MEDICAL.

WHEELER'S REMEDIES.

SENSIBLE MEN

and Women know ere this that of the many diseases and derangements of the body each has a separate cause or origin, and that each needs a different method of treatment in order to effect a cure, and a moment's reflection must convince that any of the quack nostrums foisted upon the public claiming to cure all of a number of diametrically different diseases must prove failures, even if we do not call them humbugs.

POOR PEOPLE

and people of moderate means, and even people well-to-do or wealthy, find that the *enormous charges* of practising physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that in fact they have thrown their money away. To overcome these evils we offer *Wheeler's No. 96 Sure Remedies* to the sick and suffering *one Remedy* for each disease, without for a moment claiming that one remedy will cure any other disease than the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to *refund the money* paid in every instance where a cure is not positively effected. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which they are prescribed.

RHEUMATISM,

Gout, Lameness of Joints, Sciatica and Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 96 Rheumatic Remedy. We say boldly that in the worst of cases of no matter how *long standing*, how *serious*, or how *painful*, we can not only give relief but *positively cure* for all time. Failing to do this we will positively refund the money paid for the treatment, and if your sufferings are not positively stopped for all time you have not thrown your money away as you would on any other than these guaranteed remedies. The price of Wheeler's No. 96 Rheumatic Remedy is only 50 cents, obtainable from any druggists, or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN.

Many a lady, endowed by nature with a pretty face, beautiful figure, faultless complexion, as well as the sweetest of tempers and faultless mental qualities grows prematurely old, turns gray and wrinkled, her form loses its perfect contour, the complexion becomes sallow, the brightness leaves the eye, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous tractiousness makes life a burden, things that once were trifles worry her until life becomes unbearable. All this being caused by the physical derangements so common to women, which the innate modesty of feminine nature prevents their making known, and of which the *ignorance* of the medical profession prevents a cure. *Lady Reader, pause* and consider, "its a duty you owe yourself, your family and your God, that you should cure yourself of these troubles and once more feel the glow of perfect health and spirits that nature intended for you. *Wheeler's No. 96 Prescriptions* are pleasant and palatable to take, contain nothing of an injurious nature, and may be taken by all ages, at all times and in all conditions, *without possibility of ill effects*, and will positively cure any of the peculiar diseases to which females are subject. Failing to produce a perfect cure the proprietors will *refund the money* paid for the treatment. *If you have a sallow complexion*, constant or intermittant headache, backache, restlessness, loss of appetite, suppressions of monthly flow, or irregularities thereof accompanied by headaches, nervousness, hysteria and similar symptoms, *Wheeler's No. 96 Prescription "B"* will positively restore you to health. If you have a sensation of heat and throbbing in the back, frequent fainting spells, Leucorrhea or white discharge, painful or scalding sensation in urinating, reddish or white deposit in urine, hot and dry skin, *Wheeler's No. 96 Prescription "C"* will give immediate and lasting relief. The price of Wheeler' No. 96 Prescriptions "B" and "C" are 50 cents each, obtainable from druggists or sent by mail secure from observation post paid on receipt of price. Postage stamps taken.

CATARRH.

It is needless to describe the symptoms of this nauseous disease that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the poisonous nasal discharges, the fetid breath and general weakness, debility and languor, aside from the acute sufferings of this disease, which if not checked can only end in *loss of palate, weakened sight, loss of memory, deafness, and premature death* if not checked before it is too late. Labor, study and research in America, Europe and Eastern Lands have resulted in *Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh*, a remedy which contains no harmful ingredients, and that is guaranteed to cure every case of acute or chronic Catarrh or money refunded. *Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh* will cure every case of catarrh, hay fever or asthma, price $1.00 per package, from druggists, or sent by mail postpaid on receipt of price.

Wheeler's No. 96 Sure Cure for Kidney and Liver Troubles cures all weakness and soreness of kidneys, inflammation of kidneys or liver, price $1.00.

Wheeler's Vegetable Pills is the only remedy that cures constipation, giving natural action of the bowels without physicing, purging, griping or pain. Price 25 cents, of druggists or by mail.

Wheeler's Nervine Tonic for mental depression, loss of manhood, languor, weakness or over taxation of the brain is invaluable, price 25 cents.

WE GUARANTEE

Cures in every case or will refund the money paid. We place our price on these remedies at less than one-twentieth of the price asked by others for remedies upon which you take all the chances, and *we specially invite* the patronage of the many persons who have tried other remedies without effect or depleted their purses by paying doctor bills that benefitted them not.

HOW TO OBTAIN

These remedies. Go to your druggist and ask for them. If they have not got them, write at once to the proprietors, enclosing the price in money or stamps, and they will be sent you at once by mail postpaid. Correspondence solicited. Address plainly,

RHEUMATIC SYRUP.

A Limb Saved

And a Family Made Happy.

Mr. Philip Moore, of West Webster, Monroe County, N. Y., says: "My daughter, now eighteen years old, has, for the past eighteen months, ben afflicted with rheumatism in a very severe form. One year ago it settled in the knee, since which time she has been unable to touch her foot to the floor or to move her limb without suffering the most excruciating pain. Her limb was fast growing out of shape, although we were doing for her all we could, having used all the remedies we could hear of and that were recommended for rheumatism, none of which benefited her in the least. Her case was pronounced incurable by the physician and by our neighbors, and all believed that she would be a cripple all her days, and that her limb would never be restored to its original shape. But I am happy to say that to-day my daughter is entirely free from all rheumatic pains, and that she can walk with perfect ease, having thrown aside her crutches, and her limb seems as strong and perfect as ever; all from the use of your wonderful medicine "Rheumatic Syrup," which we consider one of the best medicines ever introduced for purifying the blood, and I only regret that all others who are afflicted with rheumatism can not know of its superior merits. You are at liberty to use my name if it will do you any good, and I shall be only too glad to tell any and everyone what it has done for my daughter."

FELL FROM GRACE.

TWO TRUSTED OFFICIALS RUINED.

A Chicago Exchange Clerk and a Kentucky Bank Cashier Spending Other People's Money.

About Christmas a detective agency, of Chicago received a telegram from Sperry & Barnes, of New York, the American agents of the Liverpool commission house of Bamford Brothers, that their exchange clerk, E. H. Kobbe, had absconded after forging and converting to his own use $100,000 in exchange. The agency at once went to work upon the case, and soon discovered Kobbe was in Chicago in company with a man named John R. Vanarsdale, and that they were spending money very freely.

While the case was being worked up Vanarsdale returned to New York, where he was arrested. Last Friday Kobbe was arrested secretly when on the point of starting for Mexico. Four hundred dollars in money was found in his possession, and $1,200 worth of furs and silks, which he had lavished on a woman, were also taken possession of. It appears that Kobbe forged bills of exchange on Bamford Brothers, which were readily disposed of to Jesup, Pattin & Co., he being recognized as the exchange clerk of the firm, and had the checks made payable to his own personal order instead of that of the firm. He opened an account with another bank, collected the amount of Jesup, Pattin & Co.'s checks, invested the money in government bonds and absconded.

He was taken to New York the same day he was arrested, and last Sunday took the detectives to the upper part of New York, where they recovered from a dry cistern, encased in an hermetically sealed drain pipe and wrapped in oil silk, government bonds to the amount of $20,000 Going thence to Brooklyn another piece of drain pipe yielded $20,000. It is not known yet whether any more of the money has been recovered. Kobbe is well connected and once occupied a responsible position with the Inman line, and his brother is now chief clerk in that office.

GONE WRONG.

A Trusted Bank Official Absconds Leaving a Shortage of $40,000.

James A. Wallace, for some years cashier of the bank of Hopkinsville, Ky., has absconded, leaving a defalcation of between forty and fifty thousand dollars in his accounts. He is forty-five years old, and was formerly United States collector of the Second Kentucky district and has been connected with other banks. He moved in the highest social circles of the state, was well connected and leaves a wife and four grown up children in ignorance of his whereabouts. He was deacon in the Cumberland Presbyterian church, and highly esteemed in business affairs for his simple, steady habits and quiet demeanor. A casual examination of accounts shows a shortness of $40,000. Wallace left Hopkinsville Tuesday, after having adjusted the time lock of the bank safe to open just about the same hour. He went South and is presumed to be making for Texas and Mexico. The police are making every exertion to capture him. The robbed bank was the largest in the place, had a capital of $250,000, with a surplus this year of $60,000. The directors announce that the bank is solvent and can stand the loss, as much of it is secured by Wallace's bondsmen. It said that Wallace lost money in bucket shop speculation, of which there has been a great deal here. The sensation in society circles is tremendous, owing to Wallace's high religious standing.

FIRE DAMP EXPLOSION.

Twelve Men Imprisoned in a Scranton Colliery.

The residents in the vicinity of Oxford colliery, Hyde Park, a thickly settled portion of Scranton, were startled Thursday afternoon by an awful shock like the crashing of a thunderbolt, which shook their houses and spread terror through the neighborhood. The air shaft, a structure of stout timbers, which stood a short distance from the Main street, was scattered in fragments as if struck by lightning, and the havoc was repeated in the hoisting shaft, where a coal car was flung like a toy from the landing, where two men were about to step on it, to the top of the tower, tearing irons and timbers apart in its wild career.

Then the terrible truth dawned on the people that there had been an explosion of fire damp in the mine and that the external signs were but trifles as compared with the scene which must have taken place under ground. It was known that twelve men were in the mine making repairs.

Crowds of men women and children rushed to the mouth of the shaft, and the relatives of the men in the colliery were in intense distress. A relief gang was promptly organized to carry assistance down the shaft, and returned shortly with the entire party, consisting of John Hopkins, Michael Hughes, John Jones, Wm. Morgan, Wm. Evans, David Davis, Henry Lloyd, Daniel Edwards, James Lyshon, Chas. Jones, Patrick Feeney and Thos. Williams. Hopkins was so badly injured that his death is expected, and Hughes, John Jones and Wm. Morgan are suffering from a number of cuts and bruises inflicted by the flying fragments of rock and coal, which were projected with frightful force along the underground chambers by the fierce explosion. The men say they were tossed about like balls by the shock, and several had their clothing torn in shreds. It is a wonder that they escaped death. This is the second serious accident which has occurred within a short time at the Oxford shaft.

A REJECTED LOVER'S RAGE.

Dennis Pike Brutally Assaults Susie Bradley, Who Had Discarded Him.

Dennis Pike, of Minersville, has been paying attention to Susie Bradley, also of Minersville, living with the family of John Weist. Pike was received as an accepted lover, and everything went smoothly until a few weeks ago, when Pike was informed by the young lady that his company was no longer desired, and Miss Bradley began to receive attention from another young man. Late Wednesday evening Pike appeared at the Weist residence and asked to see Susie, who soon came to the door and went outside to see what he wanted. She had scarcely closed the door when Pike struck her a terrible blow with the butt of a revolver and fired several shots at her. Fortunately his aim was unsteady, owing to his intoxicated condition, and the shot took no effect. He ran hurriedly into the darkness, brandishing his revolver. Next morning he was arrested and lodged in Pottsville prison in default of $3,000 bail. Miss Bradley's injuries are very serious, but not considered fatal.

Prohibiting the Sale of "Sara Barnum."

The sale of Marie Colombier's volume "Sara Barnum," which created so much sensation, and led to violence between the eminent tragedienne and her rival, has finally been prohibited by the authorities. Jean Richepin, the talented author "Chansons des Gueux," in the new drama of "Nana Sahib," in which, since the retirement of Marais, he now appears himself in the title role, is said to be engaged on a similar publication attacking the private life of Maria Colombier. Richepin it will be remembered, accompanied Sara when she, armed with the now historic riding whip of Marechal Canrobert, made her onslaught on the wardrobe and porcelain of Mlle. Colombier. M. Richepin's book is eagerly awaited by the Parisians, to many of whom, however, all this seems very much like the pot calling the kettle black.

Bland's View of the Trade Dollar.

Representative Bland had an interview with Mr. Burchard, director of the mint, in regard to the number of trade dollars now it circulation. The latter expressed the opinion that between five and six millions of the coins were out, and in the hands of tradesmen and the people generally, instead of being in the possession of speculators. The remainder of the $35,000,000 originally coined are thought to have been exported or remelted. Mr. Bland says it is questionable whether the government, having issued the trade dollar with the stamp of the government upon it, could not be required to take it for government dues at its nominal value—one dollar.

Matthew Arnold on Emerson.

Boston Transcript.

The quantity of his final praise vindicated Emerson, if he needed vindication, but the quality of it did not vindicate Mr. Arnold. The very points he made, the very standard he set up, drew the lines of his own in limitation as distinctly as Voltaire drew is own in criticising Shakespeare. His standard of poetry excludad Browning as effectually as it excluded Emerson. His standard of prose composition, "the requisite wholeness of good tissue," would exclude Milton and Barrow. The preference that would set the smooth and rather commonplace sentiment of Longfellow's Bridge above the magnificent swell of Emerson's "Problem," simply records a verdict upon him who expresses that preference.

The new Duchess of Westminster, wife of one of the richest men in Europe, was married in a dress of white foulard, costing seventy-five cents a yard. This certainly is economy, and economy it is to use Dr. Bull's Cough Syrup, the great remedy for coughs and colds.

SHERIFF'S REPORT.

Under date of May 16, 1883, Mr. Isaiah Cook, formerly sheriff of Skowhegan, Me., writes as follows: "I have been afflicted for over twenty (20) years with a weakness of the kidneys and liver, and have had severe pains in the back and sides, which were brought upon me in the first place by exposure during my stay in California during the early settlement of the land of gold. At times my water troubled me very much, and after trying many different means without receiving any benefit, I was induced to try Hunt's Remedy, although I was much prejudiced against it and all other medicines. I purchased a bottle at Cushing's drug store, here in Skowhegan, and I found that the first bottle relieved all pains in the back and sides; and I have, in my family, used five bottles in all, and have found it a medicine of real merit and of great value, and have gladly recommended it to many of my friends and neighbors, who universally praise it in high terms. You are at liberty to use my name for the benefit of suffering humanity."

TIMELY ADVICE.

I have been troubled with kidney disease and gravel for a long time, with severe pains in my limbs and back, with inflammation of bladder. My sufferings were terrible. I tried several physicians, all to no purpose—I found that I was growing very feeble. I was discouraged, and lost faith in physicians and medicine, when a friend from Malden, who had been cured by Hunt's Remedy of gravel and liver complaint, recommended it to me, and from the first bottle I commenced to improve, and three bottles have entirely cured me, and I heartily thank my friend for his timely advice, to use Hunt's Remedy, for all the pains have gone from my back, and I am in excellent condition, and I feel that a word from me may be the means of saving some friend that may be suffering as I did, before taking Hunt's Remedy, the best kidney and liver cure. SAMUEL LITTLEFIELD,

No. 1482 Washington Street, May 12, 1883. Boston, Mass.

HORSE RAILROAD MEN.

Having occasion to use a medicine for general debility in my family, I was recommended by a friend to use Hunt's Remedy, as that was being used with great success all over the country. We have used one bottle with marked benefit, and find it just as represented, and a medicine of great value, and I cheerfully add my testimony in praise of Hunt's Remedy. GEORGE W. SCOTON,

MEDICAL.

TAKE

Simmons Liver Regulator

For Dyspepsia, Costiveness, Sick Headache Chronic Diarrhœa, Jaundice, Impurity of the Blood, Fever and Ague, Malaria and all Diseases caused by Derangement of the Liver Bowels and Kidneys.

SYMPTOMS OF A DISEASED LIVER.

Bad breath; Pain in the Side, sometimes the pain is felt under the Shoulder-blade, mistaken for Rheumatism; general loss of appetite Bowels generally costive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of leaving undone something which ought to have been done; a slight, dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous easily startled; cold feet or burning, sometimes a prickly sensation of the skin exists; spirits are low and despondent, and although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it —in fact, distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet examination after death has shown the Liver to have been extensively deranged. It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons traveling, or living in unhealthy localities, by taking a dose occasionally to keep the Liver in healthy action, will avoid all Malaria, Bilious attacks, Dizziness, Nausea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is no intoxicating beverage.

If you have eaten anything hard of digestion, or feel heavy after meals, or sleepless at night, take a dose and you will be relieved.

Time and Doctors' Bills will be saved by always keeping the Regulator in the House!

For, whatever the ailment may be a thoroughly safe purgative, alterative and tonic can never be out of place. The remedy is harmless and does not interfere with business or pleasure.

IT IS PURELY VEGETABLE,

And has all the power and efficacy of Calomel or Quinine, without any of the injurious after effects,

A GOVERNOR'S TESTIMONY.

Simmons Liver Regulator has been in use in my family for some time and I am satisfied it is a valuable addition to the medical science.

J. GILL SHORTER, Governor of Alabama.

Hon. Alexander H. Stephens, of Ga., says Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

"The only Thing that never fails to Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never fails to relieve.

P. M. JANNEY, Minneapolis, Minn.

Dr. T. W. Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.

AYER'S SARSAPARILLA.

THINK OF IT NOW!

Although much is said about the importance of a blood-purifying medicine, it may be possible that the subject has never seriously claimed your attention. *Think of it now!*

Almost every person has some form of scrofulous poison latent in his veins. When this develops in Scrofulous Sores, Ulcers, or Eruptions, or in the form of Rheumatism, or Organic Diseases, the suffering that ensues is terrible. Hence the gratitude of those who discover, as thousands yearly do, that

Ayer's Sarsaparilla

will thoroughly eradicate this evil from the system.

MACHINERY.

HAVING DISSOLVED PARTNERSHIP and permanently closed the Chestnut Street Iron Works, I desire to inform my old patrons and the public generally, that I am still in the business, being located in the Penn Iron Company's Works, North Plum street, where I am making Iron and Brass Castings of every description, and will be pleased to serve all who may favor me with their patronage. From 40 years experience in the business and using the best material and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. Castings made from a mixture of iron and steel which are more reliable for strength and durability than the best cast iron known. Wrought teeth roll pinions, rolls and rolling mill work a specialty. Castings made of very soft iron, and brass castings of every description. I have all the patters of the well and favorably known Mower Corn and Cob Crusher, refitted and improved. Also on hand, mills completely fitted up or in parts, to replace old ones which have been in use for years, guaranteeing them to give satisfaction.
