Why They Call Him "Old Man."

"Yes, that's sadly so," said Jenkins, "my hair is turning gray and falling out before its time. Use something? I would, but most hair restorers are dangerous." "True," answered his friend, "but Parker's Hair Balsam is as harmless as it is effective. I've tried it, and know. Give the Balsam a show and the boys will soon stop calling you 'Old Man Jenkins.'" It never fails to restore the original color to gray or faded hair. Richly perfumed, a elegant dressing. 13 lyd5&eow'8

IN MEMORIAM.

H. Martin's Brick Machine Works.

LANCASTER, Pa., Jan. 25, 1884.

WHEREAS, It has pleased Almighty God in His wise Providence to remove from this world the soul of our fellow workman, Wm. D. Steffgerwalt, and whereas during his long service he has by his many estimable qualities endeared himself to us all, therefore

Resolved, That in his death we his fellow workmen, have lost a genial and warm hearted companion whose fair and hearty greeting will be sadly missed. A competent and skilful mechanic who always did his work well, with an eye single to the interests of his employer and the community, an honest man and good citizen.

Resolved. That we tender our heartfelt sympathies to his bereaved family who have lost a good husband and father, may He who has promised to be a father to the fatherless and the friend of the widow, be their father and friend.

Resolved, That we attend his funeral in a body, that these resolutions be published in two daily papers and a copy of the same be forwarded to the family of the deceased.

SPECIAL NOTICES.

In the *Hop Porous Plaster* the virtues of *Pure Hops* are combined with strengthening and stimulating balsams, and its cures of Weak Back, Pain in the Side, Rheumatism, and Neuralgia or Pain in the Chest are simply marvellous. It is by far more effective and thorough than any liniment or liquid remedies. You'll say so after using

Some Doubt the Bible

And the motives of its authors, but none who have used them doubt the efficacy of *Burdock Blood Bitters*. This splendid blood tonic is without a peer. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

When Doctors Disagree

It will be time enough to doubt the reliability of Kidney-Wort. Doctors all agree that it is a most valuable medicine in all disorders of the Liver, Kidneys and Bowels and frequently prescribe it. Dr. P. C. Ballou, of Monkton, says: "The past year I have used it more than ever and with the best results. It is the most successful remedy I have ever used." Such a recommendation speaks for itself. Sold by all druggists. See advt.

Threw Away $350.

"Troubled with asthma for eight years. Not quite two bottles of *Thomas' Eclectric Oil cured me completely*, after spending over $350 without the slightest benefit." This is what August Trubner, of Tyrone, Pa., says. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

Mothers! Mothers! Mothers

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians in the United States. Sold everywhere. 25 cents a bottle.

RESCUED FROM DEATH

The following statement of William F. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1870 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1872 I was admitted to the City Hospital, While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughe at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise a gratification, I commenced to feel better. My hope, once dead, began to revive, and to-day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street

Something for all the Preachers.

Rev. H. H. Fairall, D. D., editor of the *Iowa Methodist*, says editorially, in the November (1883) number of his paper: "We have tested the merits of Ely's Cream Balm, and believe that, by a thorough course of treatment, it will cure almost every case of catarrh. Ministers, as a class, are afflicted with head and throat troubles, and catarrh seems more prevalent than ever. We cannot recommend Ely's Cream Balm too highly." Not a liquid nor a snuff. Applied to nostrils with the finger. 12i 2wdeod&w

How to Secure Health.

It seems strange that any one will suffer from the many derangements brought on by an impure condition of the blood, when SCOVILL'S SARSAPARILLA AND STILLINGIA, or BLOOD AND LIVER SYRUP will restore perfect health to the physical organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best BLOOD PURIFIER ever discovered, effectually curing Scrotula, Syphilitic disorders, Weakness of the Kidneys, Erysipelas, Malaria; all nervous disorders and debility, bilious complaints and all diseases indicating an impure condition of the Blood, Liver, Kidneys, Stomach, Skin, etc. It corrects indigestion. A single bottle will prove to you its merits as a health renewer, for it ACTS LIKE A CHARM, especially when the complaint is of an exhaustive nature, having a tendency to lessen the natural vigor of the brain and nervous system.

DEATH BY VIOLENCE.

THE TRAGEDY NEAR ELGIN, ILLINOIS.

Murder in the Unhappy Home of William Coombs—An Italian Family Said Poisoned Maccaroni.

CHICAGO, Ill., Jan. 26.—A special from Elgin, Illinois, confirms the account of William Coombs, a farmer, forty years of age, living five miles south of Elgin, Ill., cut his wife's throat yesterday, and in the encounter the woman in her dying agonies wrenched the weapon from him stabbing him fatally. It appears that Mrs. Coombs, covered with blood, which was flowing from deep gashes, and with a long knife in her hand, staggered to the house of a neighbor and said her husband had tried to murder her, and thinking he had done so cut his own throat. Coombs was found dead on the floor of his house, which showed evidence of a fearful struggle. The woman was alive at last accounts. She was Coombs' third wife and was considered an adventuress before her marriage. Some features in her history and the fact that she and her husband had frequent quarrels recently lead to the suspicion that she may have murdered her husband and received her wounds in a struggle or from an attempt at suicide.

Pursued to His Death by Remorse.

PITTSBURG, Jan. 26.—A man giving the name of M. F. Layton, of Modale, Iowa, shot himself through the right lung last night, while enroute to Pittsburg from St. Louis on a train on the Pan Handle railroad. During the trip the passengers say Layton acted like an insane man, and frequently exclaimed: "Don't arrest me. I am innocent. Oh, it was a horrible death, but I could not help it! Their eyes are on me! I cannot get away!" These and other remarks led the passengers to believe that he might be the murderer of the Boedecker family who were found slaughtered in a farm house near St. Louis last Wednesday. Layton's wound is considered fatal.
