COLUMBIA NEWS.

OUR REGULAR CORRESPONDENCE.

Events Along the Susquehanna—Items of Interest In and Around the Borough Picked up by the Intelligencer Reporter.

Olive branch lodge No. 1377, G. U. O. of O. F., and Shawnee encampment No. 23, I. O. of O. F., meet to-night.

If to-morrow is at all pleasant the river will no doubt be well filled with skaters, the ice now affording excellent sport of that kind.

The "colored man" suddenly reappeared on Union street last night after two or three months' rest. He was quite successful again and managed to scare several children and women.

Last night's dance of the H. D. T. club was a decidedly pleasant affair. The inclement weather and the special services at the Methodist and Presbyterian churches prevented a number from attending.

Houses for the night watchmen are to be built along the Port Deposit railroad They will be located at Sour's Eddy, Hessian's Falls, Reed's Run and Neal's Point. They are things much needed, especially during winter, as they will afford places for the watchmen to warm themselves at during their night vigils.

Personal.

W. Hayes Grier is entertaining his brother, Mr. John Grier, of Jersey Shore, Pa.

Miss Annie Fasig is visiting friends at Rawlinsville, this county.

E. E. Kephart was yesterday summoned to his old home in Clearfield county by telegraph.

James B. Moyer and wife, late guests of Messrs. Samuel Eberlin and James Harsh, have returned to their home in Myerstown, Pa.

A Dangerous Pillow.

A drunken man named Peoples was found by Officer Wittick sleeping with his head on a railroad track on Wednesday night, and yesterday he was taken to the county jail, where he can procure a little sleep in safety.

Among the Churches.

Several young persons conducted themselves in a very unseemly manner in the Methodist revival last night.

Special services will again be held at the Presbyterian church to-night, beginning at the usual hour. Those already held have been of a very encouraging character and were well attended.

Sleighing and Coasting.

This evening a sleighing party of young folks will make a trip to Lancaster, which by the way, seems to be the objective point of most of the sleighing parties which leave town.

None of those persons injured on the 4th street hill while coasting on Wednesday night have died, and none are likely to die. All them hurt are on the fair road to recovery.

The high constable has effectually ended coasting on the Institute hill. It is a little hard on the boys and girls who used the hill, but a very good thing for pedestrians. They can now pass along that part of the street without fear.

Excitement Caused by a Risky Horse.

Considerable excitement was caused on Locust street at Morris' grocery store, yesterday, by a sleigh being backed into another team by a stubborn horse. The contents of the sleigh were scattered about the street, and the ladies who had occupied the sleigh left their seats in a hurry and ran to a place of safety. Their male escort finally managed to gain control over his horse with several men's assistance, and the excitement quieted down.

COASTING ACCIDENTS.

Sport that Ended in Broken Limbs—A Countryman's Mishap.

This afternoon about half past one o'clock, while some boys were coasting on North Charlotte street, two sleds came in collision, and Augustus Kieffer, aged about 14 years, a son of Alexander Kieffer, had his right leg badly broken above the ankle. He was carried into the house of Officer Winower, and Dr Netscher was sent for. It was found that the fracture was a compound one, and the bones protruded through the skin, causing a severe hemorrhage. The lad was taken to his home on Mulberry, near Charlotte street.

It is reported that John Carr, a son of the late John Carr, about 14 years old had a leg broken this afternoon while coasting on Dinah's Hill.

A countryman whose name we did not learn while driving on Prince street at the Vine street crossing, saw a sled coming down the hill at high speed, and to avoid it he pulled his horse and sleigh suddenly aside, and coming in contact with a lamp post had his sleigh badly broken, and his head badly cut.

Knights of Honor—Election of Officers.

The Worthington Pump.

The new 6,000,000 gallon Worthington pump, ordered by our city councils to be erected in our water works, is finished, and at a meeting of the water committee held last evening, a communication was received from the Worthington company inviting the committee to pay a visit to the company's works in Brooklyn, N. Y., and inspect the pump prior to its shipment to Lancaster. The committee accepted the invitation and will visit Brooklyn on Wednesday next.

The Poultry Show Prizes.

The following gentlemen won the prizes offered by the Lancaster Poultry association, which were chanced off on Wednesday evening: Mr. David G. Hirsh, the holder of ticket No. 231, won the breeding pen of Brown Leghorns. Mr. Harry Keaner with ticket No. 156, won the pair of White Fantails. Mr. G. Christy, of Columbia, was the lucky holder of No. 87 which took the Silver Antwerps. The owner of ticket No. 43, which drew the Yellow Turbits, has not yet turned up.

Chickens Stolen.

Last night the hen roost of Jacob Nixdorf, West James street, near Water, was entered by thieves, who stole from their perches about a dozen of fine, fat chickens, leaving behind only one to tell the tale of the robbery. Certain parties are suspected of the theft, but there is no positive evidence against them.

No Cause of Action.

Recently Joseph Stark brought a suit for damage against Wm. Klinehaus for the alleged seduction of his wife. The case was heard this morning before Wm. M. Staymaker, R. T. Robinson and I. W. Leidigh, arbitrators, and they decided that plaintiff had no cause of action.

Pocket Picked.

A man named Denlinger, who lives in Mount Joy, had his pocket picked yesterday in the court house, while he was walking from the grand jury room to the court room.

Pretty Evenly Balanced.

The Lititz *Record* states that Mr. John Sharp, Brickerville, weighs 352 pounds, while his wife tips the beam at 253½ pounds. An aggregate weight of 605½ pounds is not such a bad showing for one couple.

Masonic.

P. E. Grand Commander B. Frank Breneman, of this city, has been appointed by the Grand Commander of Knights Templar of Alabama, as their representative in the grand commandery of Pennsylvania.

Farm Sold.

The fine farm of 160 acres formerly owned by Ross A. Campbell, and situated in Bart township, was purchased yesterday by Abraham and David G. Hirsh, of this city.

Amusements.

Minnie Hauk.—Already there are indications that the opera house will be thronged Wednesday evening, when this eminent songster appears in concert with her fine support. Quite a number of seats have been reserved and there is a popular desire to enjoy this rich musical treat, which lovers of music should not miss.

SPECIAL NOTICES.

In the *Hop Porous Plaster* the virtues of *Fresh Hops* are combined with strengthening and stimulating balsams, and its cures of Weak Back, Pain in the Side, Rheumatism, and Neuralgia or Pain in the Chest are simply marvellous, it being more effeacious and thorough than any liniment or liquid remedies. You'll say so after using

Some Doubt the Bible

And the motives of its authors, but none who have used them doubt the efficacy of *Burdock Blood Bitters*. This splendid blood tonic is without a peer. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

When Doctors Disagree

It will be time enough to doubt the reliability of Kidney-Wort. Doctors all agree that it is a most valuable medicine in all disorders of the Liver, Kidneys and Bowels and frequently prescribe it. Dr. P. C. Ballou, of Monkton, says: "The past year I have used it more than ever and with the best results. It is the most successful remedy I have ever used." Such a recommendation speaks for itself. Sold by all druggists. See advt.

Threw Away $350.

"Troubled with asthma for eight years. Not quite two bottles of *Thomas' Eclectric Oil* cured me completely, after spending over $350 without the slightest benefit." This is what August Trubner, of Tyrone, Pa., says. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

RESCUED FROM DEATH.

The following statement of William J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1876 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report was around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a little to satisfy them, when to my surprise of gratification, I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street

Mothers! Mothers! Mothers

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians in the United States. Sold everywhere. 25 cents a bottle.

How to Secure Health.

It seems strange that any one will suffer from the many derangements brought on by an impure condition of the blood, when SCOVILL'S SARSAPARILLA AND STILLINGIA, or BLOOD AND LIVER SYRUP will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best BLOOD PURIFIER ever discovered, effectually curing Scrofula, Syphilitic disorders, Weakness of the Kidneys, Erysipelas, Malaria, all nervous disorders and debility, bilious complaints and all diseases indicating an impure condition of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it ACTS LIKE A CHARM, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

PARK'S PAIN PANACEA cures a pain in man and beast. For use externally and internally.

RED HORSE POWDERS cure all diseases of horse, cattle, sheep, hogs, poultry and all Live Stock. A POSITIVE CURE. may24-9

SECOND EDITION.

FRIDAY EVENING, JAN. 25, 1884.

EUROPE AND CANADA.

SOME SENSATIONS IN BOTH LANDS.

Distressing State of Affairs in Ontario, where Starvation Threatens—A Patriotic Captain and a Patriotic Queen.

KINGSTON, Ont. Jan. 25.—The settlers in the rear townships of Frontenac and Addington are in danger of starving, being unable to obtain provisions, the snow having closed the northern portion of the line. In this city no business is being done, as farmers cannot get in from the country and merchants are complaining bitterly. An extensive lumber dealer has telegraphed to the city that unless he can get provisions he will be obliged to close down his shanties. Such a state of affairs has never existed in this locality before.

Deserving of Congratulations.

LONDON, Jan. 25.—Advices from Madagascar state that when the United States steamer Brooklyn was at Tamatave the captain intended to visit the town, but as he was prevented from landing in his own boat he declined landing in a French boat which was tendered him.

A Bold Queen, Forsooth!

Two thousand people were present at the coronation of Queen Renavalona III on November 22nd. The queen in her speech upon ascending the throne said: "I shall prove myself a soldier, ever ready to defend with you the land of our ancestors."

Towing the Germanic to Shore.

The tugs sent after the disabled steamer Germanic have met her and are now towing her to Liverpool.

Bound to Do Somebody Damage.

VIENNA, Jan. 25.—A detective named Block, while going to his home in Floridsdorf yesterday was shot dead. The assassin, who is apparently a workingman, endeavored to escape but was seized by passing citizens. A search revealed that he had in his possession a dynamite bomb, a revolver and a poisoned dagger.

IN CONGRESS.

Sherman and His Bloody Shirt Resolution.

WASHINGTON, Jan. 25.—In the Senate to day, Mr. Blair introduced a bill to provide for free circulation of newspapers and other periodical publications within the state where they are published.

Mr. Sherman called up his resolution on the Virginia election riots, but its consideration was postponed until Monday, by request of Mr. Lamar.

In the House.

The House to day took up the Fitz-John Porter bill, and E. B. Taylor, of Ohio, spoke in opposition to it

ILL-FATED HUNTER'S POINT

Another Terrible Assault There

HUNTER'S POINT, L. I., Jan. 25.—Early this morning Selah Sprague, a farmer, upon going to his barn was murderously assaulted by a mulatto, who struck him several blows with a heavy iron plate. The man left him for dead and entering the house struck Mrs. Sprague and demanded money. She told him to get it from a drawer and she then ran from the house screaming. The man then escaped. The farmers of the neighborhood are searching for him. Mr. Sprague's recovery is doubtful.

The Terrible Accident at Crested Butte.

DENVER, Col., Jan. 25.—A special from Crested Butte says the exploring party has almost reached the chamber where the explosion occured yesterday and has found one body there. It was terribly bruised and blackened by the gas. The passageways are so blockaded that progress is very slow, and all hope of finding the buried miners alive has been abandoned. The scene at the mine is pitiful, wives and children of the victims still hovering above the entrance to the mine. Their lamentations are most distressing.

Mr. Maxcey Tabor, son of the Colorado ex-senator, was married the other day to Miss Babcock, one of the prettiest and most sensible young ladies of Denver. The match was in every respect a good one. Young Mr. Tabor is an honest, clever, straightforward fellow, and his conduct throughout all the trouble between his father and mother has been such as to entitle him to public esteem.

Hancock's Campaign Portrait.

Gen. Hancock, although portly in figure, is not by any means the fleshy man some of his campaign portraits would indicate him to be. The general thus explains how the contrary impression got abroad: "The Republican portraits of me, such as appeared in many of the illustrated papers, made me out a monster, but the Democratic portraits were better. It happened this way: I had no pictures taken for a long time except in groups, and before I was nominated I was asked to have a picture taken, but I neglected to do so. After the nomination I didn't like to rush right off to a photographer, and the demand for a picture was so great that the papers seized on the first one they could find. So two of them went out, one representing me as a great deal fleshier than I really am." At present the general, although a peculiar double chin makes him appear very fleshy, has a fine and only comfortably full figure.

School-Teachers in Demand.

Virginia City Enterprise.

Miss Ash, of this city, has gone down to Churchhill county to teach the public school. The pupils of that school hardly have time to get acquainted with the teachers sent them before the holy bonds of matrimony carry them off. It is thought it will hereafter be necessary to require female teachers to give bonds in that district not to marry during the school term.
