COLUMBIA NEWS.

OUR REGULAR CORRESPONDENCE.

Events Along the Susquehanna—Items of Interest In and Around the Borough Picked up by the Intelligencer Reporter.

A pleasant sleighing party from town visited York last evening.

The Columbia band has decided that it would be better for its interests to hold its fair on four evenings only.

The temperance agitation is evidently having its effect. The Pennsylvania railroad pay car came, but little drunkenness followed, as was too often the case in by-gone days.

It is understood that Lewis Hartman will succeed his brother in law, Adam Rodenhauser, in the duties of night policeman of South Locust street. As the latter has been an efficient officer his resignation will be regretted.

Personal and Social.

Miss Lillie Clark, at her home on Locust street, above Fifth, is entertaining Miss Lillie Hershey, of Philadelphia.

The dance of the B. D. T. social club will be held on the evening of Thursday of next week. To morrow the invitations will be sent out.

A musical entertainment which was held last night in Harrisburg by the "Mozarts" was attended by Mr. J. A. Meyers, wife and sister-in law, Miss S. Cowden.

A former Columbia *Herald* typo, Mr. B. F. Saner, late of the state printing department, at Harrisburg, left yesterday for his old home near Hagerstown, Md. From thence he goes to New Jersey, where he will enter a college as a student.

Meetings Last and To Come.

Orion lodge of Odd Fellows, No. 876, I. O. of O. F., to night.

Last night Gen. Welsh post, of the G. A. R., held a meeting in its post room.

The ladies' mite society of St. John's Lutheran church held an interesting meeting at Rev. Samuel Yingling's residence last night.

The Columbia fire company committee having charge of the arrangements for the approaching fair will hold a meeting this evening

Transfer of Pastors.

Rev. S. D. Jackson, of the Bethel Church of God, is soon to be transferred to a charge at Mechanicsburg. He will be succeeded by Elder J. F. Meizel, of the Dauphin circuit. The change is made in accordance with a late action of the East Pennsylvania eldership of the Church of God. The congregation will feel greatly the loss of their eloquent preacher.

Marietta Jottings

The attendance at the public schools is excellent.

The lyceum will hold another spelling bee on Friday evening a week.

The high school pupils indulged in a grand sleigh ride yesterday.

Society is lively. That is saying more than can be said for business

The borough has several scarlet fever cases in it. None have yet resulted fatally.

Few tobacco buyers have recently been about and very few sales have therefore been made

Mrs. Abram Musselman and daughter, Miss Annie, together with Miss Fannie Haldeman, are spending the winter in Georgia.

Columbia should rest its over confined clerks by closing its stores early in the evening, like Lancaster is doing. Very little business is done here after night fall.

Few building will be erected in the spring, as there is no demand for houses. Neither are there any houses vacant, except a few, not very desirable ones, near the furnaces.

Few performances have been held this winter at Central hall. A better class of amusements is afforded by the Columbia opera house, and Marietttians patronize those.

NEARLY ROASTED.

Two Little Children in York Narrowly Escape Burning.

A fire occurred in York yesterday afternoon by which two little children had a narrow escape from being burnt to death. Mrs. Emanuel Kranich left her two months old babe and her three year old boy in the front room of the family residence on the second story, ran into the next door neighbor on an errand and while there was invited to remain for prayers which were conducted by some ladies visiting the house. While the prayers were in progress the little boy, playing around the stove, ignited a handkerchief. Becoming frightened he threw the handkerchief under the bed, setting fire to the latter. The cries of the child and the smoke which issued from the house attracted the attention of some of the neighbors, who gave the alarm and summoned the mother, who rushed frantically home to find the bed on which her infant lay enveloped in flames. She sprang through the flames, scorching her hair and terribly burning her face, and saved the babe from a horrible death. The child escaped with some slight burns on its left hand. The fire was afterwards extinguished, the loss being inconsiderable.

Base Ball Matters in Harrisburg.

Harrisburg Patriot.

At a recent meeting of the Harrisburg base ball association it was decided to issue eighty additional shares of stock at $50 per share, and increase the capital stock of the association $4,000 In case these shares are taken one of the best clubs in the state will be the result, as good players are now applying for positions. There are several applicants for the position of manager, among them Fergy Malone, the veteran ball player. It's not likely he will be chosen, as the association prefer a gentleman from Harrisburg to conduct the interest of the club the coming season. Last year's experience with an outsider was sufficient.

Runaways, but Nobody Hurt.

This morning J. B. Mentzer, from the country, was driving down Duke street, when his horse frightened, ran away and upset the sleigh, breaking it to pieces. The horse was caught at Orange and Duke streets and no one was hurt.

Another harmless runaway on East King street about 12:45 to-day created a great deal of excitement. Young Joe Umble, while driving in a sleigh, lost control of his horse and away he went up the street. He was caught at Shippen street without damage.

The Victim of Saturday's Accident

Jacob Cressman, the man who was fatally injured by the cars near Gordonville on Saturday, has been buried at the almshouse. It appears that the deceased has a brother residing in Norristown, Montgomery county, but no claims have been made for the body as yet. From the description it is known that deceased boarded at Hollinger's boarding house, East Orange street, this city, about a year ago.

A Narrow Escape.

As the Harrisburg express was about leaving the Lancaster depot last evening, a young man from Mountville, who was late getting his ticket, ran out of the office and, slipping, fell under the car, with his arm across the track, and would have lost his arm had he not been instantly pulled away by Officer Roy.

Mayor's Court.

Only a single tramp appeared at the mayor's court this morning, and he was discharged.

Burlesque Opera Company.—Steiner's burlesque opera company which appears in this city, Saturday evening, has been receiving some good notices elsewhere. There are some well known people in it, among whom are Miss Marie Muller, who is said to be a fine singer. The performance consists of laughable burlesques of many of the principal operas before the public, and is said to be exceedingly funny. There is also a two act "brilliant musical travestie, entitled 'Cyclones, or the American Bouffoniers.'"

Letter From Cyrus W. Field, Jr.

8 EAST 38TH STREET, NEW YORK, May 8th, 1883.

Several times this winter I have suffered from severe Colds on my Lungs, each time I have applied ALLCOCK'S POROUS PLASTERS, and in every instance I have been quickly relieved by applying one across my chest and one on my back. My friends, through my advice, have tried the experiment and also found it most successful. I feel that I can recommend them most highly to any one who may see fit to try them. CYRUS W. FIELD, JR.

Weak Back, Rheumatism and all Local Pains are relieved and cured by ALLCOCK'S POROUS PLASTERS. One trial will convince you, but see that you get the genuine, as all other so-called Porous Plasters, without a single exception are worthless imitations.

SECOND EDITION.

WEDNESDAY EVENING, JAN. 16, 1884.

CABLE FLASHES.

A FEW RECENT NOTES FROM EUROPE.

LONDON, Jan. 16.—The Marquis of Hartington, secretary of state for war, has decided to allow General ("Chinese") Gordon to retain his commission in the English army, notwithstanding his engagement for service in the Congo country General Gordon started for Brussells today.

Obsequies of Herr Lasker.

BERLIN, Jan. 16.—A committee has been formed here under the presidency of the president of the Reichstag to superintend the obsequies of the late Herr Lasker. It has been decided that the funeral ceremonies shall take place on Monday, the 28th.

A Brigand Chief Shot.

ROME, Jan. 16.—The brigand chief, Sisti, has been shot dead, on the island of Sardinia, by a detachment of carbineers. He made a desperate resistance.

THE BRADFORD ACCIDENT.

Condition of the Injured—Investigation of the Coroner.

BRADFORD, Pa., Jan. 16.—The remains of Miss Moran, one of the victims of yesterday's railroad disaster, were taken to Oil City this morning for interment. The funeral of Mrs. Sadie B. Fair, takes place at Bradford this afternoon. It is not known what disposition will be made of the remains of Mrs. L. Jones. The injured number 26, and most of them are doing well, except Prof. Faught, W. H. Belknap and George McCartney, who are not expected to live.

The coroner's jury have visited the wreck, examined the site of the tank and marked where the oil ran along the railroad. The capsized engine was found reversed and with the throttle open. The track was not at all injured. After obtaining an insight into the causes of the disaster, the jury returned to Bradford and this morning examined witnesses. Everything tends to exonerate the road from responsibility for what is considered an unavoidable accident. The flesh of Engineer Sexton's hands was fairly roasted, and the skin is dropping off in lumps.

FROM WASHINGTON.

Action To-day in Congress.

WASHINGTON, Jan. 16.—In the Senate to day Mr. Plumb reported from the committee on public lands a bill restoring to public domain lands granted to the Iron Mountain railroad company, the road not having been built on the line contemplated. The bill was read three times and passed.

The Senate to day adopted the joint rules with slight amendment, and also passed without debate the bill providing for count of the electoral vote. The Senate then at 1:40 went into executive session.

The House is in committee of the whole on a bill appropriating one million dollars for improvement of the Mississippi river.

DASTARDLY OUTRAGE.

A Merchant Claimed to Have Been Basely Shot.

EASTON, Pa., Jan. 16.—D. P. Hill, at High Bridge, N. J., was called to his store and 3 o'clock this morning and then shot by three masked men. Two balls lodged in his head and he is not expected to recover. His assailants fled. No property was disturbed and the motive for the attack is unknown.

Supposed to Have Been Suicide.

A later dispatch from Easton says: "Hill's store is at Glen Gardner, N. J., near High Bridge. At noon Mr. Hill was in a dying condition, one of the balls having penetrated his brain. It is now the prevailing opinion that he shot himself."

A Prominent Breach of Promise Suit.

PATERSON, N. J., Jan. 16.—The new trial granted in the breach of promise suit of Mrs. Julia Hamphon against John Hinecliff, a wealthy brewer of this city, began in the Passaic county court to day. On the first trial the plaintiff got a verdict for over $8,000. A large amount of evidence, which was taken by a commission in England regarding Mrs. Hamphon's character when she lived there, is being read, and will take all day.

A Receiver for the Ontario & Western Road.

NEW YORK, Jan. 16.—A bill has been filed in the United States circuit court for the appointment of a receiver for the Ontario & Western railroad in behalf of Conrad F. Jordon as a common and preferred stock holder. The bill is returnable to-morrow. This suit is entirely distinct from the Chipman suit.
