L.; it was fairly patronized.—A coming fight between two noted Columbia fighters is on the carpet.—John McCall who had his leg cut off on the C. & P. D. railroad will recover.

On the same day the Citizens' band will do some serenading.—Mr. George Allison and wife's third marriage anniversary was celebrated by a large surprise party last evening. About 60 persons attended the pleasant event.—Miss Annie Humphriss and Mr. George H. Richards are home from Philadelphia. The former was there visiting friends, the latter attending to business

Borough Jottings.

The new R. & C. railroad depot will be occupied as soon as the heating apparatus is placed in it.—The funeral of the late Benjamin Thomas, of Lancaster, will be held from Salome chapel to-morrow at 2 o'clock.—Mr. W. U. Barr will have the the management of the approaching Second street Lutheran church concert. Prof. H. Gipe, of York, will be musical director.—Olive Branch lodge, No. 1,377, G. U. O. of O. The standard of time has been ordered to be changed on the Pennsylvania railroad, taking effect Sunday at noon, Nov. 18. The new standard will oblige all time pieces to be moved forward 1 minute and 3 seconds. The citizens here have been notified of the approaching change.

The Lutman properties, located north of the Columbia national bank, were sold at public sale at the Franklin house last night by Auctioneer Wm. Lindsay. The one adjoining the bank was purchased by A. J. Kauffman for F. A. Bennett, for $4,500. M. S. Shuman bought the other one for $3,850. Mr. Bennett will build a handsome store on his purchase, and will occupy it before April 1.

Testing an Automatic Brake.

Yesterday an interesting test was made of the automatic car brake, lately invented by one fellow townsman, C. V. Rote. The brake was attached to a car placed behind the shifting engine on the Pennsylvania railroad in this city, and did good service for some hours without manipulation and stood the test perfectly and without a single balk. It may be stated that yard service is considered the severest test to which an automatic brake can be put, and there is not probably in the world an automatic brake except the Rote brake, that will stand the test of the yard service behind a shifter without being thrown off, that is without the brake becoming inoperative. This practical test seems to prove all that has been said by the most sanguine friends of the inventor, and will probably result in the early introduction upon all the railroads of the country.

Change of Schedule.

Attention should be given to the change of schedule in the running of passenger trains on the Pennsylvania and the Columbia & Port Deposit railroads, commencing at 12:01 p. m. on Sunday. The corrected figures will be found in the time tables. It will be noticed that the trains are now run by eastern time, or that of the 75th meridian which is one minute and three seconds faster than that heretofore used. The trains which are affected most by the new time tables are those running from Philadelphia to Parksburg, Downingtown and other places east of Christiana. Day express will leave this city five minutes later than heretofore.

The Electric Light.

Last night was the time appointed by the lamp committee of councils to make a round of the city to inspect the electric light and see how well they were burning; but none of the committee except Mr. Diller, the chairman put in an appearance. He, in company with a representative of the Maxim electric light company, inspected the light and found 110 of them burning fairly well, and they were kept burning for 13 hours. It is expected that the 10 additional lamps will be put up to day, and that the committee will make an official inspection to night and accept the light, if it meets their approbation.

News and Cigar Stand

Edward Frailey and Co., have opened a cigar, tobacco, newspaper and stationary stand in the new post office. They have put in a nice little counter with shelving and glass cases and intend keeping a full line of goods. Baker Young, the well known newspaper man, has charge of the stand.

The Shenandoah Sufferers

This afternoon $5 was received for the above fund from Henry Baumgardner. So far $55 has been received, but this is not enough for this city.

The twenty-fifth anniversary and ball of Red Jacket Tribe, No. 44, Improved Order of Red Men, will be given in Mennerchor hall on Monday evening. The Red Jackets have given many fine parties, and they expect to make the coming one the best of them all. The promenade will take place at 9 o'clock, and the chiefs will appear in full regalia. The great chiefs of the Great Council of Pennsylvania will be present.

Amusements.

"Cheek."—To-day is the last opportunity this season of securing reserved seats at Fulton opera house to witness Mr. Reed's fine and popular impersonation of *Dick Smythe* in "Cheek." Without doubt this is a most entertaining performance. Lancaster people have seen it before, the company is good, the play replete with humor and interest and the principal character is taken so well by Mr. Reed as to leave him without rival in his line of acting. Go and see "Cheek" this evening.
