COLUMBIA NEWS.

From Our Regular Correspondent. Abraham Johnson, colored, while work-ing in Kerr & Co 's stone quarries, near Wrightsville, yesterday was partly buried beneath a mass of rocks which fell from the side of the quarry. He has sustained injuries which will probably prove fatal. He is 75 years of age and has a large family. Charles Ranker and Jacob Groff, boys

of about 16, have run away from home, and are believed to be westward bound. They both took money from their parents before leaving, the former securing \$70 and the

Supplementary Report. The county auditors, having omitted in the report filed on Saturday, to include the auditing of the account of Calvin Carter, treasurer of the board of prison inspectors, filed a supplementary report yesterday, setting forth that they had ex. amined the account from April, 1882, to March, 1883, and find it correct, without a balance on either side.

STRUCK BY A TRAIN.

An Arab Peddier Patally Injured Near

An Arab peddler, by the name of Josep': Loney, while watking on the Pennsylvani a railroad, a quarter of a mile west of Leaman Place this morning, was struck by the Columbia accommodation train, when it met Niagara express. He was so severely injured internally that it is thought he will die.

He was taken to Leaman Place and all tended by Dr. Leaman and Dr. A. bl Smith, after which he was brought to this an elegant dressing. city on a freight train and taken to the county hospital. The injured man had two companions, who were brought to town also. It is likely that they belong to the same party with the two who have been in this city for some days past.

-It has been ascertained that the name of the injured man is Joseph Gosey, that he is a native of Arabia, 33 years old, fire feet ten inches in height, with black hair, brown eyes and swarthy features. His principal injuries are about the chest. o'clock this afternoon. Dr. Leaman at tended him.

A Sociable.

About fifty invited guests met at the residence of Mr. and Mrs. Steve J. Owens, North Lime street, Monday evening, and had a most delightful time. From turret to foundation stone the house was thrown open to the visitors. Vocal and instrumental music by accomplished artists, interspersed with waltzes, quadrilles and games, to which was added an elegant set out were the principal features of the occasion. The health of the host and hoatess was drank in repeated bumbers, and after paying an ovation to the "Emperor of Russia" the party broke up at 2

A Large Funeral.

The funeral of Edward Kautz took place Sanday afternoon at 2 o'clock and was very largely attended. The floral tributes to his memory were numerous and very fine, among them being a wreath of flow ers with a dove in the centre, an anchor, a cross, a sheaf of wheat and soythe. The casket was covered with black cloth, and had silver extension handles. Messrs. John Murphy, Wm. K. Beard, Sher. Smith, John Hartman, Andrew B. Meixell and George W. Huffnagle acted as pall bearers. The interment was made in Woodward Hill cemetery.

Complimentary Resolutions.

At a meeting of Lamberton lodge, No. 476, F. and A. Y. M., held last evening, W. M. John R. Morris, on behalf of the lodge, presented to H. R. Fahnestock, who for thirteen years past has been the secretary of the lodge, and declined a re election, a beautifully engrossed series of resolutions, of a highly complimentary character expressive of the appreciation of the lodge of the long and efficient service rendered by the ex secretary. Mr. Fahnestook responded in fitting terms, thanking the lodge for the favor shown him.

Days of Appeal. The tax payers of Bart, Conoy, Eden and Pequea townships, who think their properties have been assessed too high by the township assessors, are being heard to-day by the county commissioners. On Wednesday will be heard the appeals from Clay, Elizabeth and Little Britain; on Thursday the boroughs of Adamstown and Mount Joy, and the township of East Cocalico; on Friday, Sadsbury, West Lampeter and Fulton; and on Saturday, Conestoga, West Cocalico and Breck-Mount Joy, and the township of East

Under a New Fing. Even the balmy air and orange groves of Florida fall to keep its people full of happi-ness and comfort. Art must help nature everywhere—in the tropics as among the pines of the North. "And, chief among the blessings which are adapted to all zones," writes Dr. J. G. Wallace, of Fort Dade, Fla., "is PARKER'S TONIC. It seems to have the world for a field, and most of the current diseases yield to its action. I have used it in the case of a delicate and dyspeptic young lady, with the most gratifying results. It seemed to accomplish with ease what the usual prescriptions and treatment for that miserable malady fatied wholly to bring about. I am also giad to state that the Tonic has greatly relieved me personally of a troublesome atonic condition of the stomach of long standing. It is the ideal purifier and invigorant."

Messrs. Hiscox & Co. call especial attention to the fact that after April 18, 1883, the name and style of this preparation will hereafter be simply Parker's Tonic. The word "Ginger simply Parker's Tonic. The word "Ginger" is dropped, for the reason that unprincipled dealers are constantly deceiving their patrons by substituting inferior preparations under the name of Ginger; and as ginger is an unimportant flavoring ingredient in our Tonic, we are sure that our friends will agree with us as to the propriety of the change. There will be no change, however, in the preparation itself; and all bottles remaining in the hands of dealers, wrapped under the name of "Parke." of dealers, wrapped under the name of "Park-m's GINGER TONIC," contain the genuine med-icine it the signature of Hiscox & Co. is at the bottom of outside wrapper.
