ALFONSO'S ADVISERS.

Senor Posada-Herrera Entrusted With the Work of Forming a Cabinet.

In a recent interview at Madrid with King Alfonso, Senor Segasta declined to form a new cabinet and advised that the task be entrusted to Senor Posada Herrera, who, he said, would perhaps be able to effect a union of the different groups of the Liberal party. Senor Sagasta promised to support a cabinet formed on that basis. The king then summoned Senor Posada Herrera, who undertook the task. The latter then visited Marshal Serrano and offered him three ministerial departments for his followers. Marshal Serrano decided to consult the members of his party regarding the matter and a meeting of the latter was held Wednesday evening. It is not known what decision was arrived at, but it is generally thought that Senor Camacho, the late minister of finance, will resume that post, and that the remaining seats will be divided among the Dynastic Left and the supporters of Senor Segasta.

A Paris dispatch says it is generally expected in diplomatic and official circles there that owing to the resignation of the Spanish cabinet the Duc de Fernan Nunez the Spanish ambassador to France, will resign.

The Paris *Temps* says that owing to the resignation of the Spanish ministry France now considers the difficulty with Spain, arising from King Alfonso's reception in Paris, at an end.

The budget committee have read the estimates of the new minister of war, which amount to 593,000,000 francs. It is understood that General Campenon will generally pursue General Thibaudin's policy.

Dr. J. Marion Sims, N. Y., endorses Darbys Prophylactic Fluid. See advertisement.

MEDICAL.

BROWN'S IRON BITTERS.

Shall We Let the Child Die?

A hard hearted political economist, looking at a pale and puny child feebly gasping as it lies upon a pillow, says that the child might as well die. It is so weak and poor that its life will never be worth much anyhow. There are already a good many people in the world who are not of much account anyhow. And what's the use of adding to their number another weakling, who has but slender chance of ever amounting to anything?

Now ask the child's mother what she thinks about letting the child die. About this time the hard political economist had better get out of the way. "*Let my child die? No! No! As long as there is a remedy to be found that will save that child, the child shall not die. I'll spend my last dollar to save the child.*" Well, try a bottle of Brown's Iron Bitters on that child. See the poor little fellow pick up strength. He revives. He will live. Hosts of other children have been brought almost from death to healthy life by Brown's Iron Bitters. Your druggist sells it.

MEDICAL.

TAKE

Simmons Liver Regulator

For Dyspepsia, Costiveness, Sick Headache, Chronic Diarrhœa, Jaundice, Impurity of the Blood, Fever and Ague, Malaria and all Diseases caused by Derangement of the Liver, Bowels and Kidneys.

SYMPTOMS OF A DISEASED LIVER.

Bad breath; Pain in the Side, sometimes the pain is felt under the Shoulder-blade, mistaken for Rheumatism; general loss of appetite; Bowels generally costive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of leaving undone something which ought to have been done; a slight dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous, easily startled; cold feet or burning, sometimes a prickly sensation of the skin exists; spirits are low and despondent, and although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet, examination after death has shown the Liver to have been extensively deranged.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons traveling, or living in unhealthy localities, by taking a dose occasionally to keep the Liver in healthy action, will avoid all Malaria, Bilious attacks, Dizziness, Nausea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is non-intoxicating beverage.

If you have eaten anything hard of digestion, or feel heavy after meals, or sleepless at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For, whatever the ailment may be a thoroughly safe purgative, alterative and tonic can never be out of place. The remedy is harmless and does not interfere with business or pleasure.

IT IS PURELY VEGETABLE.

And has all the power and efficacy of Calomel or Quinine, without any of the injurious after effects.

A GOVERNOR'S TESTIMONY.

Simmons Liver Regulator has been in use in my family for some time and I am satisfied it is a valuable addition to the medical science.

J. GILL SHORTER,
Governor of Alabama.

Hon. Alexander H. Stephens, of Ga., says: Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

"The only Thing that never fails to Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

P. M. JANNEY,
Minneapolis, Minn.

Dr. T. W. Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.

RHEUMATIC SYRUP.

A Limb Saved

And a Family Made Happy.

Mr. Philip Moore, of West Webster, Monroe County, N. Y., says: "My daughter, now eighteen years old, has, for the past eighteen months, been afflicted with rheumatism in a very severe form. One year ago it settled in the knee, since which time she has been unable to touch her foot to the floor or move her limb without suffering the most excruciating pain. Her limb was fast growing out of shape, although we were doing for her all we could, having used all the remedies we could hear of and that were recommended for rheumatism, none of which benefitted her in the least. Hereese was pronounced incurable by the physician and by our neighbors, and all believed that she would be a cripple all her days, and that her limb would never be restored to its original shape. But I am happy to say that to-day my daughter is entirely free from all rheumatic pains, and that she can walk with perfect ease, having thrown aside her crutches, and her limb seems as strong and perfect as ever; all from the use of your wonderful medicine "Rheumatic Syrup," which we consider one of the best medicines ever introduced for purifying the blood, and I only regret that all others who are afflicted with rheumatism can not know of its superior merits. You are at liberty to use my name if it will do you any good, and I shall be only too glad to tell any and everyone what it has done for my daughter."

PHILIP MOORE.

HATS AND CAPS.

HAT STORE.

SHULTZ'S SONS.

All things are ripe throughout the land,
And fragrance fills the air,
While high the golden sheaves now stand
'Mid pumpkins at the fair.

The precious, priceless, purple store
Of grapes run in the vat,
And now resounds from shore to shore,
The cry of "shoot the hat!"
