OUR REGULAR CORRESPONDENCE

Events Along the Susquehanna—Items of Interest In and Around the Borough Picked up by the Intelligencer Reporter.

Market this morning was but poorly attended.

John West and Isaac Snyder bagged fourteen rabbits in a few hours' hunt yesterday.

The following meetings will be held to night: Putnam circle No. 113, B. U. (H. F.) C. A., and Chiquesalunga tribe No. 39, I. O. R. M.

Present appearances indicate that "Brought to Light" will not be played here next Saturday evening, no bill having yet arrived.

A new social club was organized last night starting with fourteen members. No name has yet been chosen for the club.

The election is passing off quietly here. No disturbances of any kind have been reported up to the time of writing.

To-night Leavitt's minstrel company will give an entertainment in the opera house. The troupe is a large one and comes well recommended.

Samuel Yenser, foreman in Fendrick's cigar factory, had the forefinger and index finger of his right hand crushed by a tobacco scrap machine yesterday. The forefinger had to be amputated at the first joint.

The pastor of the Bethel Church of God, Rev. S. D. C. Jackson, accompanied by Messrs. William Hiteshue and George Siple, will leave to morrow for Altoona to attend a session of the eldership of the Church of God.

The drill which caught in a crevice of rock in one of the artesian wells now being sunk in Lockard's Hollow was extracted yesterday. The work of boring will now be pushed steadily forward.

At a sale of 23 head of cows held at Mountville by Christian Erb the prices ranged from $40 to $100. Eleven head of the finest animals averaged $72.40. The cattle were the property of Henry Binkley.

At the Pennsylvania railroad dispatcher's office in the west yards that office has been divided into two parts by a wire screen. The part partitioned off is for the assistant train master and chief dispatcher R. E. Williams.

A large number of persons were present at the meeting of the Cookman Chapel literary society last night, which was held at the residence of Mr. John Foulk, on Seventh street. The programme was unusually interesting. The reading of the society paper caused much amusement, except to the persons who were the subject of the jokes contained in it.

At the drill of company C last evening, Corporal William Ahern was appointed fifth sergeant and quarter master sergeant. The appointment is considered a deserved one. The vacancy among the corporals will be filled next Monday night. At a business meeting which was held after drill, William Fedrick was elected a member of the company. Another adjourned business meeting will be held next Monday night after drill.

BURGLARY.

A Shop and Dwelling House at Elizabethtown Robbed.

This morning between one and three o'clock burglars broke into the machine shop of Buch & Heisey, at Elizabethtown, this county. They tried to break open the safe, but did not succeed, though they upset and battered it badly. They ransacked the drawers of the desk and stole a lot of postage stamps and a small amount of money. They broke open several tool chests and stole some valuable tools belonging to the workmen.

On leaving the shop they visited Mr. Heisey's house, near by, affecting an entrance by forcing the shutters with some of the tools they stole from the shop. Here they stole all the silver knives, forks, spoons, &c., and several hats, coats, shawls and other articles of clothing. They emptied the pantry and carried off with them all the meat, bread, butter, eggs and other provisions.

Plenty of Charges.

Jacob Murray was sued before Alderman Barr yesterday by his brother William, on the charges of assault and battery, malicious mischief and surety of the peace. Henry Brinkman was held by the same alderman to answer the charge of assaulting his wife.

Election Trouble.

Suit was brought before Alderman Barr, against Harry Metzgar to day on the charge of perjury, it being alleged that he swore falsely at the third ward election polls. Harry Leonard was sued before the same Alderman by Metzgar, for assaulting him.

THE ELECTION.

A Pleasant Day and a Quiet Vote.

A more delightful day for the election could not be desired. We are enjoying a delightful "Indian summer" atmosphere and the sun is shining pleasantly and anon being obscured by light hazy clouds.

Thus far we have heard of no disorder at the polls, and have seen no drunken men on the streets. The taverns and saloons are all closed and except in the vicinity of the polling places the town is as quiet as though it were Sunday.

Below will be found the number of votes polled in the several wards of the city, compared with the votes polled at the same hour for president in 1880 and for governor in 1882:

Wards	1880	1882	1883
First	462	381	377
Second	567	480	428
Third	478	369	349
Fourth	560	411	354
Fifth	473	376	319
Sixth	702	562	439
Seventh	560	415	340
Eighth	489	185	342
Ninth	542	407	387
Total	5010	3889	3257

Thursby.

The grand concert to be given by Miss Emma Thursby, on Friday evening, promises to draw an immense crowd. The chart for the sale of reserved seats was opened this morning and up to noon 150 seats had been taken.

In Luck.

A party of gentlemen stopping in the city for a few days said they were in luck when they heard that their clothing could be thoroughly renovated and repaired by Ralph Simon the London clothing renovator, 146 North Dukestreet near Chestnut. n5 2d*

Amusements.

Emma Thursby.—This eminent songstress appears here Friday in Fulton opera house. Her fame as a great concert singer is world-wide and has been deservedly awarded by public approbation. The Chevalier de Kontski, who has received honors as one of the greatest pianists of the age, accompanies Miss Thursby and appears in all her concerts. The chart for the sale of reserved seats opened this morning, and at noon there were quite a large number taken.

Hyde and Behman.—Indications point to a monstrous attendance in the opera house this evening to see this great specialty combination. The people in it are all said to be first-class in their parts, and the afterpiece, a funny sketch called "Derby Day," is chock full of rollicking fun and side splitting features, all of which are presented by the company with all their excellence. This being election day, the returns so far as received will be read from the stage, so that the play can help to drive away your sadness if you happen to be on the wrong side.

Leavitt's Minstrels.—This troupe of first-class minstrels will be here on Thursday evening. Says the Boston *Globe*: "The large band of Eudoxians which Manager Leavitt has brought to this city have just come at the right time. The public seem just in the mood to enjoy their clever entertainment and encores are nightly demanded with the great heartiness. No minstrel company has been seen in Boston for years that can even remotely compared to this superb organization.

How to Secure Health.

It seems strange that any one will suffer from the many derangements brought on by an impure condition of the blood, when SCOVILL'S SARSAPARILLA AND STILLINGIA, or BLOOD AND LIVER SYRUP will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best BLOOD PURIFIER ever discovered, effectually curing Scrofula, Syphilitic disorders, Weakness of the Kidneys, Erysipelas, Malaria; all nervous disorders and debility, bilious complaints and all diseases indicating an impure condition of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it ACTS LIKE A CHARM, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

SAUER'S PAIN PANACEA cures a pain in man and beast. For use externally and internally.

RESCUED FROM DEATH

The following statement of William J. Cough in, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise a gratification. I commenced to feel better. My hope, once dead, began to revive, and to say I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work.", sold by H. B. Cochran, 137 North Queen street

Delicate and Feeble Ladies.

Those languid, tiresome sensations, causing you to feel scarcely able to be on your feet; that constant drain that is taking from your system all its former elasticity; driving the bloom from your cheeks; that continual strain upon your vital forces, rendering you irritable and fretful, can easily be removed by the use of that marvelous remedy, Hop Bitters. Irregularities and obstructions of your system are relieved at once, while the special cause of periodical pain are permanently removed. None receive much benefit, and none are profoundly grateful and show such an interest in recommending Hop Bitters as women

Feels Young Again.

"My mother was afflicted a long time with Neuralgia and a dull, heavy, inactive condition of the whole system; headache, nervous prostration, and was almost helpless. No physicians or medicines did her any good. Three months ago she began to use Hop Bitters with such good effect that she seem and feels young again, although over 70 years old. We think there is no other medicine fit to use in the family."—A lady, in Providence.

BRADFORD, PA., May 8, 1875.

It has cured me of several diseases, such as nervousness, sickness at the stomach, monthly troubles, etc. I have not seen a sick day in a year, since I took Hop Bitters. All my neighbors use them. MRS. FANNIE GREEN.

$3,000 Lost.—"A tour of Europe that cost me $3,000, done me less good than one bottle of Hop Bitters; they also cured my wife of fifteen years' nervous weakness, sleeplessness and dyspepsia."

TO-DAY'S ELECTIONS.

DISPATCHES SHOWING THE DRIFT OF THE CONTEST.

Indications that a Large Vote is Being Polled in this State—Democratic Controller for Philadelphia, and the Election Quiet there—A Strong Vote being cast in New York—Nothing Definite Anywhere—Advices from Several States.

PHILADELPHIA, Nov. 6.—The weather to day is fine and the indications are that a much larger vote will be polled in the state than was anticipated by party managers.

It is agreed between the leaders of the Democratic and Republican parties that all comparisons of figures shall be made with last year's election for governor. The combined vote of Beaver (Rep.) and Stewart (Ind. Rep.) will be set against that of Pattison (Dem.) so that gains for the Democrats to day will mean gains as against the full Republican vote. The Democrats will have to gain some four thousand on a full vote in order to elect their ticket to-day.

In the city the interests centres chiefly on the controllership. S. Davis Page, (Democrat), is endorsed by the Committee of One Hundred for that office, while E. Harper Jeffries (Rep.) is running as a straight out. As the Committee of One Hundred is a large factor in municipal politics here, the election of Page by a small majority is anticipated.

There is little or nothing of interest to add in connection with the rest of the city ticket. The election is passing off quietly and one slight row is recorded at police headquarters.

A Light Vote Around Pittsburg.

PITTSBURG, Pa., Nov. 6.—The day is cloudy, warm and threatening rain. The election is passing off quietly. No disturbances have been reported, and up to noon a very light vote was polled. The Republicans are cutting Niles, while Democrats are generally voting the straight ticket.

IN NEW YORK,

A Heavy Vote Being Polled.

NEW YORK, Nov. 6.—The weather is fine to-day and there are indications of a large vote being polled. Great interest is centered in the contest for mayor of Brooklyn.

Both Democrats and Republicans expect that Maynard, the Democratic candidate for secretary of state, will run considerably behind his ticket throughout the state.

Temperence Men Voting for Maynard.

SYRACUSE, N. Y., Nov. 6.—At one o'clock this afternoon the vote in most of the city wards was about even with that of two years ago. The sharp contest in the second assembly district calls out nearly the strength of the presidential vote. Carr runs ahead of his ticket by the aid of the soldiers and liquor men's votes. Many temperance men are voting for Maynard.

Maynard's Prospects Good in Albany.

ALBANY, N. Y., Nov. 6.—The election proceeds quietly and there was a heavy vote polled early. In the Republican wards Carr (Rep.) for secretary of state is being freely cut, and the indications are that Maynard (Dem.) will run ahead of his ticket in the city.

WORCESTER, Mass., Nov. 6.—The election is passing off quietly and there is every indication of a large vote. The Republicans are especially active and confident. All Quite in Virginia.

PETERSBURG, Va., Nov. 6.—The election here is passing off quietly. No disturbances of any kind have occurred. Both parties are polling a heavy vote. Senator Mahone visited the different precincts here to-day.
