BASEBALL.

Interesting Items Concerning Well Known Clubs.

Camden wants another professional club next season.

Larkens, of last year's Athletics, plays with the Athletics, but much against his will.

The inter state association will meet at the Girard house on Friday next to receive applications for membership.

Geer, captain of last year's Brooklyn club, has not yet been engaged for next year.

Dehlman, of the Allentown team, is the same man who played in the great St. Louis team in 1876.

Cline, of last season's Harrisburg team, has offers from both the St. Louis teams. The prospects are that he will sign with Von der Ahe.

The story that the Athletic management is interested in the new Lancaster club and would run it as a reserve nine is most vigorously denied by Manager Simmons.—*Philadelphia Times*

Charlie Manlove, catcher of the Altoona club in 1883, now employed in the Penna. railroad shops, will play behind the bat with the Bay City club, of Bay City, Mich., next season, having signed contracts to that effect on a salary of $200 a month.

The Athletic club has signed A. W. Atkisson, the phenomenal young Indiana, pitcher, who last season, with a picked nine at his back, easily defeated the Indianapolis club, who only made four hits off his delivery, 16 men striking out.

Jim Brown, late pitcher of the Altoona club, is in constant receipt of flattering offers for his services for next season from many clubs. Being undecided whether he plays ball next season he has set no price or given much encouragement to the clubs wanting him.

The Wilmington nine as engaged stands Cusick and Miller one battery, McCloskey and a one-handed pitcher from Central New York the other, Snyder, Bastian and Say on the bases; Barns at short and Casey at centre. There is a possibility of Snyder playing 2d, Bastian at short, Burns at left and Goodman on 1st.

A Baltimore paper says: "Henry Spence, the manager of the new union league club of Baltimore, is an old friend of Manager Barnie, having played under his management in the Buckeyes, of Columbus, and the Atlantics, of Brooklyn. He is a third baseman." If Spence is no better manager than he is player his club will be distanced next season.

Representatives of the Trenton club were in Philadelphia, Saturday, after players and succeeded in signing Shetzline and Myers, late of the Harrisburg club. This club has now six men under contract, viz.: Harkins, Quinton, Leo Smith, Williams, Shetzline and Myers. The club is well fixed financially. It has not yet entered any association, preferring to await developments.

From 40 years experience in the business and using the best material and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. MEDICAL.

BROWN'S IRON BITTERS.

Like an Evil Spirit.

In olden times it was thought that evil spirits came in through cracks and keyholes. The generally approved way to keep them out was to plug up the keyhole and stop the cracks with cotton. Notwithstanding these preventive measures, the evil things had their own way and often came in as they pleased.

So comes malaria now a-days. We try to keep it out of the keyhole and it comes in by the crack. We stop up the crack, and lo! it comes from a leak in the plumbing or an opening from some neglected drain, or from some unsuspected source, and ungoaded direction.

We cannot always keep malaria out, but we can give it battle and drive its effects from our systems. If Brown's Iron Bitters is taken in time, malaria has not a ghost of a chance. This is a great family medicine. Your druggist sells it and you ought to keep a bottle in the house.

BENSON'S SKIN CURE.

[*From the Home Journal.*]

A Remarkable Discovery.

A REAL SKIN CURE.

THERE IS ONLY ONE

AND THAT WITH SIMPLE NAME.

Beware of imposters, pirates, or any old articles which now so fidently claim to be best. They have been tried and found wanting, while this has been proved a remarkable success.

NO POMPOUS NAME.

This curative needs no pompous or comprehensive title of Greek or Latin to sustain it, but its simple English name appeals directly to the people. And the people are signally manifesting their appreciation of this frankness by adopting and using Dr. Benson's Skin Cure in preference to all other professed remedies.

Dr. C. W. Benson has long been well known as a successful physician and surgeon and his life study has been the diseases of the nervous system and of the skin; since he has been persuaded to put his New Remedy and Favorite Prescription as a "Skin Cure" on the market, various things have sprung up into existence, or have woke up from the sleepy state to which they were before, and now claim to be *The Great Skin Cures.*

☞ Beware of imitations, or the vain resolutions which have been advertised for years or struggled along, having no real, true merit on the public, that now endeavor to keep it at above water by advertising themselves as "The Great Skin Cure." None is genuine and reliable except Dr. C. W. Benson's Skin Cure. Each package and bottle bears his likeness. Internal and external remedy, two bottles in one package. Price $1.00, get at your druggists.

RHEUMATIC SYRUP.

A Limb Saved

And a Family Made Happy.

Mr. Philip Moore, of West Webster, Monroe County, N. Y., says: "My daughter, now eighteen years old, has, for the past eighteen months, been afflicted with rheumatism in a very severe form. One year ago it settled in the knee, since which time she has been unable to touch her foot to the floor or move her limb without suffering the most excruciating pain. Her limb was fast growing out of shape, although we were doing for her all we could, having used all the remedies we could hear of and that were recommended for rheumatism, none of which benefitted her in the least. Her case was pronounced incurable by the physician and by our neighbors, and all believed that she would be a cripple all her days, and that her limb would never be restored to its original shape. But I am happy to say that to-day my daughter is entirely free from all rheumatic pains, and that she can walk with perfect ease, having thrown aside her crutches, and her limb seems as strong and perfect as ever; all from the use of your wonderful medicine "Rheumatic Syrup," which we consider one of the best medicines ever introduced for purifying the blood, and I only regret that all others who are afflicted with rheumatism cannot know of its superior merits. You are at liberty to use my name if it will do you any good, and I shall be only too glad to tell any and everyone what it has done for my daughter." PHILIP MOORE.
