RESCUED FROM DEATH

The following statement of William J. Cough in, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our read ers. He says : "In the fall of 18761 was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the sum-mer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medteines. I was so far gone at one time a report

went around that I was dead. I gave up hope but a triend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a britle to satisfy them, when to my surprise a d gratification, I commenced to feel better My hope, once dead, began to revive, and to lay I feel in better spirits than I have the past three years. "I write this hoping you will publish it, so that every one afficted with Direased Lungs

will be induced to take DR. WM. HALL'S BALSAM FORTHE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disap-peared and I shall soon be able to go to work,', old by H. R. Cochran, 187 North Queen stree

THE SPEAKERSHIP.

A CONTEST UNCOMFORTABLY CLOSE. Carllato's Managers Claiming His Election on First Ballot-Randall's Lieutenants Confident of Victory-Some of Carllele's Supporters In-clined Toward the

Ex-Speaker.

Editorial dispatch to the INTELLIGANCER. WASHINGTON, D. C., Dec. 1.-The contest is uncomfortably close. Carlisle's managers claim to be able to elect him on the first ballot, while they manifestly fear that if he fails then his election will be an impossibility. They even give figures for 120 votes, to foot up which they count everything for Carlisle that is not positively for Randall. I have never been able during the week to count certainly 100 votes for any particular candidate; and as managers claim to be able to elect him on impossibility. They even give figures for \$1 Good Styles and Best Qualities, in quantities sufficient for small rooms or chambers, which we are closing out tively for Randall. I have never been able votes for any particular candidate ; and as there are twenty members who have never said how they will vote, and twenty more who to this time do not know themselves, I have no occasion to revise this estimate. It is only certain that the continuance of Cox as a candidate by the New Yorkers this morning strengthens Randall's

chances by postponing the decisive ballot. Carlisle's greatest strength will be polled at the outset, and while his friends insist that this will nominate him, the Randall managers will not concede him over 80. They claim nearly as many for Randall and that two thirds of the thirty for Cox will finally go to Randall and nominate him.

It is claimed that many who have been counted for Carlisle, will hesitate to contravene the overwhelming sentiment of Ohio, Pennsylvania, New York, New Jersey and Connecticut. A reliance on this is Randall's hope, and how far it will influence votes can only be known after they are counted.

It seems to be conceded that Atkins, of Tennessee, will be clerk of the House Field, of Georgia, doorkeeper, and Lee dom, of Ohio, sergeant at arms. W. U. H.
