NOT BY ANY MEANS...

NOT BY ANY MEANS, WHEN YOU suffer from itching, burning, or smarting skin, don't accept any others as "just as good." 25 cents. [From the Springfield Republican] A GENEROUS ACT. It is not generally known that the nervous system has a wonderful influence over the skin, but this is a fact known to medical men who have given much of their time to the study of diseases of the skin. No one can have a clear and fair complexion unaided with blotches or pimples who is very nervous. Whatever tends to a beautiful condition of the nervous system always benefits the complexion and removes roughness and dryness of the skin. Some skin diseases are not attended by visible signs on the surface, but an intolerable itching that renders life miserable. We copy the following deserving and interesting endorsement from the Tribune which says: "Dr. C. W. Benson's New Remedy, 'Serravallo's' is received by the public with great confidence, and it is regarded as a very generous act on the doctor's part to make known and prepare for general use his valuable and powerful medicine for the treatment of nervous and skin diseases, after having devoted almost his entire life to the study and treatment of nervous and skin diseases, in which he took great delight. He was for a number of years physician in charge of the Maryland Infirmary on dermatology, and anything from his hands is once accepted as authority and trust. The remedy is fully the article to attack the disease, both internally through the blood, and externally through the absorbents, and is the only reliable and rational mode of treatment. These preparations are only put up for general use after having been used by the doctor in his private practice, for years, with the greatest success, and they fully merit the confidence of all classes of sufferers from skin diseases. This is for sale by all druggists. Two bottles, internal and external treatment, in one package. Don't be persuaded to take any other. It costs one dollar.
