MEDICAL.

WHEELER'S REMEDIES.

SENSIBLE MEN

and Women know ere this that of the many diseases and derangements of the body each has a separate cause or origin, and that each needs a different method of treatment in order to effect a cure, and a moment's reflection must convince that any of the quack nostrums foisted upon the public claiming to cure all of a number of diametrically different diseases must prove failures, even if we do not call them humbugs.

POOR PEOPLE

and people of moderate means, and even people well-to-do or wealthy, find that the enormous charges of practising physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that in fact they have thrown their money away. To overcome these evils we offer *Wheeler's No. 96 Sure Remedies* to the sick and suffering *one Remedy* for each disease, without for a moment claiming that one remedy will cure any other disease than the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to *refund the money* paid in every instance where a cure is not positively effected. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which they are prescribed.

RHEUMATISM,

Gout, Lameness of Joints, Sciatica and Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 96 Rheumatic Remedy. We say boldly that in the worst of cases of no matter how *long standing*, how *serious*, or how *painful*, we can not only give relief but *positively cure* for all time. Failing to do this we will positively refund the money paid for the treatment, and if your sufferings are not positively stopped for all time you have not thrown your money away as you would on any other than these guaranteed remedies. The price of Wheeler's No. 96 Rheumatic Remedy is only 50 cents, obtainable from any druggists, or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN.

Many a lady, endowed by nature with a pretty face, beautiful figure, faultless complexion, as well as the sweetest of tempers and faultless mental qualities grows prematurely old, gray and wrinkled, her form loses its perfect contour, the complexion becomes sallow, the brightness leaves the eye, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous fractiousness makes life a burden, things that once were trifles worry her until life becomes unbearable. All this being caused by the physical derangements so common to women, which the innate modesty of feminine nature prevents their making known, and of which the *ignorance* of the medical profession prevents a cure. *Lady Reader, pause* and consider, 'tis a duty you owe yourself, your family and your God, that you should cure yourself of these troubles and once more feel the glow of perfect health and girlhood that nature intended for you. *Wheeler's No. 96 Prescriptions* are pleasant and palatable to take, contain nothing of an injurious nature, and may be taken by all ages, at all times and in all conditions, *without possibility of ill effects*, and will positively cure any of the peculiar diseases to which females are subject. Failing to prove a perfect cure, the proprietors will *refund the money* paid for the treatment. *If you have a sallow complexion*, constant or intermittant headache, backache, restlessness, loss of appetite, suppressions of monthly flow, or irregularities thereof accompanied by headaches, nervousness, hysteria and similar symptoms, *Wheeler's No. 96 Prescription" B"* will positively restore you to health. If you have a sensation of heat and throbbing in the back, frequent fainting spells, Leucorrhea or white discharge, painful or scalding sensation in urinating, reddish or white deposit in urine, hot and dry skin, *Wheeler's No. 96 Prescription "C"* will give immediate and lasting relief. The price of Wheeler' No. 96 Prescriptions "B" and "C" are 50 cents each, obtainable from druggists or sent by mail secure from observation post paid on receipt of price. Postage stamps taken.

CATARRH.

It is needless to describe the symptoms of this nauseous disease that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the poisonous nasal discharges, the foul breath and general weakness, debility and languor, aside from the acute sufferings of this disease, which if not checked can only end in *loss of palate, weakened sight, loss of memory, deafness, and premature death* if not checked before it is too late. Labor, study and research in America, Europe and Eastern Lands have resulted in *Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh*, a remedy which contains no harmful ingredients, and that is guaranteed to cure every case of acute or chronic Catarrh or money refunded. *Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh* will cure every case of catarrh, hay fever or asthma, price $1.00 per package, from druggists, or sent by mail postpaid on receipt of price.

Wheeler's No. 96 Sure Cure for Kidney and Liver Troubles cures all weakness and soreness of kidneys, inflammation of kidneys or liver, price $1.00.

Wheeler's Vegetable Pills is the only remedy that cures constipation, giving natural action of the bowels without purging, griping or pain. Price 25 cents, of druggists or by mail

Wheeler's Nervine Tonic for mental depression, loss of manhood, languor, weakness or over taxation of the brain is invaluable, price 25 cents.

WE GUARANTEE

Cures in every case or will refund the money paid. We place our price on these remedies at less than one-twentieth of the price asked by others for remedies upon which you take all the chances, and *we specially invite* the patronage of the many persons who have tried other remedies without effect or depleted their purses by paying doctor bills that benefitted them not.

HOW TO OBTAIN

These remedies. Go to your druggist and ask for them. If they have not got them, write at once to the proprietors, enclosing the price in money or stamps, and they will be sent you at once by mail postpaid. Correspondence solicited. Address plainly,

RHEUMATIC SYRUP.

A Limb Saved

And a Family Made Happy.

Mr. Philip Moore, of West Webster, Monroe County, N. Y., says: "My daughter, now eighteen years old, has, for the past eighteen months, been afflicted with rheumatism in a very severe form. One year ago it settled in the knee, since which time she has been unable to touch her foot to the floor or move her limb without suffering the most excruciating pain. Her limb was fast growing out of shape, although we were doing for her all we could, having used all the remedies we could hear of and that were recommended for rheumatism, none of which benefitted her in the least. Her case was pronounced incurable by the physician and by our neighbors, and all believed that she would be a cripple all her days, and that her limb would never be restored to its original shape. But I am happy to say that to-day my daughter is entirely free from all rheumatic pains, and that she can walk with perfect ease, having thrown aside her crutches, and her limb seems as strong and perfect as ever; all from the use of your wonderful medicine "Rheumatic Syrup," which we consider one of the best medicines ever introduced for purifying the blood, and I only regret that all others who are afflicted with rheumatism can not know of its superior merits. You are at liberty to use my name if it will do you any good, and I shall be only too glad to tell any and everyone what it has done for my daughter."

NATIONAL LAW MAKERS.

FACTS ABOUT MEMBERS OF CONGRESS.

A Young Pennsylvania's Honor—Those Who Were Not Born In the United States—Interesting Particulars.

The following curious facts from the "Congressional Directory" are published by the Washington *Evening Star*: Of the twenty six senators who were sworn in at the beginning of the present session, only twelve are new to that body. The other fourteen were simply continued in the senatorial harness by reelection. Mr. Morrill remains the patriarch of the Senate though his colleague, Mr. Edmunds, looks older and is invariably taken for the oldest member of the body. Mr. Kenna, of West Virginia, is the junior member, and is, perhaps, the youngest member who ever attained the dignified and exalted position of senator. When elected he was not thirty-five years of age.

Senator Anthony ranks all others in point of service, having now entered upon his fifth term. Senator Edmunds has been reelected three times, and Messrs Bayard, Saulsbury, Ransom and Morrill have each been twice reelected. Kentucky furnishes more sons to the present Senate than any other state. Eight native Kentuckians are now members of that body; Ohio comes next with seven; while New York has six; Georgia, Tennessee, Virginia and Pennsylvania, each four; Maine, Maryland, New Hampshire, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont and Virginia have native sons in the Senate.

Three natives of Ireland (Messrs. Jones, of Florida; Farr and Sewell), one of Scotland (Beck), and one of England, (Jones, of Nevada), are senators. Ohio furnishes two senators for Indiana and two for Iowa, the four gentlemen representing these states having been born in the Buckeye state.

The House of Representatives contains twenty adopted citizens. Messrs. Finerty Cullom, Lowry, Collins, McAdoo, Barr, Davis, of Massachusetts, and Robinson, New York, were born in Ireland. Messrs Morse, Breitung, Muller, Deuster and Guenther are German. Crisp and Springer are English born. Hardy, Buchanan and Henderson first saw the light in Scotland. Mr. Nelson is a Norwegian, and Stephenson was born in New Brunswick.

The oldest member of the House is Mr. Wait, of Connecticut; the youngest member is Mr. Post, of Pennsylvania, who is a Democrat. The only native of Washington in Congress is Mr. Gilbert M. Woodward, of Wisconsin, who was born in that city in 1835. The states of Connecticut, Delaware, Maine, Maryland, Rhode Island, South Carolina, Tennessee and Vermont sent solid delegations, senators and representatives, of native born citizens. In the House there are thirty-five native sons of New York, thirty three of Pennsylvania, thirty one of Ohio, and next come Kentucky and Virginia with seventeen each, Massachusetts and Tennessee next with thirteen each, North Carolina next with twelve.

Of the entire Arkansas delegation in both Houses, but a single member was born in the state. Only two of the entire Mississippi delegation are natives of that state, but she gets even by having sons in in the Arkansas, Missouri and California delegations. Of the 101 members of Congress 267 are lawyers, though several of this number have practically abandoned the law for other pursuits.

A LONG LOST DAUGHTER FOUND.

Anna Emeck Discovered After Serving as a Variety Actress.

At Steubenville, Ohio, a man named Emeck arrived Saturday in search of his daughter, Anna, who left her home, in Hollidaysburg, six months ago. He showed Mayor McConville a photograph of the girl, who immediately recognized her as one of the members of Ida Cerito's female minstrel troupe, which stranded there a few days ago. Mr. Emeck said his daughter was only sixteen years old. Officer Winning was dispatched in search of her and found her in a boarding house. She was taken to the mayor's office, and shortly after left for home with her father. She said she was induced to join the female minstrels by a youth named Charley Fox, in Philadelphia. It is said Fox had betrayed the girl, who is very beautiful, and then abandoned her at Wheeling.

CRIME AND CASUALTY.

Recent Losses of Life and Property.

A fire in the building Nos. 119 and 121 Monroe street, Chicago, caused a loss of $200,000. The building was filled with printing, lithographing and similar establishments. Nine stores in the Montauk block, adjoining, owned by B. F. Brooks estate, of Boston, was damaged to the extent of $125,000 by water.

In Jamestown, Dakota, a fire in the Northwestern hotel, before it was extinguished, extended to and destroyed the entire block facing the railroad. The total loss is placed at $100,000, with insurances for about two thirds that amount. The servants of the hotel had barely time to escape in their night dresses. The thermometer marked 20 degrees below zero.

The new house of Charles E. Styles, agent of the Missouri Pacific railroad at Atchison, Kan., was burned on Saturday night, and his wife and child perished in the flames. Mr. Styles was himself severely burned. The fire is supposed to have been caused by the explosion of a gasoline machine in the cellar.

The Rye Beach hotel, at Rye, Winchester county, New York, was burned on Friday night. Loss, $30,000.—Two stores and a dwelling in Tiptonville, Tenn., were burned. Loss, $28,000.—A fire at Oxford, Ala., damaged five stores, causing a loss estimated at $25,000.

The ship Edward, from Harve, at New York yesterday, reports that in latitude 37.35, longitude 12, she fell in with a burning vessel, the name of which was distinguished as the "Florio Toledo," of Genoa. No living being was on board.

The steamer Carrier sunk at the head of Little Hurricane island, in Lake Erie, after striking shore in a thick fog. One deck hand and two deck passengers were drowned.

A stage coach was stopped by highwaymen near San Angela Texas, on Saturday night and nine passengers, all members of a variety troupe, were robbed of $400. The mails were not touched.

The wire manufactory of the Lambert & Bishop wire fence company in Joliet, Illinois, was burned on Saturday night. Loss, $225,000.

The Court of Judge Lynch.

At Yazoo City, Mississippi, on Saturday night, two hundred armed men went to the jail where the colored men charged with being the murderers of the Posey brothers and Nicholls were confined. W. L. Foote, one of the prisoners, resisted and was shot dead in the cell. Robert Swayne, Micajah Parker and Richard Gibbs were taken out of their cells and lynched.

While Sheriff Thompson and Jailor Williams were visiting the cells in the jail at Walla Walla, Washington territory, on Friday night, they were attacked by Elfus and Owen, condemned murderers, and knocked senseless with bricks which the convicts had secreted. The jailor showing signs of recovery, the murderers hacked him to pieces with a knife and then escaped.

A Series of Casualties.

Elias Kroll, a miner, was seriously burned by an explosion of sulphur in the Cameron colliery. Mine Inspector Ryan, upon examination, found that the mine was poorly ventilated, and brought suit against the colliery officials for violating the mine law relative to the proper ventilation of mines.

Three men were buried under an embankment at Principio furnace, in Cecil county, Maryland, on Saturday morning, and one of them was killed, the others being severely injured.

There were three casualties, one of them fatal, at the Warren street crossing of the Pennsylvania railroad in Jersey City, on Saturday morning. The man who was killed attempted to get on a moving train.

The three months old infant of a woman named Moileau was frozen to death in bed by its mother's side at La Langue, Quebec, on Saturday morning. The father was away in search of firewood.

Crime at Catawissa.

Adam Hartline, a peddler, was stopped by highwaymen on the road between Catawissa and Mainville, Friday last, and robber of $350 and some jewelry. Soon after, two other men asked permission to ride in his sleigh. Being refused, one of them drew a revolver and fired twice at Hartline, inflicting mortal wounds.

During a dance at Bringler's tavern, 24 miles from Catawissa, a fight arose, in which Ellwood Strausser was fatally stabbed by Matthew Cope; Henry Snyder also received a fatal stab, and Benson Irwin and Mary Auman were wounded by pistol balls. Cope and four others were arrested.

Hungarians Threatened With Dynamite.

At Mount Pleasant, President Barkley, of the miners' association, says that the feeling that the Hungarians must go is gaining in strength and bitterness. The members of the association are now urging dynamite as a last measure, if Congress does not give or assure relief before spring. A petition is being circulated by the members of the Knights of Labor denouncing the employment of Hungarians in the coal mines. Over 5,000 miners signed this petition.

The Chinaman Cannot Land.

The secretary of the treasury has decided in the case of the Chinaman who was brought to New York on the ship Resolute that he cannot be landed in the United States, but may be transferred to any other vessel which may be going to a foreign country.

An exchange remarks that, "the best teachers are those who learn something new themselves every day," so we announce this day that several thousand important cures have been made by the use of Dr. Bull's Cough Syrup.

SHERIFF'S REPORT.

Under date of May 16, 1883, Mr. Isaiah Cook, formerly sheriff of Skowhegan, Me., writes as follows: "I have been afflicted for over twenty (2.) years with a weakness of the kidneys and liver, and have had severe pains in the back and sides, which were brought upon me in the first place by exposure during my stay in California during the early settlement of the land of gold. At times my water troubled me very much, and after trying many different means without receiving any benefit, I was induced to try Hunt's Remedy, although I was much prejudiced against it and all other medicines. I purchased a bottle at Cushing's drug store, here in Skowhegan, and I found that the first bottle relieved all pains in the back and sides; and I have, in my family, used five bottles in all, and have found it a medicine of real merit and of great value, and have gladly recommended it to many of my friends and neighbors, who universally praise it in high terms. You are at liberty to use my name for the benefit of suffering humanity."

TIMELY ADVICE.

I have been troubled with kidney disease and gravel for a long time, with severe pains in my limbs and back, with inflammation of bladder. My sufferings were terrible. I tried several physicians, all to no purpose—I found that I was growing very feeble, I was discouraged, and lost faith in physicians and medicine, when a friend from Malden, who had been cured by Hunt's Remedy of gravel and liver complaint, recommended it to me, and from the first bottle I commenced to improve, and three bottles have entirely cured me, and I heartily thank my friend for his timely advice, to use Hunt's Remedy, for all the pains have gone from my back, and I am in excellent condition, and I feel that a word from me may be the means of saving some friend that may be suffering as I did, before taking Hunt's Remedy, the best kidney and liver cure.

HORSE RAILROAD MEN.

Having occasion to use a medicine for general debility in my family, I was recommended by a friend to use Hunt's Remedy, as that was being used with great success all over the country. We have used one bottle with marked benefit, and find it just as represented, and a medicine of great value, and I cheerfully add my testimony in praise of Hunt's Remedy.

SYMPTOMS OF A DISEASED LIVER.

Bad breath; Pain in the Side, sometimes the pain is felt under the Shoulder-blade, mistaken for Rheumatism; general loss of appetite Bowels generally costive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of leaving undone something which ought to have been done; a slight, dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous easily startled; cold feet or burning, sometimes a prickly sensation of the skin exists; spirits are low and despondent, and although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet examination after death has shown the liver to have been extensively deranged. It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons traveling, or living in unhealthy localities, by taking a dose occasionally to keep the Liver in healthy action, will avoid all Malaria, Bilious attacks, Dizziness, Nausea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is no intoxicating beverage.

If you have eaten anything hard of digestion, or feel heavy after meals, or sleepless at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For, whatever the ailment may be a thoroughly safe purgative, alterative and tonic can never be out of place. The remedy is harmless and does not interfere with business or pleasure.

IT IS PURELY VEGETABLE,

And has all the power and efficacy of Calomel or Quinine, without any of the injurious after effects,

A GOVERNOR'S TESTIMONY.

Simmons Liver Regulator has been in use in my family for some time and I am satisfied it is a valuable addition to the medical science.

J. GILL SHORTER.
Governor of Alabama.

Hon. Alexander H. Stephens, of Ga., says Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

"The only Thing that never fails to Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

P. M. JANNEY,
Minneapolis, Minn.

Dr. T. W. Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.
