SHOT IN THE PAUL.

Supposed Accidental Shorting of a Young Negro in Salonga. Yesterday afternoon while a young son of J Hoffman flershey, a tegro named Stephen Miller, and a Garman farmer in

Mr. Hershey's employ, were sitting in an upstairs room in Mr. Hershay's house at Salunga, young Hershey, who had returned from Miliersville school, showed them his revolver. While examining it, the German discharged it, and the ball entered Miller's cheek a short distance below the eye. The German, whose name we have not learned, was so much frightened that he ran off, and has not since been heard

Drs. B. S. Kendig and A. K. Rohrer, of Mountville, were called in to Miller's assistance and probed for the ball, but at last accounts had not found it. The wound is a painful one, but is not considered dangerous. Miller is about 27 years of age and has lived with Mr. Hershey since he was a boy. The Gorman is about 21 years old, a good looking, clean faced young man, who also has been in the em- meets to night. ploy of Mr. Hershey for some time and has borne a good character. PLEEING PLOM A PISTOL

The Escape of a Supposed Thist Who Was Interrupted in his work.

Last night about 12 o'clock a journeyman baker, in the employ of Joseph K. Nobs, in Mt. Joy, was standing at the door of the shop taking the air, when he heard a noise at the stable. He believed that thieves were about and went into the house to alarm Mr. Nobs and secure a horse pistol. The two men ran to the stable, in which they found a strange man. The baker at once began firing at the stranger, who yelled at the top of his voice and ran out of the back door and up the street, making his escape. The baker fired several times at the supposed thief, who continued to yell and it is believed that he was struck by the first load. Nothing is known to have been stolen, but it was very lucky that the man was discovered in

He became entangled in the buffalo robe and was for a time in great danger. Finally he succeeded in getting loose, and fell to passed over his legs, and he was considerably bruised. migh Water at Strasburg.

No public record is kept in Strasburg of the state of the weather or high water. But according to the recollection of the oldest inhabitant (there is only one) the water now is higher there than it has been for the last few days. The Pequea creek was at one time bank full, but the swollen waters are now flowing peacefully to the Susquehanna doing no perceptible damage except here and there to a lone fish pot. Between Strasburg and Neff's mill there is still however quite a gorge caused by the forcing of the water into a narrow channel.

The water is higher in the borough than usual on account of many flooded cellars which are being pumped out, adding much to the comfort and health of the inhabitants of the superstructure.

Oranges and Florida. Better Than Breezes and Blossoms Under a New Flag.

Even the balmy air and orange groves of Florida fail to keep its people full of happi-ness and comfort, Art must help nature everywhere—in the tropics as among the pines of the North. "And, chief among the blessings which are adapted to all zones," writes Dr. J. G. Wallace, of Fort Dade, Fla., PARKER'S TONIC. It seems to have the world for a field, and most of the current diseases yield to its action. I have used it in the case of a delicate and dyspeptic young lady, with the most gratifying results. It seemed to accomplish with ease what the usual prescriptions and treatment for that miserable malady tatled wholly to bring about. I am also glad to state that the Tonic has greatly relieved me personally of a troublesome atonic condition of the stomach of long standing It is the ideal purifier and invigorant."

Messrs. Hisoox & Co. call especial attention to the fact that after April 16, 1883, the name and style of this preparation will hereafter be simply Parker's Tonic. The word "Ginger" simply Parker's Tonic. The word "Ginger" is dropped, for the reason that unprincipled dealers are constantly deceiving their patrons by substituting interfor preparations under the name of Ginger; and as ginger is an unimportant flavoring ingredient in our Tonic, we are sure that our friends will agree with us as to the propriety of the change. There will be no change, however, in the preparation itself; and all bottles remaining in the hands of dealers, wrapped under the name of "Parkezer's Ginger Tonic," contain the genuine medicine if the signature of Hiscox & Co. is at the bottom of outside wrapper.
