FARM AND GARDEN.

WHAT, WHEN AND HOW TO PLANT. The planting of Fruit--Time to Begin to Great--A Great Fruit Farm--Work in the Garden.

It is a very easy matter in experimenting with poultry, as with any other kind of stock, to do away with a good deal of money in "outfits" not needed at the beginning.

As to the best time to plant, it is a good business, a pleasant occupation, an interesting rural work to engage in, if well followed, and properly appreciated and managed, otherwise not.

Wanted to Hear It.

For several months I endured a dull pain through my lungs and shoulders. I lost my spirits, appetite and color, and could with difficulty remain from my bed.

I am a Baptist Minister, and before I ever thought of being a doctor, I graduated in medicine, but left a lucrative practice for my present profession.
