CHICKEN RAISING.

A Correspondent Tells of the Great Profit to be Realized From It.

A correspondent of the INTELLIGENCER writing from Fort Scott, Kansas, concerning chicken raising, says :

MESSRS. EDITORS.—In December last I constructed two very crude hatchers designed from some good points of several others I had seen. I filled them with eggs and they worked fairly well. I kept them going from December 1 to July 1, clearing in that time $650 over and above every thing, and that, too, in spite of the high price of feed and the fact that I sold my chickens at low market prices. The highest I got for them was $6 per dozen, and the lowest $3 75. During that time I attended to my regular business without let or hindrance.

Believing this to be a good return for the amount invested, I made a hatcher that held 250 eggs and my success with it was all that I could wish for. I then had four more made, and I have just taken from these hatchers 1,030 fine chickens, out of a little less than 1,200 eggs. I believe I am placing it modestly when I say that I expect to clear $2,500 by July next, besides attend to my regular business. There is no business as profitable as this is, and there is no business that requires so small an amount of capital to start on. There is no necessity for men trying to hide their business any more than that of raising wheat or cattle. The field is the world and the world, like Oliver Twist is "crying out for more" Poultry is getting higher every year.

There are thousands of young men in this country who are teachers, clerks in stores and in various other avocations, who look forward to the time when they can get a start in some lucky business. The way is now opened to them all if they will only profit by it. Then there are young men who are dependent on fathers or brothers who in one year could place themselves high above any dependence if they only would. Do not wait until spring comes, but get your directions and make your hatchers now. Try them once or twice so as to become familiar with them, and then you will be ready to start spring trade.

Musical Publications Received.

A copy of "Pen Mar Lancers" and "Deux Morceaux pour le Piano," composed and published by F. J. Haller, esq., of Hagerstown, Maryland, have been received. The music of the lancers is very appropriately adapted to the dance its name suggests, and the title page consists of a fine picture of High Rock, the famous summer resort of the Western Maryland railroad. "Deux Morceaux pour le Piano" consist of two little musical gems, well conceived and carried out.

Concentrate Vitality.

All excitants, to radically cure, must be innocent. The art consists in continuing their use until matters in the system contrary to health are removed. Health finds happiness in the mere sense of existence.

BRANDRETH'S PILLS stimulate the blood so as to enable nature to throw off all morbid humors, and cure disease, no matter by what name they are called.

The secret of recruiting the vital principle is discovered in BRANDRETH'S PILLS, because they remove what holds it in check. It is believed they possess these elements of vitality. Heat, healthy animal warmth, is certainly increased by the use of this wonderful medicine. Provided the great organs are not irreparably injured, there is no disease BRANDRETH'S PILLS will not cure. The true art of healing is to assist nature to throw off disease—to concentrate, as it were, the whole vitality of the system to eject that has fastened on a part.

GET BRANDRETH'S PILLS. *Be put off with none other.* And follow the printed directions, and health will surely bless you.

SKIN CURE.

[*From the Springfield Republican.*]

A GENEROUS ACT.

That Will be Appreciated by All Who Care for Their Complexion and Skin.

It is not generally known that the nervous system has a wonderful influence over the skin, but this is a fact known to medical men who have given much of their time to the study of diseases of the skin. No one can have a clear and fair complexion unmixed with blotches or pimples who is very nervous.

Whatever tends to a beautiful condition of the nervous system always beautifies the complexion and removes roughness and dryness of the skin. Some skin diseases are not attended by visible signs on the surface, but an intolerable itching that renders life miserable.

We copy the following deserving and interesting compliment from the *Tribune* which says: "Dr. C. W. Benson's New Remedy, 'SKIN CURE,' is received by the public with great confidence, and it is regarded as a very generous act on the doctor's part to make known and prepare for general use his valuable and favorite prescription for the treatment of nervous and skin diseases, after having devoted almost his entire life to the study and treatment of nervous and skin diseases, in which he took great delight. He was for a number of years physician in charge of the Maryland Infirmary on Dermatology, and anything from his hands is at once accepted as authority and valuable. The remedy is fully the article to attack the disease, both internally through the blood, and externally, through the absorbents, and is the only reliable and rational mode of treatment. These preparations are only put up for general use after having been used by the doctor in his private practice, for years, with the greatest success and they fully merit the confidence of all classes of sufferers from 'skin diseases.' This is for sale by all druggists. Two bottles, internal and external treatment, in one package. Don't be persuaded to take any other. It costs one dollar.

OH, MY HEAD!

WHY WILL YOU SUFFER?

Sick headache, nervous headache, neuralgia, nervousness, paralysis, dyspepsia, sleeplessness, and brain diseases, positively cured by Dr. Benson's Celery and Chamomile Pills. They contain no opium, quinine or other harmful drug. Sold by druggists.

Price, 50 cents per box, two boxes for $1, six boxes for $2 50, by mail postage free.—Dr. C. W. Benson, Baltimore, Md.

C. N. Crittenden, New York, is wholesale agent for these remedies. m14-MW,S&W

HOSTETTER'S

CELEBRATED

STOMACH BITTERS.

The Want of a Reliable Diuretic

Which, while acting as a stimulant of the kidneys, neither excites nor irritates them, was long since supplied by Hostetter's Stomach Bitters. This fine medicine exerts the requisite degree of stimulation upon these organs, without producing irritation, and is, therefore, far better adapted for the purpose than unmedicated excitants often resorted to. Dyspepsia, fever and ague, and kindred diseases are all cured by it. For sale by all Druggists and Dealers generally. fa1-lmdeod&w

THE

Indians Have Gone.

But their medicines remain with us, and can be found in every drug store in the city, and people who are using their medicines can be supplied at the same prices as were established by the Indians,

Ka-Ton-Ka

Operates with energy upon the bowels, liver, kidneys, and pores of the skin, thus expelling, by means of these organs, the disease-germs, or cause of scrofulous, inherited, and contagious humors and disease which float in the blood, perspiration and urine. In forty minutes after taking the first dose it may be detected by chemical analysis in the blood, perspiration and urine, where it acts upon diseased or morbid impurities and destroys them, after which they pass harmlessly from the system. Hence its great power over diseases which derive no benefit from all other forms of treatment. As a blood purifier and spring medicine it surpasses all other compounds. It acts gently yet freely upon the bowels, overcoming constipation, dyspepsia, sick headache furred tongue, biliousness, torpidity of the liver, high colored or thickened urine, in a very few doses. It excites the apetite, increases the flesh, hardens the muscles, and solidifies the bones. It is a mother's remedy, regulating and strengthening the maternal functions. It purifies the female system of ulcerative weaknesses and debilitating humors. It expels the first symptoms of hereditary humors and diseases in children and youth. It is wonderful in nervous debility, emaciation and dropsy. It expels the cause of rheumatism and gout and invariably cures. There are no forms of disease upon which the medicine does not act favorably by reason of its purifying action on the great fluids of the system. Price $1 per bottle, six bottles for $5.

Indian Cough Syrup

Is certainly the best remedy of its kind ever introduced, and all people who are suffering with coughs, colds and lung troubles should not delay its use. Price 10 cents per bottle.

Modoc Indian Oil

Will never be forgotten by those who saw the wonderful cures performed in public by the Indian medicine men. The Indians believed it to be the Great Spirit's medicine. It relieves all pain instantly.

Ask your druggist for MODOC INDIAN OIL. Take no other, it is the best. Price 25 cents per bottle; five bottles for $1. All Keep it.
