Around the Town.

No alarms of fire have been heard since the abolition of loating at the fire engine houses. Before that these alarms were frequent, and were probably caused by idlers who desired to break the monotony of loading by creating a little excitement. A hog belonging to Mr. Harry Sholl was killed at Swartz's butcher shop yesterday. When dressed it weighed 418 pounds. Three more of about the same size yet remain in Mr. Shell's pen.

The girls and boys who recently played truant at the public schools have not yet been punished for their misconduct. No doubt their overpowering sense of shame has been a severe punishment to them

already. Joseph Goodman is among the first of the Columbia sportsmen who have suc ceeded in filling their game bags with wild pigeons. These birds are now plentiful among the hills of York county.

BEALTH MATTERS.

A New Beaith Commissioner Appointed. At a meeting of the board of health last evening the resignation of Dr. James A. Fitzpatrick, health comissioner, was

read. The board proceeded to fill the vacancy, Drs. H. E. Westhaeffer, H. E. Muhlen berg and David R. Summy were placed in nomination, and Dr. Westhaeffer was

The board issued to Dr. Westhaeffer the same general instructions that had been issued to Dr. Fitzpatrick, and especially instructed him to inquire of the poor directors why an ambulance for the conveyance of patients to the hospital had not been provided, as recommended by the grand jury; and to inquire of the county commissioners how soon the new hospital for patients suffering from contageous diseases would be finished.

No new cases of smallpox have been reported to the board, and it is believed that none exist except those that have been reported. It is the intention of the board, hereafter, to issue on each Saturday a bul letin containing a statement of the num ber of cases under treatment, the number of new cases (if any), the number of deaths and the number recovered.

"Around the World in Ninety Minutes." On Tuesday next Mr. Edwin K. Hart, of Philadelphia, will deliver in the court house, a public lecture entitled " Around the World in Ninety Minutes," under the management of the Young Men's Chris tian association of this city. Wherever Mr. Hart has delivered his admirable dis. course, he has been visited with the high est encomiums of praise. The lecture is a humorous recital of a ten years' experience among newspapers, and as Mr. Hart has for a number of years been connected with the press of Pittsburg, and is at present associated in the editorial conduct of the Philadelphia Evening Telegraph, he is abundantly qualified to tell his jour nalistic experience. He will no doubt be greeted with a large audience in the occa-
