They Stole a Trunk.

Some months ago a trunk, which belonged to a lady who came from Harrisburg to Marietta by rail, was stolen from the platform of the station at the latter It contained clothing, valuable lowelry, etc. The railroad officers have been busy since the larceny trying to ascertain who were the thieves. Yesterday they arrested Frank Montgomery and Henry A. Spangler, of Marietta. One of them confessed that he stole the trunk and carried it to the river side, where both of them broke it to pieces with an axe and carried off the contents. Search of the men's houses was made and considerable of the stolen property was recovered. The men were taken before Squire Frank, of Columbia, who committed them to prison, where they now are.
