THE LAGONIA MURDER.

Thomas Salmon Locked up in Jail—Testimony Before the Coroner's Inquest.

Thomas Salmon, who is charged with the murder of the Ruddy family and Mrs. Ford, was brought to Laconia, N. H ,from Plymouth on the train which left there at 8 o'clock on Monday morning, in charge of officers. A large crowd witnessed his departure but there was no demonstration. Many followed the party to Laconia out of curiosity. The prisoner slept soundly all night at his room in the hotel, closely guarded by the officers. He ate heartily at supper and breakfast and appeared very self possessed. On arrival at Laconia Salmon was taken to jail.

At the coroner's inquest this morning Dr. Foster testified to making an examination of Mrs. Ford, whose body was carried to Ruddys' house in a trunk, and said it was probable that she came to her death by a heavy body falling upon her, perhaps the knees striking near her heart. It was supposed that she came to her death by strangulation or drugging. He stated that the knife wounds on the legs were done after death.

John C. Ford, husband of the murdered woman, who was arrested on suspicion yesterday, was present at the hearing and voluntarily testified. He was apparently unconcerned.

A fracas took place at the Ruddy's house during the night. Parties in town attempted to have a wake, which caused a row between them and those in charge of the bodies. The parties were finally driven from the house by officers.

While Salmon was wheeling the trunk on Saturday several dogs were seen following him, evidently attracted by the contents of the trunk. Salmon was obliged to stop a number of times to drive them away. A hearing will be given the prisoner at the conclusion of the coroner's inquest. Mrs. Ruddy is slowly improving. It has not been decided when the funeral of the victims shall take place, as a further examination of Mrs. Ford's body will probably be made.

The grave robbers captured in Philadelphia are not as bad as those mothers who are life robbers, by neglecting the cough of a child, when they know full well that, one bottle of Dr. Bull's Cough Syrup would cure it and make it happy.

MEDICAL.

BROWN'S IRON BITTERS.

The Peculiar Old Mystery!

It was one of the peculiarities of the old-fashioned doctors that they never would tell patients what they were prescribing for them. They said it would do the patients no good to know, and that it would only be gratifying a foolish curiosity. In order to keep patients from knowing, they would write the prescriptions in dog-Latin, so that most patients could not read them. All that sort of thing is now over. The patient wants to know what he takes. He is weak, and wants to be strong, or he is dyspeptic, and wants to digest well. Or he has a troublesome liver which he wants to put to rights. So he takes Brown's Iron Bitters, about which there is no mystery at all. This is the best preparation of iron in the world, in combination with gentle yet efficient tonics. It gives strength. It builds up enfeebled systems. It enriches impoverished blood. It removes feminine weaknesses. It casts out debility. It is what you want, and your druggists' has it.

MR. GEORGE L. WALKER:

The four Pianos I purchased from you at different times—three for friends and the last one for myself—have proved to be magnificent instruments. They have given the most perfect satisfaction in every respect, and they cannot be surpassed for beautiful, clear, rich, full tone, fine finish, and standing in tune. I have formerly bought pianos on Chestnut street, paid a much higher price and did not receive anything like as fine instruments. I shall advise all my friends for their own benefit, when they are in need of a Piano, to purchase from you.

Respectfully yours, H. L. HALL.

J. E. ROTE.

There has been such a demand for LARGE PHOTOGRAPHS that I was compelled to get a VERY LARGE CAMERA BOX to meet the demand. We can now make you a PHOTO as small as the smallest locket will hold up to a 5-inch face, to fit an 18x22 Frame.
