Letter from General John E. Mulford.

For years past I have used At LCOCK's POROT PLASTERS on my person and in my family and have found them perfect as an external remedy, quick in their action, giving immediate relief, without blistering the skin, and far superior to all others. No family should be without Allcock's PoRous PLASTERS ; their healing powers are wonderful, and their efficiency far reaching and lasting. When in Washington last winter I was induced to try another much advertised plaster for severpain in my back. No relief from the pain, but a sore and bilstered back for a week was the result. So soon as the plasters healed tap plied two of ALLCOCK'S FOROUS PLASTERS, And they gave me immediate and permanent relief. They give additional strength and vital ity to the spinal column, and they are a neve tailing remedy in my family for Coughs, Colds, Sprains and all kinds of Pains and Weaknesses. Their use has repeatedly save me from Pneumonia. I constantly use them and would not be without them for any con teb18-1weod&w
