DEMANDING THEIR REBATE.

Philadelphia Tobacco Dealers Looking After Their Rights.

The tobacco trade association, of Philadelphia, held a meeting last evening at the rooms of the board of trade, to take action in the matter of recovering from the government the rebate allowed to tobacco dealers by the act of Congress, March 3, 1883. This act is to the effect that on all original and unbroken packages of smoking tobacco and on cigars, cigarettes and snuff upon which tax has already been paid a rebate shall be allowed, amounting to fifty per cent. of the former tax. After passing this act Congress provided that the manufacturers should be paid this rebate in revenue stamps, but no provision was made for the payment of the rebate to dealers in tobacco. The number of dealers' claims which have been presented is 46,013, for an aggregated amount of $3,588,337.03. Of these 56 have been rejected and 3,074 returned for amendment, amounting to $199,959.27, and the number of claims, including those returned for amendment, which will finally be accepted, will make $3,586,549 55 due the dealers throughout the country.

The dealers of Philadelphia should receive from $150,000 to $175,000. A committee of three were appointed by the chairman, to draw up resolutions calling the attention of the United States senators and representatives from Pennsylvania to the peculiar position of the tobacco dealers of Philadelphia and urge the necessity of further national legislation for relief. Such resolutions were adopted and will be sent to the chairman of the committee of ways and means at Washington, according to Mr. Randall's advice, and to all the representatives to Congress from Pennsylvania.

BROWN'S IRON BITTERS.

Shall We Let the Child Die?

A hard-hearted political economist, looking at a pale and puny child feebly gasping as it lies upon a pillow, says that the child might as well die. It is so weak and poor that its life will never be worth much anyhow. There are already a good many people in the world who are not of much account anyhow. And what's the use of adding to their number another weakling, who has but slender chance of ever amounting to anything?

Now ask that child's mother what she thinks about letting the child die. About this time the hard political economist had better get out of the way. "*Let my child die? No! No! As long as there is a remedy to be found that will save that child, the child shall not die! I'll spend my last dollar to save the child.*" Well, try a bottle of BROWN'S IRON BITTERS on that child. See the poor little fellow pick up strength. He revives. He will live. Hosts of other children have been brought almost from death to healthy life by Brown's Iron Bitters. Your druggist sells it.

November 15, 1883.

MR. GEORGE L. WALKER:

The four Pianos I purchased from you at different times—three for friends and the last one for myself—have proved to be magnificent instruments. They have given the most perfect satisfaction in every respect, and they cannot be surpassed for beautiful, clear, rich, full tone, fine finish, and standing in tune. I have formerly bought pianos on Chestnut street, paid a much higher price and did not receive anything like as fine instruments. I shall advise all my friends for their own benefit, when they are in need of a Piano, to purchase from you.

Respectfully yours, H. L. HALL.

I have received hundreds of letters similar to this, which I will show with pleasure.

PHOTOGRAPHS.

J. E. ROTE.

There has been such a demand for LARGE PHOTOGRAPHS that I was compelled to get a VERY LARGE CAMERA BOX to meet the demand. We can now make you a PHOTO as small as the smallest locket will hold up to a 5-inch face, to fit an 18x22 Frame.
