BEFORE THE MAYOR

A Strasburg Boy Who Had Lots of Fun.

Last evening Charles Stiltzman, a young man who resides in Strasburg, took advantage of the good sleighing to come to town for some fun. He got something, but he does not call it fun. About 12 o'clock as he was driving through the town he found Mrs. Mary Graham who is also known as Mary Fraeh, and by at least half a dozen other names. The man to whom Mary was last married is now in jail and she was in for having a good time. When asked to take a sleigh ride by the young countryman, she quickly accepted. They sleighed around the principal streets for some time, and at last Officer Steinwandel found the Strasburg man driving up East King street. The woman, who had been his companion, was running behind the sleigh yelling at the top of her voice, and she was stopped; she told the officer that the young fellow had deliberately pushed her out of the sleigh on West King street, injuring her severely and had refused to give up her shawl. The officer took both parties to the station house, leaving the young man's horse at the Lancaster County house. This morning the mayor committed them to jail for ten days each, as it was shown that they had been drunk and very disorderly. The woman made complaint against Stiltzman at Alderman Fordney's, charging him with assault and battery, and the larceny of her shawl. He will have a hearing on those charges. This afternoon young Stiltzman was taken before the court on a writ of habeas corpus and his discharge was asked for. With the consent of the mayor the sentence was reduced to 24 hours. It was shown that the young man was of a respectable family, but was unfortunate in drinking a little too much last evening. He says that the woman jumped from the sleigh herself.

The mayor had two other disorderlies, who got 10 days each, and three vagrants were discharged.

ARGUMENT COURT.

Matters Disposed of To-day

In this court the quarter session list has been reached.

The report of viewers in the West Co calico road was confirmed.

Martic township road: Rule to show cause why report of viewers should not be confirmed absolutely; continued.

Charles B. Stevens was granted a license to peddle.

L. F. Shirk and wife's assigned estate; exceptions to auditor's report withdrawn and report of auditor confirmed.

In the case of Dr. George A. Kline vs. the administrators of William L. Pieper, a supplemental bill of particulars was filed and the argument in the case was continued.

Current Business.

Catherine Bender was given the benefit of the act of 1872, which allows married women their own separate earnings.

Mary McFadden, of Columbia, was divorced from her husband, George McFadden, on the ground of desertion.

Correction.

Yesterday it was stated in the report of court proceedings that the rule to strike off the non suit in the case of Schum vs. the Pennsylvania railroad company had been discharged. This was a mistake as no decision has been made in the case, which was submitted to the court without argument.

THE SLEIGHING

Trotting on the East King Street Course.

The sleighing is very good at present, and last night large parties left the city in every direction for the country. The livery stables are nearly all empty and a horse could scarcely be obtained for any price. The country folks also turned out and came to town in parties.

The street most frequented by the drivers is East King, which was full of handsome turnouts yesterday, and some good trotting was seen. The drivers of the fast teams generally keep on the eastern end of the street and have some pretty racing there. Little complaint is made of fast driving, as most of the racing is confined to the course between the almshouse and Ann street, where it does not endanger pedestrians.

Upset this Morning.

A man from the country was driving a horse hitched to a sleigh over the Pennsylvania depot crossing this morning when the animal frightened and started to run. He dashed into a huge pile of snow upsetting the sleigh, breaking a shaft and throwing out the driver. The porter of the City hotel caught the horse.

OBITUARY.

Death of Cyrus Cormany

The San Francisco *Chronicle* of December 12 contains a notice of the death in that city of Cyrus Cormany, a native of Annville, Lebanon county, Pa., and for several years a resident of Lancaster, where he made host of friends by his many manly qualities. He was one of the old fashioned Democrats and took a very active part in politics, and exercised a wide political influence.

Amusements.

RESCUED FROM DEATH.

The following statement of William J. Gough, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise a gratification, I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street

Eminent Medical Testimony.

10 EAST 32d STREET,
NEW YORK, March 15, 1882.

I have used ALLCOCK'S POROUS PLASTERS in my practice with remarkable success, and found them peculiarly efficacious when applied to the back for Weak Spine and Nervous Exhaustion; they afford almost instant relief in Coughs, Colds and Liver Complaint. I cn daily recommend them as the best and safest plaster ever made, and would caution the public against the numerous other so-called Porous Plasters that are sought to be palmed off on a credulous public; they are worthless and often times dangerous.

50 Fits in 24 Hours!

"I employed some of the best physicians here," wrote Wm. E. Tanner, of Dayton, Ohio, "They all said my child could no live for 3 weeks. It had 50 fits in 24 hours. We gave it *Scmanrion Nervine* and the medicine effected a permanent cure." Druggists. d18-1weod&w

How to Secure Health.

It seems strange that any one will suffer from the many derangements brought on by an impure condition of the blood, when SCOVILL'S SARSAPARILLA AND BUCHUPAIBA, or BLOOD AND LIVER SYRUP will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best BLOOD PURIFIER ever discovered, effectually curing Scrofula, Syphilitic disorders, Weakness of the Kidneys, Erysipelas, Malaria; all nervous disorders and debility, bilious complaints and all diseases indicating an impure condition of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for IT ACTS LIKE A CHARM, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

ALLEN'S PAIN PANACEA cures a pain in man and beast. For use externally and internally.

SECOND EDITION.

FRIDAY EVENING, DEC. 21, 1883.

ACCIDENT AND FIRE.

SOME SAD MISHAPS OF THE WINTER.

Fire in Ward's Lunatic Asylum, New York —Very Serious Railroad Wrecks—Considerable Loss of Property and Life.

NEW YORK, Dec. 21.—A dispatch to police headquarters states that one of the wings of the lunatic asylum on Ward's Island is in flames. The police boat and police reserves were ordered to the scene, and also the two fire boats and fire engines from this city.

A dispatch received at police headquarters says: "Firemen have succeeded in getting the flames under control. No lives have been lost."

There were 1,320 male patients in the building. The fire caused great excitement among them, but they were all removed to places of safety, and no person was injured. The east wing was completely destroyed, causing a loss of about $25,000.

Serious Railroad Accident.

BURLINGTON, Iowa, Dec. 21.—A passenger train on the Chicago, Burlington & Quincy railroad, ran into the rear end of another passenger train at Gladstone, Ills., last evening, telescoping a Pullman car, which took fire and was destroyed. Rich-Somers, superintendent of the dining car service of the road was instantly killed and burned almost beyond recognition. Six passengers were injured but it is thought not fatally. Two coaches were consumed.

Wreck on a Bridge.

PORT JERVIS, N. Y., Dec. 21.—Two freight trains collided on a bridge across the Lackawaxen river at Lackawaxen, Pa., this morning. The caboose and two cars were thrown on top of an engine and caught fire. Three oil cars were thrown into the river in flames and two more burned on the bridge. The track will be cleared for trains this afternoon. The bridge was badly damaged.

Lucheran Church Burned.

ROCHESTER, Pa., Dec. 21.—The Lutheran church here, was destroyed by fire early this morning. Loss, $10,000. Cause of fire unknown.

ATTEMPT AT ROBBERY.

Three Men Accused of the Deed.

PHILADELPHIA, Dec. 21.—Three men who gave the names of Joseph Good, John Adel and Henry Brown, were arrested last night in a saloon in the upper part of the city on suspicion of being the parties who attempted to rob the farm house of Josiah Heckler, near Mainland, Montgomery county, on Tuesday evening last.

On the evening in question three masked men entered the room, where the Heckler family were at supper and with pointed revolvers were about to rob the house when a member of the family, in the confusion which prevailed, managed to escape from the room and give the alarm, where upon the robbers fled.

The men were arraigned to-day before a magistrate, and being positively identified by persons who were in the house at the time were committed in default of $5,000 bail each for trial in Montgomery county.

Cable Flashes.

Fourteen thousand cotton operatives in North and East Lancashire, England, are idle in consequence of the strike.

The Republican journals at Rome yesterday appeared with black borders, in memory of Overdank, the bomb maker, who was hanged a year ago in Triest.

The jury in the case of the Glasgow dynamiters at Edinburg retired at 12:40 o'clock to day and returned at 3 o'clock with a verdict that five of the prisoners were guilty of all the charges and five were guilty of the first charge only. Five were sentenced to penal servitude for life and the remaining five to seven years penal servitude.

Opposition to Lottery Dealings.

NEW ORLEANS, Dec. 21.—The Democratic state convention at Baton Rouge yesterday, declared hostility against lottery dealings, and resolutions were adopted demanding that the Legislature to be chosen at the ensuing election shall enact measures for the suppression of all lotteries. The resolutions declare that lotteries are not only inciting breaches of faith and embezzlement, but are demoralizing society and corrupting politics.
