blotches, or of pimples, or of horrid tan and freckles.

WOMAN RULES THE WORLD.

by her beauty, not less than by her purity of character, loveliness of disposition and unselfish devotion. Indeed, in the estimation of perhaps too many men beauty in a body takes precedence over every other consideration. Beauty thus forms an important part of woman's "working capital," without which too many, (if not bankrupts in what relates to influence within the circle where they move), are powerless for great good. Hence we see not only the propriety but the duty of every lady preserving with zealous care that which to her is essential to success, and influence, and usefulness in life. And, since "beauty is but skin deep," the utmost care and vigilance are required to guard it against the many ills that flesh is heir to. Among the great and annoying enemies of beauty,

OF EITHER SEX

as well as of comfort, happiness and health, are those pestiferous and horrid skin diseases—tetters, humors, eczema (salt rheum), rough and scaly eruptions, ulcers, pimples, and all diseases of the hair and scalp. For the cure of all these, Dr. C. W. Benson, of Baltimore, after years of patient study and investigation devoted to diseases of the skin, at last brought forth his celebrated SKIN CURE, which has already by its marvelous cures, established itself as *the* great remedy for all disease of the skin, whatever be their names or character. Its success has been immense and unparalleled. All druggists have it. It is elegantly put up, two bottles in one package. Internal and external treatment. Price, $1.00.

EVERYONE PRAISES.

Sick headache, nervous headache, neuralgia, nervousness, paralysis, dyspepsia, sleeplessness and brain diseases, positively cured by Dr. C. W. Benson's Celery and Chamomile Pills. They contain no opium, quinine or other harmful drug. Sold by all druggists. Price, 50 cents per bottle, $1 for two, $2.50 for six, postage free.—Dr. C. W. Benson, Baltimore, Md.
