MONDAY EVENING, NOV. 5, 1883.

A Locomotive in Mid-Air.

A large force of men, under the direction of Superintendent Goodwin, were at work all Sunday and is still employed trying to remove an engine which lies in a bad position on the Lehigh Valley bridge, over the Delaware, near Easton. Work was begun Sunday morning relaying the track on a portion of the bridge, and while it was in progress a heavy freight train, with an engine in front and behind, ran on the bridge. Before the rear engine could be stopped it had pushed the front part of the train into the torn up bridge and the engine was overturned and thrown into a position from which it will be difficulty to extricate it. The front of the engine is against the side of the pier and the rear is wedged into the end of the iron span. There is nothing under the center of the engine and, as the bridge is very high, it is impossible to work at it from below. No derrick that can be brought to the spot can lift the ponderous engine, and it can only be removed by tedious hauling with block and tackle. The bridge span is damaged and the loss is considerable. The bridge is double track, so that travel is not impeded. The engineer of the damaged engine stuck to his post until the forward trucks left the rails.

A Great Fire Raging in London.

A great fire is raging in East London. It began yesterday and has been raging with considerable fury ever since, defying the united exertions of almost the whole city force of firemen. Over twenty-five engines are on the spot and nearly five hundred firemen are engaged in subduing the flames. The premises on fire are used as a timber yard and large stores of lumber are being consumed, threatening the densely populated district. For a time the fire was subdued, but it broke out afresh again with renewed vigor and is burning fiercely, causing consternation in the whole neighborhood.

It must have been a terrible state of affairs, that caused the Psalmist to ask "Who can stand before his cold?" In his day the remedies were few and doubtless how much happier should this generation be that has as a household remedy, Dr. Bull's Cough Syrup; so wonderful has been its cures that millions rise up and call it "blessed."

In Small Pox, Scarlet Fever and Diphtheria Darbys Prophylactic Fluid will stop the spread of the infection.

MEDICAL.

BROWN'S IRON BITTERS.

THE HARD-WORKING MAN.

He was a hard-working man, and for a good many years he had been working twice as hard as any man ought to work.

He said he had a splendid constitution, and that he could stand it.

He forgot that as years passed on the waste of the system is much greater than in youth, while the repair of it is less.

He became weak, debilitated, nervous, and despondent. He regarded the last as with dread, and said he had worked himself into an untimely grave.

But he was not taken to the cemetery at all. Instead of that, a good friend brought him some Brown's Iron Bitters.

He began to pick up strength. That was what he wanted. Brown's Iron Bitters enriched his failing blood and put new life into him. It toned up his digestive organs so that his food began to nourish and do him good. Most heartily does he recommend Brown's Iron Bitters.

MEDICAL.

BENSON'S SKIN CURE.

[From the Home Journal.]

A Remarkable Discovery.

A REAL SKIN CURE.

THERE IS ONLY ONE

AND THAT WITH SIMPLE NAME.

Beware of imposters, pirates, or any obtuse articles which now suddenly claim to be best. They have been tried and found wanting, while this has been proved a remarkable success.

NO TORTUOUS NAME.

This curative needs no pompous or incomprehensible title of Greek or Latin to sustain it, but its simple English name appeals directly to the people. And the people are constantly manifesting their appreciation of this frankness by selecting and using Dr. Benson's SKIN CURE in preference to all other professed remedies.

Dr. C. W. Benson has long been well known as a successful physician and surgeon after his life study has been the diseases of the nervous system and of the skin, since he has been persuaded to put his New Remedy and Favorite Prescription as a "SKIN CURE" on the market, various things have sprung up into existence or have woke up from the sleepy state in which they were before, and now claim to be *The Great Skin Cure*.

☞ Beware of imitations, of the various articles which have been advertised for years or struggled along, having no real hold or merit on the public, that now even try to keep head above water by advertising themselves as "The Great Skin Cure." None is genuine and reliable except Dr. C. W. Benson's Skin Cure. Each package and bottle bears its likeness. Internal and external remedy, two bottles in one package. Price $1.00, get at your druggists.

Relief for all Overworked Brains.

CAUSE AND CURE.

Dr. C. W. Benson's Celery and Chamomile Pills are valuable for school children who suffer from nervous headaches caused by an overworked brain in their studies, and for all classes of children worn down with overtasked nervous centres need repair and sedation. Nervous tremor, weakness and paralysis are being daily cured by these pills. They correct costive ness but are not purgative. Price 50 cents or six bottles for $2.50 postage free, to any address. For sale by all druggists. Depot, Baltimore, Md., where the doctor can be addressed. Letters of inquiry freely answered.

NEVER FAILS

SAMARITAN NERVINE.

"YOU CLAIM TOO MUCH for Samaritan Nervine," says a skeptic. "How can one medicine be a specific for EPILEPSY, DYSPEPSIA, ST. VITUS' DANCE, OPIUM EATING, RHEUMATISM, SPERMATORRHŒA, or SEMINAL WEAKNESS" and fifty other complaints?" We claim it is a specific, simply because the virus of all diseases arises from the blood. Its Nervine, Resolvent, Alterative and Laxative properties meet all the conditions herein related to. It's known *world wide* as

THE GREAT

Nerve Conqueror.

Rush's and two opposite the patent used by the Baltimore Infirmary of Anatomy and this establishment, but by the restoration of activity to the stomach and nervous system, whereby the brain is relieved of morbid fancies, which are elevated by the causes above referred to.

To clergymen, Lawyers, Literary Men, Merchants, Bankers, Ladies, and all those whose sedentary employment causes dissatisfaction, irregularities of the stool, stomach, bowels or kidneys, or who require a nerve tonic, appetizer or stimulant, SAMARITAN NERVINE is invaluable. J. E. ROTE.

There has been such a demand for LARGE PHOTOGRAPHS that I was compelled to get a VERY LARGE CAMERA BOX to meet the demand. We can now make you a PHOTO as small as the smallest locket will hold up to a 5-inch face, to fit an 18x22 Frame.
