Two $500 first mortgage 7 per cent. bonds of the New Holland extension of the East Brandywine and Waynesburg railroad, with unpaid interest coupons attached, to R H. Brubaker at $80 per $100; three $100 bonds, same, to same, at same price.

THE PRISON INSPECTORS.

Brimmer's Cash on Hand—Leman's Claim for Overwork—Rewards for Fugitives.

The prison inspectors held their regular monthly meeting to day and all the members were present.

The usual bills were presented and approved, and Solicitor Sproul, Messrs. Nissley and Dohner were appointed a committee to audit the accounts of the treasurer.

The committee on inventory reported that on Nov. 30 there were $8,399.49 worth of goods on hand.

A communication from Keeper Burkholder stated that when Brimmer was arrested he had some money on his person, which he desired to turn over to his mother. This was allowed. The same communication stated that Alex Leman desired to be paid $22 for overwork in making cigars. The inspectors said that they had nothing to do with this matter; it must be settled by the contractor.

The keeper, in his paper, also called the attention of the inspectors to the evil of convicts running loose in the corridor without watchmen, and stated that if the inspectors would give him the proper help they would not have occasion to complain of this matter to the court.

Sergeant Hockley, and Officer Adams, of the Harrisburg police force, appeared before the board and made application for $150 reward, which was offered for the arrest of George Brimmer. The officers claimed that they were entitled to the money and there would be no other applicant for it. The board agreed to pay the reward in the course of a few days.

It was agreed to pay the reward for the capture of James Clifford to E. Shimp, Phares Royer, and Barton Lorah, of Ephrata.

After seven ballots for night watchman Frank Barr, of East Lampter was elected night watchman, and at the eleventh ballot Christian Armstrong, of Providence was elected. They were directed to give $500 bail, each.

The board also decided to take a three days trip "for the good of the county," inspecting the jails of the state. Adjourned.

Dead Body Taken Home.

Associated press dispatches to the daily papers of Lancaster on Friday gave a brief report of the accidental shooting, by his brother in law, of James H. Houston, while out ducking on the river a few miles from Baltimore. Harrisburg accommodation, east, on Saturday evening, carried through this city the remains of the victim of the sad accident, consigned to relatives at Atglen, Chester county, for interment. With the casket was sent probably the most elaborate and beautiful collection of floral tributes ever seen in this section. They were offerings of the fellow-workmen of deceased, who were with him in the employ of the Baltimore & Ohio railroad, and each memento bore a card naming the department of the road from which contributed. Among the beautiful designs were a sickel and sheaf, a pillow with the word "Rest" thereon, a cross and crown, a large wreath, a chair, gates ajar, a three-foot evergreen cross, a large floral hose carriage, intertwined in which were the words, "To Our Marshal," and a representation of "A Haven of Rest," composed of a series of arches forming an alcove, in which perched a snow-white dove. Truly were these emblems a generous evidence of the love and esteem of the associates of deceased.

AT THE MAYOR'S OFFICE.

Who Gives to the Poor Lends to the Lord.

The mayor has received the following contributions for the poor who are suffering from the smallpox; Mrs. Lawrence Knapp, $2; N. Ellmaker, $5; cash from different parties, $5; large basket of provisions and groceries from Charles Peters The money and other contributions are distributed as fast as received by the mayor and a good deal more can be used as their is a great deal of suffering.

This morning the mayor sent $87 to the Shenadoah sufferers.

A Big Police Court.

This morning the mayor had no less than twenty-five cases before him. One drunk was sent to jail for 10 days and two were discharged. Twenty-two lodgers were discharged; eight of this party were Polish Jews who have just landed and are unable to speak a word of English.

DEATH OF A SOLDIER.

Buried With Military Honors.

Jacob Zimmerman, a former member of Co C. 12 regt., P. calvery died at his late resident near "Dry Wells," this county on Friday morning, and was buried at 10 o'clock Sunday morning, in the Drumore Catholic church burial ground. The impressive Grand Army Republic funeral ceremonies were performed at the grave by a committee from Post 84 of this city consisting of Commander Stark, S. N. C. Swisher, J. V. C. Fite, Chaplain Leonard and Comrade Reihm. The funeral was largely attended by citizens from the surrounding country The deceased received wounds and contracted disease in the army, from which he never recovered and from the effects of which he died. A wife and family of children mourn his loss.

Amusements.

"*Confusion*."—This is the name of a roaring, side-splitting and withal refined play that is just now taking every town it is given to by storm. It was in Scranton the other day and the *Republican* says of it: "This comedy takes the palm from anything of its sort ever before presented to a Scranton audience. It has more funny situations, more misunderstandings, more tangle, more excruciating mishaps in it than it would seem possible for any man to conceive of, much less to introduce within the brief space of an ordinary play. There isn't any haw-haw nonsense about the play, but the tickle just keeps wiggling and squirming inside of one, now and then getting to the surface and exploding, but most of the time keeping the face on a broad grin and the mouth in a constant chuckle, and the short ribs vibrating in a cachinatory ecstasy." The chart for reserved seats is now open. The play is in Fulton opera house Thursday evening.

"*The World*."—That favorite and attractive play, "The World," will be presented in Fulton opera house to-morrow evening. The stage settings of the drama are exceedingly realistic and beautiful, and the play is replete with interest and sensation. The raft scene, the sinking ship and a lot of other fine effects are wonderfully lifelike and startling.

Rescued From Death.

The following statement of William J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better My hope, once dead, began to revive, and to day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street

MEDICAL.

TAKE Simmons Liver Regulator

For Dyspepsia, Costiveness, Sick Headache, Chronic Diarrhœa, Jaundice, Impurity of the Blood, Fever and Ague, Malaria and all Diseases caused by Derangement of the Liver, Bowels and Kidneys.

SYMPTOMS OF A DISEASED LIVER.

Bad breath; Pain in the Side, sometimes the pain is felt under the Shoulder-blade, mistaken for Rheumatism; general loss of appetite; Bowels generally costive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of leaving undone something which ought to have been done; a slight, dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous, easily startled; cold feet or hurning, sometimes a prickly sensation of the skin exists; spirits are low and easily depressed, and although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet examination after death has shown the Liver to have been extensively deranged. It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons traveling, or living in unhealthy localities, by taking a dose occasionally to keep the Liver in healthy action, will avoid all Malaria, Bilious attacks, Dizziness, Nausea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is no intoxicating beverage.

If you have eaten anything hard of digestion, or feel heavy after meals, or sleepless at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For, whatever the ailment may be a thoroughly safe purgative, alterative and tonic can never be out of place. The remedy is harmless and does not interfere with business or pleasure.

IT IS PURELY VEGETABLE,

And has all the power and efficacy of Calomel or Quinine, without any of the injurious after effects,

A GOVERNOR'S TESTIMONY.

Simmons Liver Regulator has been in use in my family for some time and I am satisfied it is a valuable addition to the medical science.

J. GILL SHORTER, Governor of Alabama.

Hon. Alexander H. Stephens, of Ga., says Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

"The only Thing that never fails to Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

P. M. JANNEY, Minneapolis, Minn.

Dr. T. W Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.

WASHINGTON NEWS.

THE DEMOCRATIC SPEAKER ELECTED.

A Bolt On Keifer—The Half Breeds Desert Him—Assembling of Congress—General Features of the Event.

WASHINGTON, D. C., Dec. 3.—The galleries in the House of Representatives, were crowded long before noon to witness the opening of the Forty-Eighth Congress. Baskets of flowers distributed here and there served to enliven the scene and friendly greetings were the order of the day. As the floor was being cleared of strangers some excitement was caused by the refusal of "Colonel" Pinchover, a noted local character, to vacate a seat in which he had ensconced himself. Mr. Blackburn finally induced him to leave the floor.

Calling the Roll.

At noon precisely, McPherson commenced calling the roll. When the state of Mississippi was reached, McPherson explained that he had not placed on the roll the name of any member elect from the Second district of that state, as no proper certificate had been received.

There were 316 members present.

Geddes Nominates Carlisle.

Geddes, of Ohio, then said: "I nominate for speaker of this House, the honorable John G. Carlisle of Kentucky, a man of acknowledged preeminent qualifications for the place." Cannon, of Illinois, nominated Kiefer, and Lyman, Massachusetts, Hon. G. Robinson, of Massachusetts.

The Speaker Sworn In.

The roll call was resumed as follows: Carlisle, 191; Kiefer, 112; Robinson, 22; Wise, (Virginia,) 1; Wadsworth, (N.Y.), 1; Lacey (Mich.), 1. The clerk thereupon declared Mr. Carlisle elected and Messrs. Randall and Kiefer escorted that gentleman to the chair. His entrance to the chamber was the signal for loud applause and the oath of office was then administered.

The Senate.

In the Senate the galleries were filled with spectators and many of the senators' desks were decorated with flowers.

The Senate was called to order by Senator Edmunds, Senator Anthony not being present. After prayer the credentials were presented of Beck, to succeed himself; Palmer, of Michigan, to succeed Ferry; Pike, of New Hampshire, to succeed Rollins. The oath was then administered to Messrs. Beck, Bowen, Cullom, Dolph and Frye, whose credentials were submitted last session.

After agreeing that until further notice 12 o'clock be the hour of meeting the Senate took a recess for one hour. Upon reassembling the Senate again took a recess until 3 o'clock.

The President's Message Not Read To-day.

The Senate has adjourned. The president's message will not be sent to Congress to-day.

The Trade Dollar Must Go.

Gen. Warner, of Ohio, will take an early opportunity to introduce in the House a bill providing for the retirement of the trade dollar. He said that "its coinage was a mistake, there never having been a time when the same amount of silver in the form of Standard dollar would not purchase as much tea in China or India as if coined in trade dollars."

Several other members of the House are preparing bills for the same purpose.

WEXFORD, Dec. 3.—A mob here last evening attacked the theatre in which an Evangelical service was being held and attempted to burn the building. The mob paraded the streets for several hours singing, "God save Ireland!"
