Around Chestnut Level and Vicinity.
Christian Ressler has sold the John Welsh farm of 35 acres at Chestnut Level to John Mayer for \$3,500.

Mr. Christopher Minnich, of this township, and Mrs. Mary Price, formerly of Fulton; Mr. Benjamin Ellis, of York county, and Miss Amelia Brown, of Fulton the Amelia Brown, of Fulton to Christmas. ton township, were married on Christmas. The "boarding house," on the old academy grounds, took fire lately from a defective flue; but it was extinguished

before any serious damage was done.

Mr. Henry Weidley bought a turkey for
Christmas and found a five cent nickel in its gizzard. The coin was worn away about one-third by the assiduous endeav-

ors of the turkey to digest it.

A well disposed colored man, in the employ of P. W. Honsekeeper, and faithful in the service of Mr. H's family for years manifested signs of insanity a few days before Christmas. He saw visions and dreamed dreams, but lay quiet in bed, carefully attended, until last Wednesday morning about seven o'clock, when he jumped from the attic window, a dis tapoe of at least 25 feet, ran about five yards forced an outside door in. Then ran again up to the attic, where Mr. Housekeeper, and a neighbor, Mr. Weidley tried to get him to bed ; but he gave them the slip, ran down stairs and out to the road, in only his night dress, over to a neighboring stable, and crept under the manger, where some of the neighbors found hin and took him back. After put ting on dry clothing they watched him until arrangments could be made no have him removed to the hospital.

A rather cynical lady, somewhat of a firt, says most men, like colds, are very castly caught, but difficult to get rid of. Her mistake is apparent. Dr. Buil's Cough Syrup will cure any cold however stubborn it may be. Price 25 cents.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen and christian minister of the M. E. church, just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owern fives to shiften's Consumption Cure." A Limb Saved

And a Family Made Happy.

Mr. Philip Moore, of West Webster, Monroe County, N. Y., says: My daughter, now eighteen years old, has, for the past eighteen months, ben afflicted with rheumatism in a has, for the past eighteen months, ben afflicted with rheimatism in a very severe form. One year ago it settled in the knee, since which time she has been unable to touch her toot to the floor or move her limb without suffering the most excruciating pain. Her limb was fast growing out of shape, although we were doing for herall we could, having used all the remedies we could hear of sent that were recommended for rheamatism, none of which bentited her in the least. Her case was pronounced incurable by the physician and by our neighbors, and all believed that she would be a cripple all her days, and that her limb would never be restored to its original shape. But I am happy to say that to-slay my daughter is entirely free from all rheumatic pains, and that from all rheumatic pains, and that she can walk with perfect case, hav-ing thrown aside her crutches, and her limb seems as strong and per fect as ever; all from the use of your wonderful medicine "then feet as ever; all from the use of your wonderful medicine "then matic Syrup," which we consider one of the best medicines ever introduced for purifying the blood, and I only regret that all others who are afflicted with recumatism can not know of its superior merits. You are at liberty to use my name if it will do you any good, and I shall be only too gheliotell any and everyone what it has done for my daughter."

SAMARITAN NERVINE.

"YOU CLAIM TOO MUCH for SAWARITAN NERVISE," says a skeptic. "How can one medicine be a specific for EPILEPSY, DYSPEP, SIA. ALCOHOLISM, OPIUM EATING, RHEUMATISM, SPERMATORRHAL, or SEMINAL WEAKNESS and fifty other complaints?" We claim it a specific, simply because the virus of all diseases arises from the blood. Its Nervine, Resolvent, Alterative, and Laxative properties meet all the conditions herein referred to, It's known world wide as

THE GREAT Nerve Conqueror.

It quiets and composes the patient—not by the introduction of opiates and drastic catharties, but by the restoration of activity to the stomach and nervous system, whereby the brain is reitered of morbid fancies, which are created by the causes above referred to.

To clergymen, Lawyers, Literary Men, Merchauts, Bankers, Ladles, and all those whose sedentary employment causes nervous prostration, irregularities of the blood, stomach, bowels or khineys, or who require a nerve tonic, appetizer or stimulant, SAMARITAN NERVINE is invaluable. Very marked reductions have been made in the ten thousand and one every-day and useful articles in Housekeeping and Housefurnishing Departments. Striking reductions in Fine Furniture. Bags, Satchels, Trunks, have had something knocked off the prices. Upholstery, Piano and Table Covers share the same fate. Fancy Goods, Brass and Bronzes, etc., are much lower. Books-we have lots that we would rather have their room than company; the prices will tell the story.
