THE RIGHT SORT OF WHEEL HORSE.

The not the horse John Gilpin speed, Nor that of Tam O'Shanter; Nor honest Barnum's woolly steed, Nor old King Richard's rascals...

He treads with care the dangerous way, And staidly every motion; He's neither lured nor led astray, By foolish whim or capricious notion...

His eye is tuned for hearing; He's ready for a pull or fight; As he sits the reins and gearings, He calls a halt and scans the way...

This is the Wheel Horse of my day, The careful, keen observer; That sees the path and feels the way, And moves with force and fervor...

CHANGING OCCUPATIONS.

An Argument favoring the Interchange of Country and City Careers. Germantown Telegraph.

A Journal issued in one of the principal cities in New England, refers to what it regards as a very important fact—the increased number of city people going to farming...

For our own part we have always combated this view, and agreed that this change is exactly what is needed. There must be constantly fresh blood infused into trade and mercantile life...

The Culture of the Potato. Germantown Telegraph. As long as we can remember experimenting has been going on in the culture of the potato...

There has been such a demand for LARGE PHOTOGRAPHS that I was compelled to get a VERY LARGE CAMERA BOX to meet the demand.

BROWN'S IRON BITTERS.

Like an Evil Spirit.

In olden times it was thought that evil spirits came in through cracks and keyholes. The generally approved way to keep them out was to plug up the keyholes and stop the cracks with cotton...

So comes malaria now-a-days. We try to keep it out of the keyhole and it comes in by the crack. We stop up the crack, and lo! it comes from a leak in the plumbing of our systems...

We cannot always keep malaria out, but we can give it battle and drive its effects from our systems. If Brown's Iron Bitters is taken in time, malaria has not a ghost of a chance...

"What thing so good" is the query of a poet somewhat confused; if he has a cold, the only thing he knows of is a bottle of Dr. Bull's Cough Syrup.

DO IT AT ONCE. For in cents get a package of Diamond Bites at the druggists. They color anything the finest and most desirable color...

All Admire a handsome Face. A pure, clear skin will make any face handsome. It is the life of the face, and it is the life of the whole person...

Do You Believe It. That in this town there are scores of persons passing our store every day whose lives are made miserable by indigestion, dyspepsia, sour and distressed stomach, chronic constipation...

Postmaster Sam'l A. Hewitt. Of Monterey, Mich., delivers himself in this wise: "For colds, hoarseness, sore throat, and inflammation, Thayer's Electric Oil is the best medicine I ever used..."

Henry's Varicose Salve. The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, tetter, chapped hands, chilblains, corns and all kinds of skin eruptions, freckles and pimples...

DR. J. E. ROTE'S UNIVERSAL PILE SUPPLY. A sure cure for every form of Piles, internal and external, bleeding or bleeding, and long standing cases. It has never failed even in cases as long standing as 20 to 30 years...

NEW ARE AWARE OF THE IMPORTANCE of checking a Cough or common cold in its first stage. That which in the beginning would yield to a mild remedy, if neglected, soon preys upon the lungs.
