LEAFY SWEET SENTIMENT. What in life is half so sweet as the hour when lovers meet? -Nosis, 170 B. C.

Oh, the years I lost before I knew you, love! Oh, the hills I climbed and came not to you, love!

Not from the whole wide world I choose thee, sweetest, light of the land and the sea! The wide, wide world could not inclose thee, For thou art the whole wide world to me.

A minister, in Lowell, Mass., has been obliged to give up preaching on account of trouble in his throat. It is reported that he had taken Dr. Bull's Cough Syrup, but would still have been a useful member of his profession.

A Pencil Card From Mrs. Dennis Smith, Louisville, Ky., says: "For blood impurities, Barksell's Blood Bitters seem particularly adapted. Never before has my complexion so clear. Use all the time." For sale by H. B. Cochran druggist, 127 and 129 North Queen Street.

The greatest contagion destroyer ever known is Darys Proprietary Fluid. It prevents Small Pox.

Price, 75 cents. Sold by H. B. Cochran, 127 and 129 North Queen Street, Lancaster.

A Good Taster On the stage or platform, in society or at home, must not only possess wealth but a clear, strong voice. Catechin, or a severe cold, is almost certain to injure the voice. But these complaints may be completely eradicated with a few applications of Thomas' Electric Oil, unrivaled in its specialties. For sale by H. B. Cochran, druggist, 127 and 129 North Queen Street.

HOSTETTER'S CELEBRATED STOMACH BITTERS

The necessity for prompt and efficient household remedies is daily growing more imperative, and of these Hostetter's Stomach Bitters is the chief in merit and the most popular. Irregularity of the stomach and bowels, malassimilation, liver complaint, debility, rheumatism and neuralgic affections, are thoroughly conquered by this incomparable family restorative and medicinal safeguard, and it is justly regarded as the purest and most comprehensive remedy of its class. For sale by all Druggists and Dealers generally.

A Limb Saved And a Family Made Happy. Mr. Philip Moore, of West Webster, Monroe County, N. Y., says: "My daughter, now eighteen years old, has for the past eighteen months been afflicted with rheumatism in a very severe form. One year ago it settled in the knee, since which time she has been unable to touch her foot to the floor or move her limb without suffering the most excruciating pain. Her limb was fast growing out of shape, although we were doing all the remedies we could hear of and that were recommended for rheumatism, none of which benefited her in the least. Her case was pronounced incurable by the physician and by our neighbors, and all believed that she would be a cripple all her days, and that her limb would never be restored to its original shape. But I am happy to say that to-day my daughter is entirely free from all rheumatic pains, and that she can walk with perfect ease, having thrown aside her crutches, and her limb seems as good as new, and as free as ever; all from the use of your wonderful medicine 'Rheumatic Syrup,' which we consider one of the best medicines ever introduced for purifying the blood, and I can truly say that all others who are afflicted with rheumatism can not know the superior merits. You are at liberty to use my name if it will do you any good, and I shall be only too glad to tell to everyone what it has done for my daughter."

ALL ABOUT BEING DOWN. The snow came down, and in its purity looked as soft and fleecy as down. The boys all came down with their sleighs and down go the girls to the jingle of the merry bells. Many people have been down on the slippery sidewalks, and consequently feel rather down in the mouth. We have also come down very considerably in the prices of our stock of Winter Caps, Gloves, Fur Collars, Seal Caps, etc. No one need go about shivering with the cold because we have warm comfort giving articles at reduced prices to meet the possibilities of the most limited pocket-book. Come down to our store and get down to a real bargain.

A GREAT REDUCTION SALE! organized by JOHN WANAMAKER, personally,

at his principal establishment, Thirteenth Street, Commencing Wednesday, January 2, 1884.

Particulars. Always careful to avoid all sensations in this business, and not having such a sale in six years as now projected, we put plainly before the people all the points of the sale, taking the people fully and fairly into our confidence, desiring that every lady in Pennsylvania, New Jersey and Maryland should fully understand all about it, and make the most of the golden opportunity.

1. Object of the Sale. To make certain important changes in our business, with a view of further extending and improving it.

2. Character of Goods. The full regular stock of forty-six distinct departments, gathered with utmost care by skilled buyers for the purpose of building up and maintaining permanent trade. Not out of date, damaged or imperfect goods, but the very best of all classes of goods—indeed, we keep no other at any season. This is a sale, not of broken stock, but of the kinds and qualities of goods always wanted.

3. Extent. To the value of \$1,500,000, if the people are willing. This amount is now here and ready in our warehouses and store-rooms.

4. Explanation. When the severest cut of prices occurs, it is not from any fault in the goods, but because of somebody's oversight in letting away the stock, so that it has escaped notice, and remains unsold.
