OUR REGULAR CORRESPONDENCE.

Events Along the Susquehanna—Items of Interest In and Around the Borough Picked up by the Intelligencer Reporter.

Last evening about 4 o'clock, Milton Stoner was fatally injured in Wolfe's stone quarries, near town. Together with George Kise he was working on a ledge of rock about 20 feet from the ground, when another ledge above them gave way Kise sprang to a place of safety as he saw the rocks descending, but Stoner was caught by them and carried to the ground below, where a rock weighing nearly two tons rested upon his body. Fellow workmen removed the rock and took the sufferer to his home, where he expired within less than an hour after the accident. Deceased was about 50 years of age, and leaves a wife and five children.

Jacob Hoak and a son of R. Pickel were sledding on Wednesday last on Stone Hill, near Locust Grove school house, Conestoga township. SPECIAL NOTICES.

In the *Hop Porous Plaster* the virtues of *Fresh Hops* are combined with strengthening and stimulating balsams, and its cures of Weak Back, Pain in the Side, Rheumatism, and Neuralgia or Pain in the Chest are simply marvellous, it being more efficacious and thorough than any liniment or liquid remedies. You'll say so after using.

Some Doubt the Bible

And the motives of its authors, but none who have used them doubt the efficacy of *Burdock Blood Bitters*. This splendid blood tonic is without a peer. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

When Doctors Disagree

It will be time enough to doubt the reliability of Kidney-Wort. Doctors all agree that it is a most valuable medicine in all disorders of the Liver, Kidneys and Bowels and frequently prescribe it. Dr. P. C. Ballou, of Monkton, says: "The past year I have used it more than ever and with the best results. It is the most successful remedy I have ever used." Such a recommendation speaks for itself. Sold by all druggists. See advt.

Opinion of Dr. Mott, Late Government Chemist, on Allcock's Porous Plaster.

My investigation of Allcock's Porous Plaster shows it to contain *valuable and essential ingredients* not present in any other Plaster. These ingredients are so perfectly proportioned that the Allcock's Porous Plaster will not cause *Blisters* or *Excessive Irritation*, and I find it superior to and more efficient than any other Plaster.

HENRY A. MOTT, Jr., Ph.D., F. C. S.,
Professor of Chemistry N. Y. Med. College, etc.

Do not waste your money buying inferior articles. Tell your Druggist you want Allcock's Porous Plasters, and do not take others made to sell on the reputation of the genuine article.

Something for all the Preachers.

Rev. H. H. Fairall, D. D., editor of the *Iowa Methodist*, says editorially, in the November (1883) number of his paper: "We have tested the merits of Ely's Cream Balm, and believe that, by a thorough course of treatment, it will cure almost every case of catarrh. Ministers, as a class, are afflicted with head and throat troubles, and catarrh seems more prevalent than ever. We cannot recommend Ely's Cream Balm too highly." Not a liquid nor a snuff. Applied to nostrils with the finger. 121-2wdeod&w

Threw Away $350.

"Troubled with asthma for eight years. Not quite two bottles of *Thomas' Eclectric Oil cured me completely*, after spending over $350 without the slightest benefit." This is what August Trabner, of Tyrone, Pa., says. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

RESCUED FROM DEATH

The following statement of William J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better My hope, once dead, began to revive, and to day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED, I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street

Hopeless Epilepsy Cured.

"The doctors pronounced my case to be one of hopeless epilepsy," says our correspondent, W. C. Browning, Attorney at Law, Judsonia, Ark., and declared death to be my only relief. *Samaritan Nervine* has cured me." Get at druggists. $1.50. jl3-lwdeod&w

How to Secure Health.

It seems strange that any one will suffer from the many derangements brought on by an impure condition of the blood, when SCOVILL'S SARSAPARILLA AND STILLINGIA, or BLOOD AND LIVER SYRUP will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best BLOOD PURIFIER ever discovered, effectually curing Scrofula, Syphilitic disorders, Weakness of the Kidneys, Erysipelas, Malaria; all nervous disorders and debility, bilious complaints and all diseases indicating an impure condition of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it ACTS LIKE A CHARM, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

PARKER'S GINGER TONIC

Songs Never Sung.

"How does that verse run? Something like this, I think?

"There are who touch the magic string,
And noisy fame is proud to win them:
Alas! for those who never sing,
But die with all their music in them."

"Yes, that's beautiful, pathetic and true," said your representative. "The poet alludes to people who are somehow suppressed, and never get their full allowance of joy and air. Which reminds me of a letter shown me the other day by Hiscox & Co., of New York, signed by Mr. E. C. Williams, of Chapman, Snyder county, Pa., a prominent business man of that place. He writes:

"I have suffered with asthma for over forty years, and had a terrible attack in December and January, 1882. I hardly know what prompted me to take PARKER'S TONIC. I did so, and the first day I took four doses. The effect astonished me. That night I slept as if nothing was the matter with me, and have ever since. I have had colds since, but no asthma. My breathing is now as perfect as if I had never known that disease. If you know of anyone who has asthma tell him in my name that PARKER'S TONIC will cure it—even after forty years." There was a man who escaped the fate of those whom the poet laments.

This preparation, which has hitherto been known as PARKER'S GINGER TONIC, will hereafter be advertised and sold under the name of PARKER'S TONIC. Inasmuch as ginger is really an unimportant ingredient, and unprincipled dealers are constantly deceiving their customers by substituting inferior preparations under the name of ginger, we drop the misleading word.

There is no change, however, in the preparation itself, and all bottles remaining in the hands of dealers, wrapped under the name of PARKER'S GINGER TONIC contain the genuine medicine if the fac simile signature of Hiscox & Co. is at the bottom of the outside wrapper. 119-1ydeow
